Call for the award of tuition fee waivers for international students registering in First, Single and Second Cycle Degree Programmes at the Alma Mater Studiorum - University of Bologna, for A.Y. 2017-18 (Unibo Action 1)

**DEADLINE: 12 June 2017**

**ART. 1 - Subject, amount and duration**

In order to promote the attendance of international students in its degree programmes, the University of Bologna has funded tuition fee waivers for international students registering for A.Y. 2017-18 to the First, Single and Second Cycle Degree Programmes at University of Bologna, for a total value of 140,000 €, divided as follows:

- Tuition fee waivers for 40,000 € for students registering in First Cycle and Single Cycle degree programmes;
- Tuition fee waivers for 100,000 € for students registering in Second Cycle degree programmes;

If the number of suitable candidates does not cover the available waivers on one level, the remaining waivers will be allocated to candidates of the other level.

International students are all those whose qualifications for admission to the chosen First, Single or Second Cycle degree programme were obtained in an institution outside of the Italian education system, or in an Italian institute outside Italy, in spite of the citizenship.

By registering is meant the first enrolment to the first year in the degree programmes. Enrolling in years following the first year, transferring from a degree programme to another or from a university to another, is not considered registering (art. 3, 13, 14 of the Regolamento Studenti, D.R. 464/2013).

The waivers cannot be awarded to students registering in multiple or joint programmes, for which tuition fees have to be paid to a partner university, other than the University of Bologna.

Each waiver is awarded for one academic year only. The potential renewal of the waiver may only be possible through a specific call for applications.

Students who are awarded the waivers are in any case bound to pay 157.64 € (Regional tax, tax stamp and insurance premium. The amount may be subject to change).

**ART. 2 – Incompatibility**

The waiver is not cumulative with Unibo Action 2 study grants.

The waiver is compatible with other forms of study support funded by ER.GO (such as housing services, part time student work collaboration - 150 hours, etc.).

**ART. 3 – Admission requirements**

Application is open exclusively to candidates who are in possession of all the following requirements:

1) the qualifications for admission to the chosen First, Single or Second Cycle degree programme were obtained in an institution outside of the Italian education system, or outside Italy, after at least two years of attendance. If the qualification for admission is a one year title, the prior qualification will be considered too.
