

Language Requirements – Assessment modalities

In order to meet the language requirements requested by the Erasmus+ mobility for study call for application, students should:

1. **Sit a language assessment test organised by the CLA for the Erasmus+ mobility for study 2025/2026 call for application and obtain (at least) the A2 level** for the language(s) requested in the exchange student vacancy they are interested in (languages available: French, English, Spanish, German and Portuguese);
2. **Have passed a curricular language pass/fail test as part of their study plan**, in the language requested by the mobility programme. A curricular language pass/fail test consists in an exam which verifies linguistic skills, reserved to enrolled students who have the activity in their study plan. Those activities hold code "CLT" for Bologna Campus and the code "CLIR" for the other Campuses (Romagna). Test passed before 1/1/2022 will not be considered valid as exemption from the language test. For students enrolled in a second cycle degree at UNIBO (Laurea Magistrale) the language test passed during their first cycle degree can be considered valid if passed not before 1/1/2022, even if obtained at another Italian university. Students are requested to upload onto AlmaRM the relevant documents and a syllabus of the activity;
3. **Have been awarded an official certificate issued by one of the Certifying Bodies** in the table of equivalence of the Common European Framework of Reference, supplemented with certification for Portuguese (Attachment 3). Certificates issued before 1/1/2022 will not be considered, regardless of the official validity period established by the certifying body;
4. **Are enrolled in degree programmes taught entirely in English** (listed in Attachment 4 of the call for application). This option is valid only for students applying for mobility programmes where the required language is English. Students in this category who apply for institutes that do not offer English as a testing language will nonetheless have to submit adequate certification (or sit the assessment test);
5. **are enrolled in a third-cycle programme (PhD programme or specialization school) at the University of Bologna;**
6. **Have been awarded a certificate after attending a 50-hour course at the University Language Centre (CLA).** Certificates issued before 1/1/2022 will not be considered;
7. **Have passed a language assessment test at the University of Bologna Language Centre (CLA) after 1/1/2022** for other calls for applications for mobility programs (Erasmus+ for study, Erasmus+ for traineeship, Overseas, Fieldwork). The result of the most recent language assessment test will be deemed valid. For example, if a student sat a test in 2023 and achieved A2 level, but took another test in 2024 and only achieved A1 level, his/her application would be rejected. Accordingly, **students who decide to sit the test foreseen for the Erasmus+ for study call for application ay 2025/26 session should note that the level achieved in that test would be taken into consideration, even if they achieved a higher level in previous language assessment tests.** For students enrolled in a second cycle degree at UNIBO (Laurea Magistrale) the language assessment test passed during their first cycle degree can be considered valid if passed not before 1/1/2022, even if obtained at another Italian university. Students are requested to upload onto AlmaRM the relevant documents and a syllabus of the activity;
8. **be enrolled in degree programmes at the department of Interpreting and Translation - DIT and apply for exchanges linked to this department.** In particular, these students must comply with the instructions available at the web page: <https://corsi.unibo.it/laurea/MediazioneLinguisticaInterculturale/bando-erasmus-valutazione-delle-competenze-linguistiche.htm> **NB:** Students must comply with the criteria specified for students enrolled in degree programs at other departments if:
 - are enrolled in degree programmes activated by DIT and are applying for exchanges linked to other departments
 - are enrolled at the last year of a degree programme activated by other departments/schools and are planning to enrol in a degree programme activated by DIT and to go abroad during their "future career";
