

Accepted language certificates for the Overseas call with proficiency level marked according to the Common European Framework of Reference (CEFR)

The following language certificates (see chart below) are accepted and can be submitted instead of sitting the CLA language test.

In addition, CLA language tests for mobility programmes that have been sat in any of the two previous academic years, i.e. 2020/2021 or 2021/2022, are still considered valid for the Overseas Call 2023/2024 and therefore do not have to be sat again.

For French, Portuguese and Spanish, students can also prove their language proficiency by enclosing with their application a certificate obtained from the Language Center of a foreign university where they have spent a study period within the framework of institutional exchange programs (e.g., Erasmus). The certificate should specify the language level achieved and the skills acquired through the descriptors of the Common European Framework of Reference for Languages (e.g. B1, B2, C1 etc.). The level indicated in the certificate must correspond to or be higher than the level required by the University for which the student is applying. Moreover, the certification must have been acquired within two years from the date of application.
