Moreover, applicants awarded with PhD scholarships funded by Next Generation EU shall fulfill specific obligations foreseen in the relevant funding scheme, in the relevant regulations and in the Call for Applications.

Admission Exams

	DATE AND TIME	RESULTS
Qualifications and research proposal evaluation	Applicants' participation is not required	Available from 05/07/2023**
Oral examination	Date: starting from 10/07/2023 – 9.00 a.m. CEST* Place: In presence, Palazzo Del Monte Gaudenzi – II floor, Via Galliera 3, Bologna. Remotely, using Microsoft Teams	Available from 14/07/2023**

* In case that the oral examination cannot be completed in one day due to the large number of applicants, the oral examination detailed schedule shall be made available on the webpage [Studenti Online](#) together with the results of the qualifications and research proposal evaluation. **During the oral examination, applicants may express their interest in one or more positions linked to specific research topics.**

** The **results of the admission exams** will be available on the webpage [Studenti Online](#) (select “summary of the requests in progress” > “see detail” and open the .pdf file at the bottom of the page). **No personal written communication will be sent to applicants concerning the examinations results.**

Required and Supporting Documents to be attached to the application

All the documents listed below **shall be drawn up in English**. In case of documents originally issued in any other language (e.g. identity document, qualifications), an official English translation is required.

Only qualifications obtained **during the last 5 calendar years** shall be taken into consideration, except for the University Degree. The Admission Board will assess the relevance of the supporting documents to the PhD Programme.

REQUIRED DOCUMENTS	
Identity document	Valid identity document with photo (i.e. identity card, passport)
Curriculum Vitae	CV must be written in English
Qualifications	Documents attesting the awarding of the first and second cycle degrees, the exams taken and the marks obtained (see Art. 3 of the Call for Applications)

Multi-annual research proposal	<p>A multi-annual research proposal, in English only, with special emphasis on the activities to be completed during the first-year course. The research proposal shall meet the following requirements:</p> <ul style="list-style-type: none"> - it shall indicate on the cover page the research topic covered by the research proposal and for which the applicant is applying; - it cannot exceed 4.000 words, including spaces and formula possibly used. This figure does not include: the title of the proposal, the outline, references and images (such as graphs, diagrams, tables etc. - where present); - it must include: the state of the art; description of the proposal; expected results; lead-time for implementation; references. <p>The research proposal that successful applicants shall carry out during their doctoral career may possibly differ from the proposal presented at the application stage. This shall be defined together with the supervisor and approved by the Academic Board.</p>
SUPPORTING DOCUMENTS	
Thesis abstract	Abstract of the second cycle degree thesis . Graduands may submit the draft of their thesis (abstracts cannot exceed 5.000 characters, including spaces and formulas, if present. The above figure does not include: title, outline, images such as graphs, diagrams, tables etc. if present) – In English only .
Personal Statement	The statement shall include the reasons prompting the applicant to attend the PhD Programme and those relevant experiences and research interests, that make the applicant suitable for the specific PhD Programme (2000 characters maximum, including spaces) – In English only .
Reference letter/s	No more than 2 reference letters signed by Italian and/or International academics and professionals in the research field, which do not form part of the Admission Board, attesting the suitability of the applicant and his/her interest for the scientific research. For more information about the specific uploading procedure, see the Call for Applications (Art. 3.2) – In English only (the applicants must inform the academics/professionals about the required language)
Publications	List of publications (i.e. monographs, articles on scientific journals, volume chapters) and minor publications (conference papers, etc.) – In English only
Other documents	<ul style="list-style-type: none"> - Language proficiency certificates (i.e. TOEFL, IELTS, Cambridge Assessment, ESOL or other certificates attesting at least B1 level) - Periods of study abroad, outside the country of origin (e.g. Erasmus programme or other similar mobility programmes) – In English only - Other qualifications attesting the suitability of the applicants (scholarships, prizes, etc.) – In English only
