No personal written communication will be sent to applicants concerning the examinations results.

**During the oral examination, applicants will express their interest in one or more PhD positions linked to specific research topics.**

## Required and Supporting Documents to be attached to the application

Only documents in Italian or English will be considered valid and will be assessed by the Admission Board. Identity documents and diplomas/degree certificates issued in a language other than Italian or English must be accompanied by an official translation. The translation must be carried out by an authorized body or by the awarding university. Only qualifications obtained in the last 5 years will be taken into account, with the exception of university degrees. The Admission Board will assess the relevance of the supporting documents to the PhD programme.

REQUIRED DOCUMENTS	
<b>Identity document</b>	Valid identity document with photo (i.e. identity card, passport)
<b>Curriculum Vitae</b>	No specific CV format is required
<b>Degrees</b>	Documents attesting the awarding of the first and second cycle degrees, the exams taken and the marks obtained (see Art. 3 of the Call for Applications)
<b>Research proposal</b>	Multi-annual research proposal, with special emphasis on the <b>activities to be completed during the first-year course</b> . The proposal must meet the following requirements: <ul style="list-style-type: none"> <li>- it must <b>mention on the cover page the Curriculum</b> the applicant is interested to and the proposal is about, and/or <b>the position/s linked to specific research topics</b> the applicant may intend to express his/her interest during the oral exam;</li> <li>- <b>it cannot exceed 20,000 characters</b>, including spaces and formula possibly used. This figure does not include: the title of proposal, the outline, references and images (such as graphs, diagrams, tables, etc. - if present);</li> </ul>

	- <b>it must include:</b> the state of the art; description of the proposal; expected results; articulation of the proposal and implementation times; references.
<b>SUPPORTING DOCUMENTS</b>	
<b>Thesis abstract</b>	Abstract of the <b>second cycle degree thesis</b> . Graduands applicants may submit an abstract of the thesis about to be defended. Abstracts cannot exceed 5,000 characters, including spaces and formula possibly used. The above figure does not include: the title of the thesis, the outline, references, and images such as graphs, diagrams, tables etc.

## Evaluation criteria\*

Scores will be expressed in points out of 100, as follows.

### 1. Research proposal evaluation

Minimum score for admission to the written examination: 30 points, Maximum score: 40 points

Scientific value and ground-breaking nature of the proposal	20 points max
Structure of the proposal	10 points max
Proposal feasibility	10 points max

### 2. Written examination

Minimum score for admission to the oral examination: 15 points, Maximum score 30 points

Translation of, or comment to, a text relating to the research area indicated by the candidate in their research proposal. The written examination will consist of:

- Curriculum n. 1 - Sciences of antiquity: a translation of or a commentary to a Greek or Latin text
- Curriculum n. 1 - Sciences of books and documents: an historical-critical interpretation of a text of bibliographic culture; a transcription and paleographic commentary of a manuscript text
- Curriculum n. 2: a commentary and historical-critical and philological interpretation of a literary text; a dissertation on empirical data and theoretical models in linguistics

consistency of the reasoning/quality of translation	10 points max
historical and critical expertise/suitability of the commentary	10 points max
quality of the language used for the written test	10 points max

### 3. Oral examination

Minimum score for eligibility: 15 points, Maximum score 30 points

Foreign language proficiency	5 points max
Presentation of the research proposal, and of the thesis abstract, <u>if</u> consistent with the research proposal itself	15 points max
General knowledge of the PhD programme's main research topics and of the research topics linked to the available PhD positions	10 points max

Oral examination aims to assess the suitability of the applicant for scientific research as well as the general knowledge of the PhD programme's main research topics and of the research topics linked to the available PhD positions. **During the oral examination, the Admission Board shall assess the applicant's language proficiency in English and in another eventual language among the following: French, Spanish and German.**

The oral examination is carried out in Italian or English.

\* Possible further evaluation criteria will be available on the [University website](#), selecting the relevant PhD Programme > "More information", at the bottom of the page in the section "Notices".
