REQUEST FOR SUSPENSION

I, the undersigned,

Surname and Name: _____

Enrollment (Matricola) n.: _____ Mobile phone: _____

REQUEST

the suspension of the attendance to the PhD programme from _____ to _____ for:

- birth of a child (please, attach self-certification)
- civil national service ("Servizio Civile") (please, attach self-certification)
- serious and documented illness (please, attach medical certification)
- serious and documented personal and family reasons (please, attach supporting documents and describe the reasons of your request): _____

DECLARE TO BE AWARE THAT

- The career suspension will be recorded only after verification and positive feedback from the offices.
- The PhD career suspension results in a postponement of the end date of the legal duration of the programme equal to the sum of the periods of suspension that may have been taken
- During the suspension period the payment of the scholarship is suspended and the PhD candidate cannot progress in their PhD career.
- At the end of the suspension period, to resume the attendance of the PhD programme, the PhD candidate must write to aform.udottricerca@unibo.it to regularise their enrollment. If this does not happen, the PhD candidate is excluded from the PhD programme.
