MASTER IN INTERNATIONAL MANAGEMENT

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

MIEX YEAR ONE

MIEX YEAR TWO

MIEX OBJECTIVES

MIEX is a multiple degree program fully taught in English for graduate students wishing to develop skills and expertise in the internationalization of firms.

MIEX aims at preparing the global business leaders of tomorrow. The program covers basic aspects of International Business Administration and Management as well as current research and consultancy methods. In-class preparation is accompanied by a set of hands on, in-the-field experiences that put theory into practice.

COURSES AND FACULTY

- International Banking
- International Human Resources Management
- International Marketing & Brand Management
- International Business Law
- Negotiation Techniques & Economic Information Analysis
- International Business Strategy & International Entrepreneurship
- Industrial Economics
- International Economics
- International Finance
- Logistics & Operations Management
- Conferences, case studies, business games and company visits

MIEX features an international and diverse faculty of academics, managers and professionals.
