Call for applications for admission to professional Master's programmes in the 2026-2027 academic year - Operational notes

The procedures for admission to first and second level professional Master's are completed entirely online by accessing the Studenti Online website.

To register, you must submit an application to participate in the selection process by paying a non-refundable enrolment fee of EUR 60.

If you are deemed eligible in the ranking following the selection process, you can proceed with the enrolment, according to the maximum number of enrolled students specified in the call for applications.

Certain enrolment information will vary depending on your citizenship. Follow the procedures according to your profile:

I have Italian citizenship or qualification equivalence certificate

Information on enrolment in a professional Master's for applicants with Italian citizenship or citizenship of a non-EU country and a qualification equivalence certificate

I am a citizen of an EU country

Information for anyone from an EU country, for those with dual citizenship, one of which is a European Union country, or for anyone from one of these countries: Norway, Iceland, Liechtenstein, Switzerland and the Republic of San Marino.

I am a citizen of a non-EU country

Information for those who have citizenship of a non-EU country and do not have a qualification equivalence certificate.

If you have any problems with the online procedures, please contact the Help Desk by entering a request at https://sportelli.unibo.it/hd-studenti or call +390512080301, which is available Monday to Friday from 9:00 a.m. to 1:00 p.m. and from 2:00 p.m. to 5:00 p.m.

For assistance with creating your @studio.unibo.it username and password or in the event of difficulties in using them, you can send an email to *credenziali.studio@unibo.it* or call +390512080301.

Please note that the deadlines you need to meet are indicated in the individual sheet of the professional Master's programme that you are applying for.
