Regulations concerning the validity and use of certificates in the Public Administration came into force on 1 January 2012. In compliance with these regulations, the Public Administration cannot accept or request certificates concerning information which is already in the possession of the Italian public administration; only self-certifications will be accepted.

This does not apply to certificates which contain information which is not in the possession of the Italian public administration (e.g. "dichiarazione di valore" for qualifications obtained abroad).

Article 1 – General Information

1. Under the terms of Decree no. 270 of 22 October 2012 issued by the Italian Ministry of Education, University and Research, the Alma Mater Studiorum - University of Bologna, administrative office Bologna, will run the SummerSchool in “Innovation and Technology Management in Medical and Pharmaceutical Biotechnology” for academic year 2023-2024.
2. The programme has been set up on the proposal of Dipartimento di Scienze Biomediche e Neuromotorie - DIBINEM and is run in collaboration with FAM, Fondazione Alma Mater .
3. The programme lasts for five days, classroom training is delivered in English, awards 5 CFU credits and aims the following learning outcomes : Training biotech students and graduates on basic bio-business concepts, such as product development, intellectual property rights, financing models, has become a prerequisite to their success in the biotechnology business world. However, in the traditional academic environment most of these subjects are not yet taken into account. The summer school aims to address this gap by providing students with useful bio-business competencies that will make them more competitive, and therefore more employable, at European and international level. Representatives from the biotech industry will share their experience and show the students a realistic and reliable picture of today's job opportunities in biotech companies. Specific group activities will also foster the interactions and connections between the participants, with a view to creating a lasting network between students, universities and industry.
4. Applications will be accepted until all places are filled.
Failure to reach the minimum number of participants or the failure to reach the minimum budget requirements will result in the Summer School not being activated. In the case of non-activation the Master's Office will run the reimbursements of the first instalment (excluding the processing fee) according to the procedures issued by the University: <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/how-to-obtain-a-refund-for-non-due-fees/how-to-obtain-a-refund-for-non-due-fees>
5. Certification of the positive completion of the Summer School and the issue of 5 CFU/ECTS is subject to:
 - payment of all fee instalments within the established deadlines;
 - achievement of a minimum attendance of 80 %;
 - passing the final examination.
6. It is not possible to transfer your enrolment from one Summer/Winter School to another, nor to any other course offered by the University.
7. The programme is not subject to exemption from registration fees and university tuitions fees (D. Lgs 68/2012, art.9, comma 8). However, as reported in the Guidelines, the enrollment of 1 student with a disability greater than or equal to 66% is allowed in supernumerary, provided that the candidate is suitable for the selection, with total exemption from the payment of enrollment fees except for fixed charges and the registration fee for the selection.
