As of 1 January 2012, the rules governing validity and use of certificates within the Italian Public Administration have changed. Public offices can no longer accept and request certificates containing information that the Public Administration already knows. Only self-certifications will be accepted. These provisions do not apply to certificates containing information that the Italian Public Administration has not acquired yet (e.g. Declaration of Value – certificate of equivalence – for foreign qualifications).

## Article 1 – General information

1. Pursuant to Decree no. 270 of 22 October 2004 of the Italian Ministry of Education, University and Research, for academic year 2026-2027, Alma Mater Studiorum – Università di Bologna, Administrative office of Bologna, will run a Summer School in “Smart Objects and Applications”.
2. The Summer School has been set up on the proposal of the Department of Computer Science and Engineering and in cooperation with Ser.In.Ar. Forlì-Cesena Soc. Cons.p.A.
3. The Summer School, which will last for 10 days, will be taught in the English language. It awards 6 University educational credits (CFU) and has as its learning outcome is to enrich knowledges and competences of Computer Science and Engineering graduate and undergraduate students about smart and interconnected objects and about applications based on them and on their integration. The Summer School will be structured in lectures in classroom and in lab, with the aim of providing theoretical concepts together with practical activities about the topics and the element at the basis of the design and the development of applications based on Smart Objects.
4. The Summer School is a restricted-access postgraduate course.  
The selection procedure will not take place unless a minimum number of applicants is reached.  
The Programme will not run unless a minimum number of students is reached and the minimum budget requirements are met. If this is not the case, the Ufficio Master will refund enrolment fees (excluding stamp duty) in accordance with the methods prescribed by the University.  
The selection procedure participation fee (€10.00) will not be refunded, not even in the case that the selection procedure cannot take place.
5. The certificate of successful completion of the Summer School and the awarding of 6 CFUs are conditional on:
  - paying the tuition fees in full;
  - reaching the minimum attendance percentage of 70 %;
  - passing the final examination.
6. Transfer from a Summer/Winter School to another or to any other programme offered by the University is not permitted.
7. The Programme does not entitle to exemption from tuition fees (Italian Legislative Decree 68/2012, Article 9, paragraph 8). However, as per the Guidelines and subject to passing the selection, the enrolment of one student with a certified legal disability of 66% or more or with a certification under Italian Law 104/92 will be permitted in excess of the maximum number. Such student(s) will be fully exempted from paying tuition fees, net of any fixed costs and of the selection procedure participation fee.  
In order to apply for a reserved place, a self-certification (stating NAME- SURNAME-TAX CODE-DATE OF BIRTH- PLACE OF BIRTH-ADDRESS OF RESIDENCE) and the legal disability certificate issued by INPS must be submitted to the Secretariat (Roberta Foschi, [roberta.foschi@criad.unibo.it](mailto:roberta.foschi@criad.unibo.it)) and to [arin.studentialtaformazione@unibo.it](mailto:arin.studentialtaformazione@unibo.it), together with an identity document, upon entering the enrolment data on Studenti Online.  
The benefit will only be awarded to students who submit all the appropriate documentation subject to availability of reserved places.

## Article 2 – Admission requirements

1. All applicants must hold the following qualifications and meet the following admission requirements by the enrolment end date **July 2, 2026**:

- Bachelor and/or two-year Master degrees awarded pursuant to Ministerial Decree 270/04 (or first-cycle and/or second-cycle degrees awarded under the degree programme systems in force prior to Ministerial Decree DM 509/99) in the following disciplinary areas/degree programme classes: L-8 - Information technology engineering, L-31 - Computer Science, LM-18 - Computer Science or LM-32 - Computer Engineering;
  - Bachelor and/or two-year Master degrees awarded abroad in the above-said disciplinary areas and valid for admission to the Programme.
  - Students with a secondary school diploma, but enrolled in a Bachelor Degree and with skills in computer science and engineering are also admitted.
2. Applicants who, at the time of registering for selection, do not hold the necessary qualifications and meet the applicable requirements yet, can participate in the selection on a conditional basis. If they are selected, they will be able to enrol subject to sending proof of the relevant qualifications and requirements to [arin.studentialtaformazione@unibo.it](mailto:arin.studentialtaformazione@unibo.it). Successful applicants who fail to obtain the necessary qualifications and meet the applicable requirements before the enrolment end date will not be able to enrol.
