Regulations concerning the validity and use of certificates in the Public Administration came into force on 1 January 2012. In compliance with these regulations, the Public Administration cannot accept or request certificates concerning information which is already in the possession of the Italian public administration; only self-certifications will be accepted. This does not apply to certificates which contain information which is not in the possession of the Italian public administration (e.g. "dichiarazione di valore" for qualifications obtained abroad).

## Article 1 – General Information

1. Under the terms of Decree no. 270 of 22 October 2012 issued by the Italian Ministry of Education, University and Research, the Alma Mater Studiorum - University of Bologna, administrative office Bologna, will run the Summer School in “Environmental Health” for academic year 2022-2023”.
2. The programme has been set up on the proposal of Dipartimento di Scienze Mediche e Chirurgiche, Scuola di Medicina and is run in collaboration with Fondazione Flaminia.
3. The programme lasts for one week, classroom training is delivered in english and italian, awards 7 CFU credits and aims the following learning outcomes Environmental exposure to potential toxic substances occurs every day through air, soil, or water contamination. The current research focuses on risks related to chemical, biological, and physics agents in the environment, the work place and the food chain. Methods for investigation and assessment of risks to human health have been evolving in the last few years. The students will be introduced to the various approaches used in risk assessment: exposure assessment, toxicology (the science of poisons) and epidemiology (the science of public health). Students will attend a series of lecture courses at an intermediate/advanced level. The students also participate in exercises, case studies and practical sessions under the guidance of the teacher. Collaborations: Arpae Emilia Romagna, RIAS (Italian Network Environment and Health, Italian Ministry of Health), ISPRA.
4. The Summer School is a post-graduate course with a closed number of places.  
Failure to reach the minimum number of participants will result the cancellation of the selection procedure.  
Failure to reach the minimum number of participants or the failure to reach the minimum budget requirements will result in the master not being activated. In the case of non-activation the Ufficio Master will run the reimbursements of the first instalment (excluding the processing the fee) according the procedures issued by the University <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/how-to-obtain-a-refund-for-non-due-fees/how-to-obtain-a-refund-for-non-due-fees>  
Please note that the admission fee (€10.00) will not be reimbursed, not even when the selection procedures are cancelled.
5. Since it is impossible to predict how the COVID-19 health emergency will evolve and in order to ensure continuity, teaching activities may be delivered in a mixed format, both in person and remotely according the measures adopted by the University of Bologna.
6. Certification of the positive completion of the Summer School and the issue of 7 CFU/ECTS is subject to:
  - payment of all fee instalments within the established deadlines;
  - achievement of a minimum attendance of 80 %;
  - passing the final examination.
7. It is not possible to transfer your enrolment from one Summer/Winter School to another, nor to any other course offered by the University.
