

Scientific program: last-minute changes

The Poster presentation n.50 entitled:

A. Santaniello, M.G. Buonomenna, G. Golemme “Ideal vs. non-ideal effects in mixed matrix membrane modeling”

is moved to Oral presentation, scheduled on Tuesday 17th at 14:00 (Session 4a, AIZ).

The Oral presentation originally scheduled at 14:00, Tuesday 17th (Session 4a, AIZ), entitled:

V. Sacchetto, C. Bisio, I. Braschi, M. Cossi, G. Gatti, G. Paul, G. Berlier, R. Bagatin, L. Marchese “On the adsorption of hydrocarbons on micro to mesoporous high silica materials: a combined experimental and computational description”

is moved to Poster presentation (Poster n. 50).

Dr. **Vittoria Sacchetto**, Università del Piemonte Orientale, is the Winner of the **Gottardi Award**.

The Gottardi Award Lecture, scheduled on Monday 16th, at 18:10, is entitled:

“Analysis of adsorption selectivity of zeolites used for the decontamination of water from hydrocarbons: theoretical and experimental study”
