Language skills	Mother tongue: italian Other language: English (TOEIC Certificate) Reading & listening: 945; Writing & speaking: 170
Computer skills	Microsoft Office Programs; S.T.A.T.A.; Google Forms, LimeSurvey; Qualtrics.
Job-related skills	Academic writing, literature review, writing a questionnaire, creating a semi-structured interview trail, conducting qualitative interviews, administering questionnaires, conducting laboratory experiments, creating, cleaning and managing a dataset, data analysis (monivariate, bivariate and multivariate techniques), reports and presentation of results.
Soft skills	Active listening skill improved during Italian volunteer service experience and volunteering activity (between 2013 and 2018, Comunità di Sant'Egidio of Turin). Good time management developed during university courses years due to the need to balance study, work and volunteering activities. Flexibility and adaptability acquired mainly through the experience of Italian volunteer service experience due to necessity to handle with frequent new job priorities. Self-management skill developed during the research grant experience. During the last three years I worked with different teams, in different fields: through these experiences I have learnt how to positively contribute in the workplace , proposing my ideas, being responsible and accepting criticism. Good stress management gained mainly during internship experiences.
