

STEFANO BOSCOLO, PhD
Curriculum Vitae, December 2022

Personal information

Date of birth: 3 June 1991

Languages: Italian (native); English (fluent); Spanish (fluent)

E-mail: stefano.boscolo5@unibo.it; stefano.boscolo@mef.gov.it

Current position: Research fellow, Department of Statistical Sciences 'Paolo Fortunati' ([STAT](#)) – University of Bologna (*since January 2022*)

Other affiliations: Centre for the Analysis of Public Policies ([CAPP](#)) – University of Modena and Reggio Emilia (*since November 2021*); Giacomo Brodolini Foundation ([FGB](#), *since September 2019*)

ORCID: [0000-0003-3865-8644](#)

Research interests

- Static and dynamic microsimulation modelling
- Theoretical and empirical analyses of taxation, income redistribution and poverty

Work experience and projects

January 2022 – December 2022

Project title: Wealth transmission, wealth accumulation, and wealth distribution

Employer: Department of Statistical Sciences 'Paolo Fortunati' – University of Bologna

Activity: development of a structural life cycle model to study the relationship between wealth transmission, wealth accumulation, and wealth distribution in Italy

September 2019 – December 2022

Project title: Modernizing Social Protection Systems in Italy (MOSPI)

Employer: FGB

Activity: development and maintenance of the Treasury Dynamic Microsimulation Model ([T-DYMM](#)) of the Italian Ministry of Economy and Finance

Education

2017 – 2021: Ph.D. in Labour, Development and Innovation

Institution: University of Modena and Reggio Emilia – Marco Biagi Foundation

Thesis title: On the Redistributive Effect of the Erosion of the PIT Base: The Case of Italy

September 2020: Visiting Ph.D. student

Institution: LIS Cross-National Data Center (Luxembourg)

March 2019 – June 2019: Visiting Ph.D. student

Institution: ISER – University of Essex (England)

2014 – 2017: Master's Degree in Economics and Public Policy

Institution: University of Modena and Reggio Emilia

2011 – 2014: Bachelor's Degree in Economics and Commerce

Institution: University of Ferrara

2012 – 2013: Erasmus Exchange Program

Institution: University of Castilla-La Mancha (Spain)

Summer and winter schools

2019: IRVAPP Winter School in 'Fundamentals and methods for impact evaluation of public policies' held at the University of Trento – Department of Sociology and Social Research

2018: EUROMOD-HHoT Summer School in 'Using EUROMOD for model family simulations' held at the University of Antwerp (Belgium)

Teaching experience

2022 – 2023: tutoring activity for the course 'Economics' of the Bachelor Program in Statistical Sciences held at the Department of Statistical Sciences 'Paolo Fortunati' – University of Bologna

2018 – 2019: tutoring activity for the course ‘Introduction to Macroeconomics’ (lectures with team-based learning approach) of the Bachelor Program in Business Administration held at the Marco Biagi Department of Economics – University of Modena and Reggio Emilia

Publications in peer-reviewed journals

- [1] Boscolo, S. (2022). The contribution of tax-benefit instruments to income redistribution in Italy. *Economia Pubblica*, 2: 181-231. DOI: [10.3280/EP2022-002001](https://doi.org/10.3280/EP2022-002001)

Awards and visiting grants

2020: SIEP prize – best paper award. Paper title: On the horizontal inequity effect of the erosion of the PIT base: The case of Italy.

2020: seventh call for InGRID-2 visiting grants. Project title: Understanding income redistribution worldwide: a comparative study on the role of tax-benefit instruments. Host institution: LIS Cross-National Data Center (Luxembourg)

2019: fourth call for InGRID-2 visiting grants. Project title: The redistributive effects of recent changes in the personal income tax in European countries: a comparative study using EUROMOD. Host institution: ISER – University of Essex (England)

Referee activity

Journal of Public Finance and Public Choice (2020); *Economia pubblica* (2018)

Presentations to workshops and conferences

2022:

XXXIV SIEP Conference, L'Aquila

INAPP conference 'Lavoro, welfare e sicurezza sociale: le nuove sfide', Roma

2021:

2nd International Workshop MOSPI project, Roma

2020:

61st Annual Conference of the Italian Economic Association (SIE), Torino

XXXII SIEP Conference, Milano

XXVII Encuentro de Economía Pública, Barcelona (Spain)

2019:

60th Annual Conference of the Italian Economic Association (SIE), Palermo

XVI Italian Stata Users Group Meeting, Firenze

XXXI SIEP Conference, Torino

IMA 7th World Congress, Galway (Ireland)

IT skills

Advanced knowledge: Stata, [LIAM2](#), MS Office

Intermediate knowledge: LaTeX
