CURRENT POSITION AND AFFILIATIONS	Adjunct Professor, Department of Philosophy and Communication Studies, University of Bologna From 08/2022: Humboldt Experienced Research Fellow, University of Munich 2022—Habilitation to Associate Professor from the Italian Ministry of Higher Education 2020—present: Elected Board Member, International Network for the Economic Method 2016—present: Associate Member, Centre for the Philosophy of the Social Sciences, University of Helsinki
LEAVE	Maternity leave: November 2018—March 2019 Maternity leave: January 2021—May 2021
EDUCATION	PhD in Logic and Philosophy of Science, Tilburg University, the Netherlands, October 2013 Supervisors: Professors Stephan Hartmann and Jan Sprenger Dissertation: “The Emergence of Norms in Society: A Philosophical Investigation” MSc in Philosophy (<i>summa cum laude</i>), University San Raffaele, Italy, February 2009 Supervisor: Professor Francesco Guala Dissertation: “Socionomics. The Philosophy and Economics of Social Relationships” Visiting Student, University of Freiburg, Germany, September 2004–September 2005 BA in Philosophy (<i>summa cum laude</i>), University of Milan, April 2006
PREVIOUS POSITIONS	2015—2022: Assistant Professor, University of Groningen, the Netherlands 2018—2022: Board Member, Centre for Philosophy, Politics and Economics, University of Groningen, the Netherlands 2013—2015 Postdoctoral Researcher, University of Helsinki, Finland Centre of Excellence in the Philosophy of the Social Sciences 2012—2013 Research Fellow, University of Munich, Germany Munich Center for Mathematical Philosophy 2009– 2012 PhD Student, Tilburg University, the Netherlands Tilburg Center for Logic and Philosophy of Science
PAPERS	(Norms) ² : Norms About Norms (forthcoming). <i>Erkenntnis</i> Multiple Models, One Explanation (2021). <i>Journal of Economic Methodology</i> 1-21 (with Johannes Korbmacher)

Why Is Behavioral Game Theory Economists' Game? The Concept of Beliefs in Equilibrium (2021). In *A Genealogy of Self-interest in Economics*. Springer (with Michiru Nagatsu)

Measuring Norms via Social Survey Data (2020). *Economics and Philosophy* 1-34 (with Juliette de Wit)

Reflections on the 2019 Nobel Memorial Prize Awarded to Banerjee, Duflo, and Kremer (2020). *Erasmus Journal for Philosophy and Economics* 13(1): 79-92

Knowledge Transfer and Its Context (2019). *Studies in History and Philosophy of Science: Part A* 77: 1-10 (with Catherine Herfeld)

The Role of Psychology in Behavioral Economics: The Case of Social Preferences (2018). *Studies in History and Philosophy of Science: Part A* 72: 11-21

Hypothetical Models in Social Science (2017). In *Springer Handbook of Model-Based Science* 413-433 Springer. (with Alessandra Basso and Caterina Marchionni)

Robustness Analysis and Tractability in Modelling (2016). *European Journal for the Philosophy of Science* 7(1): 79-95

Robustness Analysis versus Reliable Process Reasoning. Review of Robert Hudson's *Seeing Things*. *The Philosophy of Reliable Observations* (2015). *Metascience* 24(1): 37-41

Why Are Descriptive Norms There? (2014). *Synthese* 191: 4409-4429 (with Ryan Muldoon and Stephan Hartmann)

On the Emergence of Descriptive Norms (2014). *Politics, Philosophy and Economics* 13: 3-22 (with Ryan Muldoon, Cristina Bicchieri, Stephan Hartmann and Jan Sprenger)

Disagreement Under the Veil of Ignorance (2014). *Philosophical Studies* 170: 377-394 (with Mark Colyvan, Carlo Martini, Ryan Muldoon, Giacomo Sillari and Jan Sprenger)

Conformorality. A Study on Group Conditioning of Normative Judgment (2013). *The Review of Philosophy and Psychology* 4: 751-764 (with Matteo Colombo and Marie Nielsenova)

Formal Epistemology Meets Experimental Philosophy (2013). *Synthese*, 190(8), 1333-1335 (with Stephan Hartmann and Edouard Machery)

Working Papers:

Interdisciplinary Challenges to Integration of Macro-Development Economics and Micro-Development Economics (Planned submission 31/12/2021)

Modeling Inequality: In *The Routledge Handbook of Philosophy of Scientific Modeling*, ed. by Tarja Knuuttila, Natalia Carrillo and Rami Koskinen. (Deadline 05/2022)

Rewards and Recognition: The case of Interdisciplinary Science (Planned submission 31/12/2021)

The Soul of Economics. The State of the Art of Behavioral Economics Ten Years After the Financial Crisis. Special Issue for the *Journal of Economic Methodology* (Deadline 07/2022)

Beliefs & Beliefs: A Formal and Conceptual Divide Between Economics and Psychology. (with Michiru Nagatsu). (Planned submission 09/2022.)

Pluralistic Ignorance: How an Unwanted Norm Can Emerge. (with Ryan Muldoon and Stephan Hartmann)

Non-peer Reviewed Articles:

Report of the European Philosophy of Science Association Conference (2017). *The Reasoner* 11(10).

Report of the Workshop: Interdisciplinary Perspectives on Behavioral Economics (2017). *The Reasoner* 07(10).

Report of the Workshop on Robustness Analysis that I organized at the University of Helsinki (2014) 08(11). The report can be found [here](#).

Media:

Happy Birthday Miss Europe—Blog entry for the PPE Blog, University of Groningen, March 2017

Interview with 3AM Magazine (2016). The interview can be found [here](#).

FELLOWSHIPS
AND AWARDS

I was the sole recipient of the following grants:

Humboldt Research Fellowship for Experienced Researchers. 18-months research stay (€3180 per month) at the University of Munich, 2022.

Visiting Fellow, Center for Excellence in The Philosophy of the Social Sciences, University of Helsinki, Finland, October 2017

Visiting Fellow, Center for Excellence in The Philosophy of the Social Sciences, University of Helsinki, Finland, October 2016

Visiting Fellow, Center for Advanced Studies, University of Munich, Germany, September 2015

Visiting Student, Department of History and Philosophy of Science, Pittsburgh University, Spring Semester 2011-2012

Travel Grant for the Conference Epistemology of Modeling and Simulation, Pittsburgh University, USA, April 2011

Visiting Student, Jean Nicod Institute, École Normale Supérieure, Paris, France, Spring Semester 2008-2009

Exchange Scholarship, University of Freiburg, Germany, September 2004-September 2005

ADDITIONAL
TRAINING

Laboratory on Agent-Based Modeling in Philosophy. Spa, Belgium, 15-19 May, 2012

Laboratory on Agent-Based Social Simulation. University of Rome, La Sapienza, Italy, 15-19 May, 2012:

TEACHING
ACTIVITIES

2022 Spring Semester - Philosophy of The Social Sciences. Department of Philosophy and Communication Studies, University of Bologna.

2015—2022: Business Ethics (Teaching and coordination. These are two of the largest courses in the Faculty of Economics and Business. The courses take ± 500 students each.)

2019—2022: History of Economic Thought (Teaching modules in economic methodology/philosophy of economics)

January 2018: module on Norm Change for the Philosophy Winter School on Uncertainty, Disagreement and Conflict, University of Groningen

January 2017: module on Understanding Economic Models for the Philosophy Winter School on *Justice, Democracy and Rationality*, University of Groningen

December 2016: Masterclass in Social Epistemology (with Miles MacLeod), University of Groningen

Before coming to Groningen, I taught the following courses:

Social Norms in Philosophy, Economics and Psychology. TINT Centre of Excellence in the Philosophy of the Social Sciences, University of Helsinki, Winter 2014

Social Norms and Epistemic Values. TINT Centre of Excellence in the Philosophy of the Social Sciences, University of Helsinki, Summer 2014

Teaching Assistant: Causality and Explanation. Munich Center for Mathematical Philosophy, University of Munich, Spring 2013

Teaching Assistant: Central Topics in the Philosophy of Science. Munich Center for Mathematical Philosophy, University of Munich, Fall 2012

Teaching Assistant: Experts in a Complex Society, Department of Philosophy, Tilburg University, Spring 2010 and Spring 2011

Teaching Assistant: Rationality, Department of Philosophy, Tilburg University, Fall 2009

PHD
SUPERVISION

Juliette De Wit, Faculty of Economics and Business, University of Groningen. The topic was the measurement of socio-economic constructs.

ORGANISATION
OF
SCIENTIFIC
MEETINGS

Since the beginning of my PhD, I have organized and co-organized 11 scientific events:

Co-organizer (with Jan-Willem Romeijn) of the Workshop “Methodological Challenges of Interdisciplinary Science”, University of Groningen, June 2021 - Postponed because of COVID-19 and then cancelled.

Co-organizer (with Magdalena Malecka) of the Panel Session “Is economic policymaking evidence-based?”, ASSA Meeting, Chicago, January 2021

Co-organizer (with Emrah Aydinonat) of the Seminar Debate “Nobel Prize in Economic Sciences 2020: Milgrom and Wilson on Auction Theory and Market Design”, University of Groningen, October 2019

Organizer of the Seminar Debate “A Nobel Prize for Fighting Poverty Through Experiment”, with Robert Inklaar and Robert Lensink, University of Groningen, October 2019

Co-organizer (with Catherine Herfeld and Carlo Martini) of the Conference “The Soul of Economics”, University of Zurich, September 2019

Co-organizer (with Catherine Herfeld and Carlo Martini) of the EPSA Symposium “Knowledge Transfer and Its Contexts”, University of Geneva, September 2019

Co-organizer (with Emrah Aydinonat and Uskali Mäki) of the Workshop “Multiple Models”, University of Helsinki, October 2-3, 2018

Organizer of the EPSA Symposium “Social Norms Across Disciplines”, University of Düsseldorf, September 2017

Organiser of the Workshop on Robustness Analysis, University of Helsinki. See [here](#) for a report of the event, September 2014

Co-organiser of the First Pittsburgh-Tilburg workshop on Formal Epistemology Meets Experimental Philosophy, Tilburg University (with Stephan Hartmann and Edouard Machery), September 2011

Co-organiser of two days of lectures with Robert Sugden at Tilburg University (with Eric Pacuit), November 2010

EDITORIAL WORK

- 2022—present: Associate Editor, Journal of Economic Methodology
- Co-editor (with Catherine Herfeld and Carlo Martini) of the Special Issue “The Soul of Economics. The State of the Art of Economic Science Ten Years After the Financial Crisis” for the Journal of Economic Methodology (forthcoming)
- Co-editor (with Catherine Herfeld) of the Special Issue “Knowledge Transfer and its Contexts” for Studies in History and Philosophy of Science, 2019
- Co-editor (with Stephan Hartmann and Edouard Machery) of the Special Issue “Formal Epistemology Meets Experimental Philosophy” for Synthese, 2013, Issue 8

Refereeing Work:

- Philosophy of Science
- European Journal for the Philosophy of Science
- Erkenntnis
- Synthese
- Economics and Philosophy
- Journal of Economic Methodology
- Frontiers in Psychology
- Historical Social Research
- Annals Fondazione Luigi Einaudi
- Conference *EPSA* University of Turin, September 2021
- Conference *INEM*. University of Helsinki, August 2019
- Conference *Objectivity in Science*. Tilburg Center for Logic and Philosophy of Science, April 2015
- Copenhagen-Lund Workshop in Social Epistemology. Lund University, 2011

SELECTED
TALKS AND
PRESENTATIONS

Since the beginning of my PhD, I have given around 50 presentations (12 invited and the rest peer-reviewed) in an academic context, i.e., conferences, workshops, departmental colloquia.

Rewards & Recognition: Are Article and Journal Metrics a Good Thing?

- Workshop on Institutions and the Scientific Research Agenda, The Center for Philosophy of Science, University of Pittsburgh, USA, April 2022

Explanatory Norms and Interdisciplinary Collaboration

- European Society for the History of Science, Brussels, Belgium, September 2022
- Perspectives on Philosophy of Science Seminar, University of Helsinki, Finland, February 2022
- European Philosophy of Science Association (EPSA), University of Turin, Italy, September 2021
- British Society for the Philosophy of Science, online, July 2021
- Invited talk, Workshop on Framing Innovation in a Networked World. Erasmus School of Philosophy, the Netherlands, September 2021
- Workshop on Transdisciplinary Model Transfer and its Interfaces
Invited talk
University of Vienna, March 2021

Explanatory Norms in Economics and Psychology

- International Rationality Summer Institute
Invited teacher
Heidelberg, Summer 2021

Open Science and Knowledge Transfer

- University of Groningen, the Netherlands, October 2019

Why is Behavioral Game Theory an Economists' Game? The Concept of Beliefs in Equilibrium.

- International Network for Economic Methodology (INEM), University of Helsinki, Finland, August 2019
- European Philosophy of Science Association (EPSA), University of Geneva, Switzerland, September 2019
- Invited Talk, Erasmus Institute for Philosophy and Economics, University of Rotterdam, October 2018

Norms²: Norms about Norms

- Invited Talk, Experimental Philosophy Conference, University of Bern, Switzerland 09/19
- Norms and Networks Cluster, Faculty of Behavioural and Social Science, University of Groningen, June 2018
- 4th International Conference in Economics and Philosophy, University of Lyon, France, June 2018
- Invited Talk, University of Zurich, Switzerland, May 2018

Multiple Models, One Explanation

- Workshop on Multiple Models, University of Helsinki, Finland, September 2018

- European Philosophy of Science Association (EPSA). University of Exeter, United Kingdom, September 2017
- Theoretical Philosophy Colloquium. University of Utrecht, the Netherlands, October 2017

Interdisciplinary Challenges in Behavioral Economics

- Economics and/or Psychology. Interdisciplinary Perspectives on Behavioural Economics. University of Helsinki, Finland, May 2017

On the Introduction of Social Preferences in Behavioral Economics

- Invited Talk, Tilburg University, the Netherlands, March 2017
- Invited Talk, Bristol University, United Kingdom, October 2016
- Invited Talk, University of Paris VIII, France, June 2016

Commentary 'On Fraud' by Liam Kofi Bright

- Formal Epistemology Workshop, University of Groningen, June 2016

Modelling Norms

- European Philosophy of Science Association (EPSA), University of Düsseldorf, Germany, September 2015

A Dispute between Disciplines: Norms in Economics and Psychology

- Studying Knowledge Transfer and its Contexts, Center for Advanced Studies, University of Munich, Germany, September 2015 (Invited)

Robustness Analysis and Tractability in Modelling

- Objectivity in Science. Tilburg Center for Logic and Philosophy of Science, the Netherlands, April 2015
- Philosophy of Science Association, University of Chicago, IL, November 2014
- British Society for the Philosophy of Science, Cambridge University, UK, July 2014
- Work in Progress Seminars. Munich Center for Mathematical Philosophy, University of Munich, Germany, July 2013

Disagreement Under the Veil of Ignorance

- International Conference. New Directions in the Philosophy of Science. Bertinoro Conference Centre, University of Bologna, October 2012

Conformability. A study on Group Conditioning of Normative Judgment

- Philosophy, Politics and Economics Talk. University of Pennsylvania, USA, March 2012
- Rotterdam-Tilburg Workshop in Philosophy of Science. Tilburg University, the Netherlands, November 2011
- Workshop on Formal Epistemology Meets Experimental Philosophy. Tilburg University, the Netherlands, September 2011
- Workshop on Morality and the Cognitive Sciences. University of Latvia, Latvia, May 2011

Why Are Descriptive Norms There?

- Philosophy of Science Seminar at TINT. University of Helsinki, Finland, November 2013

- Workshop on Social Norms and Epistemic Values. Tilburg University, the Netherlands, October 2013
- Guest Lecture at University of Bamberg, Germany, July 2013
- Conference on Evolution, Co-operation and Rationality. Bristol University, United Kingdom, June 2011

Pluralistic Ignorance. How an Unwanted Norm Emerges

- Sawyer Seminar: Epistemic Value of Group Deliberation. Northwestern University. Chicago, USA, February 2014 (Invited)
- Work in Progress Seminars. Munich Center for Mathematical Philosophy, University of Munich, Germany, June 2012
- Copenhagen-Lund Workshop in Social Epistemology. Lund University, Sweden, December 2011

On the Emergence of Descriptive Norms

- Conference on Evolution, Co-operation and Rationality. Workshop on Social Norms. Bristol University, United Kingdom, February 2011 (Invited)
- Conference on Epistemology of Modeling & Simulation. University of Pittsburgh, USA, April 2011
- Conferenza Triennale della Società Italiana di Logica e Filosofia della Scienza. SILFS, Italian Society for Logic and Philosophy of Science, University of Bergamo, Italy, December 2010
- Workshop on Decision Games and Logic. IHPST, France, June 2010
- Workshop on Modeling in the Social and Behavioural Sciences I. IHPST, France, May 2010
- Philosophy of Science in a Forest. Internationale Schol voor Wijsbegeerte, Leusden, the Netherlands, May 2010
- 3rd Sydney-Tilburg Conference, The Future of Philosophy of Science. Tilburg University, the Netherlands, April 2010

Conferences Attended as Auditor:

- Just Playing? Toy Models in the Sciences. University of Munich, Germany, May 2015
- A Symposium in Honour of Theo Kuipers. University of Groningen, the Netherlands, February 2010
- Formal Model of Norms Change. University of Amsterdam, the Netherlands, January 2010
- European Philosophy of Science Association (EPSA). Vrije Universiteit, Amsterdam, the Netherlands, October 2009
- Evolution, Co-operation and Rationality. Bristol University, United Kingdom, September 2009
