WORK EXPERIENCE

Research Assistant <i>Economics Department</i>	Summer 2022 <i>Università di Bologna</i>
<ul style="list-style-type: none">Supporting professors Bellettini, Berti Ceroni, Prarolo and Schiavone's research project on the origins of the populist vote in Italy (Bologna). Supporting them in finding and reading the literature and writing a brief literature review. Creating graphs and running analysis to support the empirical results, for example by conducting robustness checks.	
Journalist <i>ItalyPost</i>	February 2021-July 2021 <i>Padova</i>
<ul style="list-style-type: none">Writing and redacting economic and financial articles for the daily newspapers published by ItalyPost.	
Digital Educator <i>H-Farm</i>	Spring 2019-Fall 2019 <i>Quarto D'Altino (Venice)</i>
<ul style="list-style-type: none">Introducing children aged 6-14 to the bases of programming, electronics, robotics and automation through interactive activities in a stimulating environment. This job was extremely centered around teamwork, which helped me significantly improve my communication skills and ability to work in a group.	
Tutoring high school and middle school students	2014-2020
<ul style="list-style-type: none">Tutoring students and helping them with homework, schoolwork and overall time management and approach to academics.	
Children care and entertainment	Summers 2014-2018
<ul style="list-style-type: none">Taking care of children aged 3-16 in different summer camps/day cares. Organizing activities, games and workshops to develop socialisation and foster creativity.
