WORK EXPERIENCE

Private Maths, Physics and Informatics teacher

2019 - ongoing

My role consists in helping students achieve satisfactory performance in both high school and university-level studies, with a focus on the employment of technical and analytical skills.

Cashier

2020 - 2022 (seasonal)

Piadineria 'Piadinaland' - Imola

Front Office intern

2018

My responsibilities included managing public relations, carrying out cataloguing activities with Microsoft Office and communicating with other employees.

Comune di Imola

SOFT SKILLS

Having a strong scientific background, I acquired notable analytical and problem-solving skills.

During my academic career I engaged in several group projects, gaining experience in teamwork and communication in technical fields. Moreover, I carried out individual projects, demonstrating autonomy and reliability, often with minimal supervision.

In general, I consider myself a determined and focused person who is capable of meeting deadlines, as evidenced by my academic track record.

I authorize the processing of my personal data pursuant to Legislative Decree 101/2018 and art. 13 GDPR (EU Regulation 2016/679) for the purposes of personnel research and selection.

Bologna, 01/02/2025
