

Geochemistry, Mineralogy  
Meteorites  
Impact craters  
Cathodoluminescence

### **Education**

- 1986 : Master on Geology Hassan II University Ain Chock Casablanca Morocco
- 1988 : DEA Endogen Petrology UPMC Paris VI France
- 1992 : Doctorate on Noble Gases Geochemistry Pierre Curie University UPMC Paris VI France
- 2007 : « Doctorat d'Etat » on Meteorites Geochemistry University Casablanca Morocco

### **Professional Experience**

- 1996: integration to the Hassan II University of Casablanca as Assistant Professor, then associated Professor, then Professor
- 2007 to present: Professor at the Engineer School "Ecole Hassania des travaux publics"
- 2008 to 2012: Chair of the Bachelor « Natural and technological hazard management ».
- 2011 to 2005: Elected member of the « Meteoritical Society » council
- 2005 to 2010 then from 2015 to present: Member of the Nomenclature committee of the « Meteoritical Society ».
- 2008 to present: Associated Editor of the « Arabian Journal of Geosciences ».
- 2014: Chair of the 77<sup>th</sup> Meteoritical Society meeting Casablanca Morocco
- 2011: Chair of the Second Arab Impact Cratering and Astrogeology Conference AICACII, Casablanca Morocco
- 2006: Chair of the « Desert Meteorites Workshop », Casablanca Morocco

### **Honors and Awards**

1. May 2007: Nomination for the « Khmissa » award, science and research, Morocco,
2. Novembre 2009: Prix "Paul Doistau-Emile Blutet" in Planetology, Academy of Sciences, Institut de France.
3. April 2013: US "International Visitors Leadership Program IVLP", "Women Innovations in Science and Engineering" WISE program in MENA region.
4. March 2016: Moroccan National TV SNRT Trophy on "Distinguished Women in Morocco" emission.
5. April, September 2016, April 2017: Africa Science Leadership Program Fellow (Pretoria, SA).
6. Name « Chennaoui » given to the asteroid 299020 on 4 September 2017.
7. April 2018: Meteoritical Society Fellow
8. September 2018: Al Akhawayn University festival of Astronomy; honorary invited
9. December 2018: Hassan II University of Casablanca; Excellency distinction
10. 2019-2020: European Association of Geochemistry and Geochemical Society Outreach program lecturer.

### **International responsibilities**

- 2015: Member of the « Nominating Committee » of the « Meteoritical Society »  
 2011-2015: Member of the council of the Meteoritical Society  
 2005-2010/ 2015- Present: Member of the International Nomenclature Committee of meteorites, Meteoritical Society.  
 Ex-Associated Editor of the Nomenclature bulletin, in charge of meteorites from Africa.  
 2007-2010: Member of the Membership Committee of the Meteoritical Society in charge of members from Africa and Arabic Peninsula.  
 Member of the Ethical Committee of the Meteoritical Society.  
 Member of the Editorial Board of the Arabian Journal of Geosciences.

### **Associative Activities**

- President founder of ATTARIK Foundation for Meteoritics and Planetary Science.  
 Secretary of the "Association for the Protection of Moroccan Geological Patrimony" APPGM  
 President founder of the association « Riad of the knowledge and creativity on the University »  
 Member of the Moroccan Association of Earth Sciences AMST.
