## KONSTANTINA VLASAKIDOU SALACHORA

### About me:

I am a Master student in the **Master Program** "Critical Archaeology and Heritage", Università di Bologna, Italy (enrolled in the year 2021-2022). My **Bachelor Degree** is in History and Archaeology of the Aristotle University of Thessaloniki with an overall classification of the qualification: 7.96/10 ('Very Good'). In addition, I have a Proficiency Certification on English, C2 Level (Michigan and NOCN), a Lower Certification, B2 Level (Michigan and ESB), a State Certificate on Italian language, B1 Level and a degree in computer use. Moreover, I have participated in **excavations in Italy**, for instance in the University's excavation in Agrigento Sicily, of The craft area outside Porta V (September-October 2022) and in Marzabotto Bologna, the Etruscan city of Kainua-Marzabotto (July 2022). Also, I have participated in **excavations in Greece**, for instance in University's excavation Toumpa Thessaloniki, Aristotle University of Thessaloniki (July 2019, September 2020, July 2021) and in the archaeological excavation of Ancient Tenea, Chiliomodi, Corinth, a project of Ministry of Culture and Sports (September 2018, September 2019).

Furthermore, I attended on **Seminars and Conferences** in «Cultural Diplomacy» and «The Soft Diplomacy of Museums» of Greek Institute of Cultural Diplomacy (January 2021 – March 2021), in the seminars of «**Digital Past**», the use of digital technology in History and Archaeology, Aristotle University of Thessaloniki (February 2021 – May 2021), on the 7th and 8th Panhellenic Conference of Archaeology Students (May 2019, October 2020), in the International Conference "Stellar Ventures. From the shores of Crete to the plains of Macedonia" (December 2019) etc. Another participation was in **Education Programs**, for example the 8-months program «**Museology**» of National and Kapodistrian University of Athens (September 2020 – May 2021), doing also a **job placement** in the **Teloglion Foundation of Arts** Thessaloniki, overseeing the artefacts, working on the archive of the museum, helping with the preservation of the artefacts and on education programs (February – March 2020, June – July 2020). After this period, I kept working there as contractor and been an assistant in the education programs of the museum (September – November 2020). Also, I participated in the education programs of the Archaeological Museum of Thessaloniki, carrying out guided tours in schools and refugees (October 2019- February 2020). On the other hand, I have done a presentation in the **7th Panhellenic Conference of Archaeology Students**, with the title «The diseases of Prehistoric Man on the Greek Mainland» Aristotle University of Thessaloniki, I was a member of the organizational team in the **International Conference** "Stellar Ventures. From the shores of Crete to the plains of Macedonia" and I am yet a member in the Aristotle University's team **Waterscape**, Maritime Archaeology. Finally, I was a columnist on the digital magazine Open Voice, in the column of Culture.
