Anna Trazzi ARCHITECT

CURRICULUM VITAE RESUME

Master's degree in Architecture in 2008 at the University of Ferrara (Italy), with a thesis titled *"The thread of awareness: rehabilitation plan of the historical center of Birzeit (West Bank - Palestine)"* with Prof. Daniele Pini and Arch. Farhat Yousef as supervisors.

She works in Italy and abroad as city planner and urban designer for public bodies and private sector, collaborating with professionals, associations, universities and other organizations.

Her professional activities is mainly focused on **conservation and enhancement of cultural and architectural heritage** (e.g. Urban Design Guidelines for the Buffer Zones of the World Heritage Cultural Site of Al Ain, Abu Dhabi, EAU, since 2017, Planning Management of the World Heritage property "Sharjah Gateway to Trucial States", Sharjah, EAU 2018-2019), **heritage rehabilitation and reconstruction** in critical contexts in terms of social awareness and reconciliation, post-war reconstruction and post-colonial heritage acquiescence (e.g. Mutual Heritage: from historical integration to contemporary active participation, EUROMED IV Program, 2009-2012, Emergency Operation Development Project (EODP) - Policy Options for the Design of a Housing Reconstruction Subsidy Scheme – REFAATO, IRAQ, 2018-2019), **multi-scale approach on urban planning and urban design**, working on the definition and implementation of Strategic Plans (e.g. Strategic Plan of Rimini and its Territory, since 2010, the Strategic Plan of Medicina 2015-2017) Regulation Plans and Building (for several municipalities, mainly in Emilia-Romagna Region, Italy, since 2010), **Urban and detailed urban regeneration and heritage valorization projects** (e.g. Concept Design for Qattara and Jimi Oases Presentation to enhance their cultural and interpretive aspects, Al Ain, Abu Dhabi, EAU, 2018, Project for the urban and environmental regeneration and the identity rehabilitation of the touristic areas of the northern waterfront of Rimini, Italy, 2018), **landscape** as a fundamental framework for the conservation of naturalistic and historical features and for the rehabilitation of degraded areas (e.g. Guidelines for the landscape upgrading of the northern beach and design guidance for the interventions overlooking the northern waterfront of Rimini, Italy, 2020, New Regional Landscape Plan for the Emilia-Romagna Region 2010-2011). On the same themes, she collaborated also in several **European projects** as project manager of communities' involvement and training activities.

Since 2009 is collaborating with **Heriscape** – Heriateg&Landscape Training&Consulting for which she is managing the team activities.

From 2021 is co-founder partner of **Heriscape Progetti** - Heriateg&Landscape Project&Planning.

From 2019 is member of INU Emilia Romagna executive council.

From 2009 until 2011 she was assistant in the Urban Planning Lab at the Faculty of Architecture of Ferrara. From 2009 to 2010 she collaborated also with the Université François Rabelais di Tours (France) as Ingénieur d'études.

Languages: **English** and **French**
