

PERSONAL INFORMATION

EUROPEAN CURRICULUM VITAE

First name(s) / Surname(s)

Francesca Maria / Santoro

Address(es)

Telephone(s)

Fax(es)

E-mail

Nationality

Date of birth

Gender

EDUCATION AND TRAINING

- Dates February 2007
- Title of qualification awarded PhD in Analysis and Governance for Sustainable Development
- Principal subjects/occupational skills covered Natural resource management, international environmental governance
- Name and type of organisation providing education and training Università Ca' Foscari Venezia, IUAV Venezia
- Level in national or international classification (if any) N/A
- Dates December 2002
- Title of qualification awarded Second level Master in Integrated Coastal Management for Sustainable Development
- Principal subjects/occupational skills covered Oceanography, coastal management, spatial planning
- Name and type of organisation providing education and training Università di Bologna
- Level in national or international classification (if any) N/A
- Dates April 2002
- Title of qualification awarded Master of Science equivalent (Laurea) in Environmental Sciences
- Principal subjects/occupational skills covered Basic natural sciences, environmental law and economics, environmental impact assessment
- Name and type of organisation providing education and training Università Ca' Foscari Venezia
- Level in national or international classification (if any) 108/110

WORK EXPERIENCE

- Dates November 2015 to date
- Occupation or position held Programme Specialist
- Main activities and responsibilities Coordination of the ocean literacy and ocean science communication activities for the Intergovernmental Oceanographic Commission of UNESCO
- Name and address of employer IOC-UNESCO, Castello 4930, Venice, Italy
- Type of business or sector International Organisation

- **Dates**
 - **Occupation or position held**
 - **Main activities and responsibilities**
 - **Name and address of employer**
 - **Type of business or sector**
- March 2011 to September 2015
- Programme Specialist
- Technical Secretariat for the North-eastern Atlantic, Mediterranean and connected seas Tsunami Warning and Mitigation System, Head of the Tsunami Information Centre for NEAMTWS, and coordination of WP for the FP7 EU Project on Integrated Coastal Zone Management in the Mediterranean and Black Sea
- IOC-UNESCO, 7 Place de Fontenoy, F-75352 Paris 07 SP, France
- International Organisation
-
- **Dates**
 - **Occupation or position held**
 - **Main activities and responsibilities**
 - **Name and address of employer**
 - **Type of business or sector**
- March 2010 to February 2011
- Research associate
- Management of European project, research on integrated coastal management, design of projects
- Università Ca' Foscari Venezia, Dorsoduro 2137, Venice, Italy
- Higher education
-
- **Dates**
 - **Occupation or position held**
 - **Main activities and responsibilities**
 - **Name and address of employer**
 - **Type of business or sector**
- December 2008 to February 2010
- Project manager
- Management of European projects, research on climate change impacts in coastal zones, design of projects
- Euro-Mediterranean Centre for Climate Change, Viale Augusto Imperatore 16, Lecce, Italy
- Research
-
- **Dates**
 - **Occupation or position held**
 - **Main activities and responsibilities**
 - **Name and address of employer**
 - **Type of business or sector**
- September 2008 to February 2011
- Lecturer
- Lecturing for the course Climate change in coastal zone in the PhD Programme in Science and Management for Climate Change
- Università Ca' Foscari Venezia, Dorsoduro 2137, Venice, Italy
- Higher education
-
- **Dates**
 - **Occupation or position held**
 - **Main activities and responsibilities**
- December 2007 to March 2009
- Senior Project Manager
- Management of European projects on Integrated Coastal Zone Management

responsibilities	
<ul style="list-style-type: none"> • Name and address of employer • Type of business or sector 	<p>International Marine Centre, Località Sa' Mardini, Oristano, Italy</p> <p>Research</p>
<ul style="list-style-type: none"> • Dates • Occupation or position held • Main activities and responsibilities • Name and address of employer • Type of business or sector 	<p>May 2007 to May 2008</p> <p>Consultant</p> <p>Organisation of public awareness (Coast Day for the Mediterranean) and policy briefs events on integrated coastal management in the Mediterranean</p> <p>Priority Action Programme/Regional Activity Centre United Nation Environmental Programme Mediterranean Action Plan, Kraj sv Ivana 11, HR-21000, Split, Croatia</p> <p>International Organisation</p>
<ul style="list-style-type: none"> • Dates • Occupation or position held • Main activities and responsibilities • Name and address of employer • Type of business or sector 	<p>July 2003 to October 2006</p> <p>Research fellow</p> <p>Research on integrated coastal management, design of projects</p> <p>Università Ca' Foscari Venezia, Dorsoduro 2137, Venice, Italy</p> <p>Higher education</p>
<ul style="list-style-type: none"> • Dates • Occupation or position held • Main activities and responsibilities • Name and address of employer 	<p>February 2003 to June 2003</p> <p>Research fellow</p> <p>Statistical analysis of coastal monitoring data</p> <p>AZTI Instituto Tecnológico y Pesquero, San Sebastian, Spain</p> <p>Marine Research</p>

Other qualifications

SOCIAL SKILLS AND COMPETENCES

Good ability to adapt to new multicultural environments acquired by living and studying in foreign countries; Excellent communication and presentation skills gained during various talks, and lectures

ORGANISATIONAL SKILLS AND COMPETENCES

Team spirit and team management obtained during working in European projects, and at UNESCO (teams up to 10 people)
Ability of supervising students, acquired during the supervisory work at the university
Ability of organising transdisciplinary work obtained during the work as project manager in European projects
Ability of organising events for different types of audiences (i.e. policy-makers, general public, school students), obtained at UNESCO
Facilitating ability in participatory settings, obtained during the research and cooperation projects undertaken in European and non-European countries
Writing of research paper, technical reports, policy briefs, brochures and leaflets acquired during the research work and work as research assistant, project manager and programme specialist.

COMPUTER SKILLS AND COMPETENCES

Excellent command of Microsoft Office tools (Word, Excel, PowerPoint, Access);
Good command of GIS software
Good command of video editing software

OTHER SKILLS AND COMPETENCES

Fund raising capacity, obtained during the work in all research centres and universities have been working
Networking capacity
Stakeholder mobilization

ADDITIONAL INFORMATION

A number of **internships and grants** spent abroad, such as:

- Internship at the Southampton Oceanography Centre, in Southampton, UK
- Marie Curie Fellowship spent at the ICIS (International Centre for Integrated assessment and Sustainable development) in Maastricht, The Netherland,
- Internship at Intergovernmental Oceanographic Commission of UNESCO, Paris, France,
- Invited Expert at the European Commission Joint Research Centre, Ispra, Italy

Participation in several **funded research and cooperation projects** such as:

- EU H2020, Sea Change
- DG ECHO From Early Warning to Early Response: Tsunami Exercise NEAMWave14
- DG ECHO NEAMTIC (North-eastern Atlantic, Mediterranean and connected seas Tsunami Information Centre)
- EU FP7 PEGASO (People for Ecosystem based Governance for Assessing Sustainable Development of Oceans and coasts),
- EU SMAP III IMAC (Integrated Management of Eastern Mediterranean Coastline),
- CESD (Centre of Excellence for Sustainable Development of Mediterranean Coastline),
- EU Era-Net CANTICO (Climate and local anthropogenic drivers and impacts for the Tunisian Coastal Area),
- EU LIFE Plus SALT (Sustainable management of the Esino river basin to prevent saline intrusion in the coastal aquifer in consideration of climate change)
