WORK EXPERIENCE

November 2017 - currently

Project Assistant – Vulnerable Groups and Facilitated Migration Unit

IOM – International Organization for Migration – Mission in Italy –

Relocation & Resettlement schemes from Italy:

- Organizing pre-departure activities, including pre-migration health activities, pre-departure orientation (PDO)/ information sessions for beneficiaries of Relocation to EU countries and Resettlement (mainly to US and Canada), in liaison with relevant national relevant actors such as Immigration Offices (Questura), Italian reception system, Italian Dublin Unit, Consulates and Embassies.
- Organizing and assisting departure of beneficiaries, of Relocation to EU countries and Resettlement, including by liaising with relevant airport and border authorities in Italy and Country of arrival as well as IOM Missions in Country of arrivals.
- Organizing and attending relevant meetings with EC, EUAA, national relevant authorities/ stakeholders to guarantee coordination in the implementation of the schemes.

Resettlement & Humanitarian Corridors to Italy:

- Coordinating pre-departure activities and the arrival of refugees under the Resettlement/ Humanitarian programmes to Italy, by liaising with relevant authorities and actors Italy, including Ministry of Foreign Affairs, Ministry of Interior and Ministry of Health as well as with IOM Missions in departure countries.

Pre-Departure Orientation (PDO) / Post arrival sessions and delivery of information to beneficiaries of ongoing schemes:

- Designing pre-departure orientation curriculum to the purpose of providing beneficiaries of resettlement and relocation with relevant information regarding the country of arrival, ease the stress regarding upcoming departure as well as helping beneficiaries to develop realistic expectations about their upcoming transfer.
- Short assignment (May 2022; end of June/ beginning of July) in Moldova to provide operational expertise and establish a structure on Pre-Departure Information Briefing for the persons displaced from Ukrainian conflict being transferred to EU and Associated Countries within the project Voluntary transfers from Moldova, funded by DG Near and coordinated by DG Home (European Commission), in coordination with IOM RO Office, IOM Missions in countries of arrival and relevant stakeholders.
- Designed and developed Training of Trainers sessions for governmental counterparts in Nigeria and Senegal involved in the delivery of information/ PDO towards beneficiaries of labour migration programme entering Europe under the MATCH project.
- Designing post arrival training sessions for Ukrainian citizens displaced in Italy
- Design and deliver Training of Trainer sessions towards newly hired staff providing integration support to displaced Ukrainians (Italy and Estonia)

In the framework of the project COMMIT: Facilitating the integration of resettled refugee in Croatia, Italy, Portugal and Spain: designed and developed specific publications (guidelines, training curriculum, toolkit) on mainstreaming gender within PDO activities, training young refugees, mainstreaming mental health and psychosocial support, labour market integration, and PDO evaluation, in coordination with relevant experts, Regional Office and editor. Additionally, designed a pilot mentorship scheme, including by developing specific guidelines and training modules for mentors. As leading Missions, contributed to reinforcing the link between pre-departure and post arrival support, by coordinating all relevant project activities in the four countries, including sensitization sessions.

In the framework of all projects, contributing to internal reporting and reporting towards donor, including financial ones. Preparing relevant documentation for internal and external audit.

Contributing to all project development initiatives within the Unit.

December 2016 – October 2017
