Postdoctoral Research Fellow. In progress.
Wittgenstein Centre for Demography and Global Human Capital
 (IIASA, OeAW, University of Vienna)

12-28 July 2023. **Visiting scholar.** National Institute of Population and Social Security Research. Tokyo, Japan.
25 October -13 November 2023. **Visiting scholar.** University of Texas at Austin. Austin, United States.

Ph.D. in Demography, The Australian National University. November 2022.
Dissertation Title: Assisted reproduction, late fertility, and childlessness in Australia.
Primary supervisor: Edith Gray
M.Sc. Economics and Social Sciences, Bocconi University. 2017.
B.Sc. Economics and Social Sciences, Bocconi University. 2015.

INVITED TALKS

21 October 2023. StatisticAll, il festival della statistica e della demografia. Treviso, Italy.

6 May 2023. “Global Population Decline: Could ART be the Solution?”. “Specialists Sharing Expertise, Education and Data (SEED). Sheraton Grand Sydney Hide Park, Sydney, Australia.

28 October 2022. “Health perceptions and childbearing expectations of childless men and women across the life course”. University of Texas at Austin, United States.

7 September 2021. “A dyadic approach to the study of infertility and contraceptive use”. Federal Institute of Population Research (BiB), Wiesbaden, Germany (virtual presentation)

AWARDS & RESEARCH SUPPORT

2022. Editors’ choice collection. *Longitudinal and Life Course Studies*.

2022. Charles Price Prize in Demography (PhD Prize). *The Australian National University*, Canberra, Australia. (AUD 1,500).

2021. Young Scientists Summer Program, *International Institute for Applied Systems Analysis*, Laxenburg, Austria. (EUR 1,000).

2019-2022. Higher Degree Research Fee Merit Scholarship (AUD 150,000)

2019-2022. University Research Scholarship (AUD 85,000)

TEACHING

Lecturer. University of Vienna.

2023. Population history: The long run

2022. Introduction to scientific working

Teaching assistant. The Australian National University.
2020-2021. Population analysis

CONFERENCE SERVICE	<p>Session chair. “Fertility and uncertainty”. 2023 British Society for Population Studies Conference. Keele.</p> <p>Session discussant. “Population Politics, Population Policies, and Fertility”. 2023. Population Association of America. New Orleans.</p> <p>Session organiser and chair. “Infertility and Assisted Reproductive Technologies”. 2023. Population Association of America. New Orleans.</p> <p>Session organiser and chair. “Perceived Subfecundity and Fertility Knowledge”. 2023. Population Association of America. New Orleans.</p> <p>Session chair. “Low fertility and childlessness”. 2022. Population Association of America. Atlanta.</p> <p>Session chair. “Family demography”. 2022. Australian Population Conference. Canberra.</p>
REVIEWING ACTIVITIES	Journals: Australian Population Studies, Demography, European Journal of Population, Journal of Population Research, Population Research and Policy Review, Population Studies, Population and Development Review, Reproductive Biomedicine Online.
SERVICE	<p>Managing Editor. Australian Population Studies. December 2021- present.</p> <p>Professional memberships. Population Association of America, European Association for Population Studies, International Union for the Scientific Study of Population.</p>
