About me

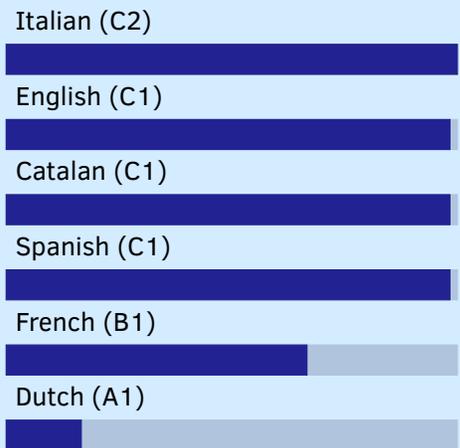

Extensive background in statistical inference. My research addresses how inter-generational exchanges shape fertility outcomes in developed countries. My current research interests are:

- (1) Grandparenthood characteristics and kinship behaviour in Europe
- (2) Fertility dynamics in the context of low and late fertility
- (3) Fertility dynamics and gender inequality

Experience

- Present **Ikerbasque research fellow** University of the Basque Country
- Feb 2023
- Jan 2023 **Assistant Professor - Permanent** University of Groningen- NL
- Master Courses:**
 - Migration, families and households- Coordinator
 - Advanced statistical analysis- co-coordinator
 - Master thesis supervision
 - Master students' internship co-supervision at [GGP](#)
- Bachelor Courses:**
 - Population geographies-Co-cordinator
 - Introduction to academic research
 - Methods for academic research
 - Bachelor project supervision
- Master Thesis Supervised (Selection):**
 - Bister "Maternity leave duration and maternal health" [in collaboration with the [MPIDR](#)]
 - Vieth and L. Meijering "The triple jeopardy of gender, parenthood, and ethnicity: what makes you poorer?" (with Prof.Hank)
 - Diffene and T. Leopold "Fertility differentials across first generation migrants in Germany" (with Prof. Leopold)
- Administrative duties:**
 - Member of the Faculty Council
 - Master Thesis Coordinator
 - Social media co-manager
 - Graduate Research Day Organization
 - Workshop "Female Leadership in Academia"
 - Representative for the Education Program Assessment
 - Representative for the Bachelor Program in Human Geographies
- Research Tasks:**
 - Member of the ERC Advanced Grant "[Family Ties](#)" by Clara Mulder
 - Member of the [UNEQUAL](#) project by Clara Cortina and Pau Baizan
 - Member of the research group "FLAG" in the faculty of Sociology-University of Groningen
 - Collaborator in the project about maternal health at the [University Medical Center of Groningen](#)

- Oct-2017
- Nov-2017 **Junior ERC Researcher** Universitat Pompeu Fabra-ES
Project:"[Family Polarization and Demographic changes](#)"
Principal Investigator: Gøsta Esping-Andersen
- Oct-2012
- Aug-2010 Intern at the [RPIUE](#) European Council- BE
I worked at the European Council in collaboration with the Ministry of Foreign Affairs. I was in charge of preparing the agenda for the European Council (CoreperII)
- Apr-2010

Education

- Nov-2017 **Ph.D. Social Demography** [Universitat Pompeu Fabra-ES](#)
Dissertation: "Fertility and Family Ties in Times of Demographic Changes" Supervisors: [G. Esping-Andersen](#) and [B. Arpino](#)
- Oct-2012
- Jul-2012 **M.A. in Demography** [Universitat Autònoma-ES](#)
European Doctoral School of Demography ([EDSD](#)). Jointly with Centre d'Estudis Demogràfics ([CED](#)) and Max Planck Institute for Demographic research ([MPIDR](#))
- Aug-2011
