

## Curriculum Vitae

Joakim Coleman Ebeltoft

### Skills

Interpersonal communication, data analysis, presenting, writing, project management

### Work Experience

**August 2015-August 2022:** Co-founder and responsible for development of POFU, an NGO with the aim of increasing visibility and knowledge of mental health among youth. After stepping down as CEO, I have worked as a senior advisor and chairman of the board.

**June 2021-December 2022:** Clinical psychologist for adults and families with multi-system complex needs.

### Education

**August 2015-June 2021:** Six-year profession-oriented program in clinical psychology. Results in a Master's degree and clinical certification. Received a research grant for my A-level Master's thesis with following feedback from evaluators: "This was an extremely good assignment. It is very well written, exciting, pedagogical, has a lot of relevant and advanced content, well-founded and well-executed analyses. The performance is so good that one could almost wish for a more differentiated grading scale to use in the evaluation."

**February 2023-currently:** Enrolled in PhD-programme at the department of psychology at University of Oslo on the project *GeoGen: The PsychoGeography of Intergenerational Mobility*.
