

William M. Sage

Assistant Vice President, Texas A&M Health Science Center
Professor of Medicine (Department of Translational Science), Texas A&M University School of Medicine
Founding Director, Institute for Health Care Access (under development)
Professor of Law, Texas A&M University School of Law
Professor (by courtesy) of Government and Public Service, The Bush School of Government & Public Service

William M. Sage, MD, JD, is a tenured professor in Texas A&M's medical and law schools, a professor by courtesy in the Bush School of Government and Public Service at Texas A&M, and a vice president in the university's Health Science Center.

From 2006-2022, he held professorships in law and medicine at the University of Texas at Austin, where he also served as vice provost for health affairs. He was previously a tenured professor at Columbia Law School, and has been a visiting professor at Yale, Harvard and NYU.

Prof. Sage is a member of the National Academy of Medicine, where he serves on the Board on Health Care Services and recently served on the Committee on the Future of Nursing 2020-2030. Prof. Sage is a member of the Healthcare System and Value Research (HSVR) study section for the Agency for Healthcare Research and Quality (AHRQ), an elected Fellow of the Hastings Center on bioethics, and a longtime editorial board member of the journal Health Affairs.

He has written over 200 articles and has authored or edited four books, including the Oxford Handbook of U.S. Health Law (2016).

He holds an undergraduate degree from Harvard College, medical and law degrees from Stanford University, and an honorary doctorate from Universite Paris Descartes.
