

Alessandra Magrì - Curriculum Vitae

Prehistoric archaeologist – Postdoctoral fellow
Central Mediterranean Prehistory. Island Archaeology. Bronze Age. Material Culture.

Institute of Heritage Science- National Research Council of Italy (ISPC-CNR) - Area della Ricerca Roma 1
Via Salaria Km 29,300
00015 Monte Rotondo Scalo (Rome), Italy

Educational qualifications

01/06/2020 - “Honorary teaching fellow in Prehistory and Protohistory” - University of Bologna (Cultore della materia in Preistoria e Protostoria).

23/03/2020 - PhD in Archaeology (History and Cultures), sector Prehistory and Protohistory (L-Ant 01) - University of Bologna (Italy). Title: “*Ceramic production from Mursia (Pantelleria). Maritime interactions and trade networks among the central Mediterranean and the Sicilian coastal communities during the Early and Middle Bronze Age (1750-1450 B.C.)*”. Supervisor: M. Cattani.

28/03/2012 - Master’s Degree in Archaeology - Prehistory and Protohistory - University of Bologna (Italy). 110/110 *cum laude*.

19/11/2008 - Bachelor’s Degree in Science of Cultural Heritage - Survey and technical analysis of ancient monuments - University of Catania (Italy). 110/110 *cum laude*.

Current position

17/06/2024 - present - Postdoctoral Researcher (Assegno di Ricerca Post-Doc) - ISPC-CNR, Institute of Heritage Science - National Research Council, Rome (Italy). Project “*Gli insediamenti fortificati dell’età del Bronzo di area adriatica, confronto fra Italia e area balcanica*” PI M. Gori, within the **PRIN 2022 “WALL-Fare. The earliest citadels. Walled landscapes, conflict and social change in Bronze Age South-Eastern Italy”** - Finanziato dall’Unione Europea - NEXT GENERATION EU - CUP G53D23000270006

Previous positions and training

15/12/2022 – 14/06/2024 – Research Fellow (Assegno di Ricerca Professionalizzante) - ISPC-CNR, Institute of Heritage Science - National Research Council, Rome (Italy). Project “*Long- and short-distance mobility in the Western Balkans (3rd-2nd millennium BC)*” PI M. Gori, within the “PRIN 2020 - 2020TL4SEJ - *Mobility, social integration, and cultural change in the Bronze Age Mediterranean*”.

2021 - Postdoctoral research fellow - University of Bologna; Ministero dell’Istruzione, dell’Università e della Ricerca - MIUR (Italy). Project “*Landscapes of Mobility and Memory*”. PI: F. Iacono.

2019 - Trainee at Topoi (Excellence Cluster) - Freie Universität Berlin (Germany), under the supervision of H. Dawson. Refinement of the PhD research, focussing on the network analysis methods, the study of the cultural interactions and the concept of marginality in insular contexts.

2015 - Internship and co-organisation of a temporary archaeological exhibition at the MUV - Museo della Civiltà Villanoviana (Iron Age), Villanova di Castenaso, Italy. Supervisor: P. Poli.

Fellowships and awards

2022 - MAT, Mediterranean Archaeological Trust (United Kingdom), PI of the project “*Reshaping the Middle/Late Neolithic in Central Mediterranean: pots and ideas from the site of Piano dei Cardoni (Ustica, Italy)*”.

Major scientific collaborations

2023-present - Topographic surveyor and ceramics expert for the Archaeological Mission at the prehistoric multi-layered site of Škarin Samograd (Šibenik, Croatia). Direction: M. Gori (ISPCCNr, Institute of Heritage Science - National Research Council, Rome, Italy); in collaboration with G. Recchia (Sapienza University of Rome, Italy), A. Arena (Austrian Archaeological Institute, Wien), E. Podrug (Šibenik City Museum, Croatia).

2022-present - Member of the project “*14C Dating the Bronze Age in the Balkans*”, PIs M. Gori (ISPC-CNR, Rome, Italy), B. Molloy (University College Dublin, Ireland), M. Vander Linden (Bournemouth University, United Kingdom), aimed at the realization of an international database of radiocarbon dates from prehistoric archaeological sites in the Balkan area (3200-800 BC) and their statistical modeling.

2023-present - Developing the project “*Bringing light into darkness. Human activities and use of space in Western Balkans caves during Late Prehistory*” for an international fellowship application. The project is aimed at investigating the uses of space and functions of caves in the Eastern Adriatic from the Neolithic to the Bronze Age, by the adoption of an ethnographic and anthropological perspective. Supervisor: H. Piezonka (Freie Universität Berlin, Germany).

2023-present - Participation with a paper in the next International Conference of the European Association of Archaeologists (EAA), Rome, 28-31 August 2024, Session #548. “*Land ahead!*”. *Islands-Mainland Mobility across the Mediterranean in Prehistory*, organized by M. Gori (ISPC-CNR, Italy), A. Arena (Austrian Archaeological Institute, Wien), G. Simeoni (University of Udine, Italy), within the activities of the “PRIN 2020”.

2023-present - Ceramics expert for the study of the pottery assemblage from the Bronze Age cremation burial site at Contrada Diana (Lipari) at the Aeolian Archaeological Museum of Lipari, Italy. Supervisor: M.C. Martinelli.

2022-present - Ceramics expert for the study of the pottery assemblage from the Middle Bronze Age settlement site at Contrada Piane (Gagliano Castelferrato), in collab. with Andrea Eros Leanza Arena (independent researcher, Sicily) and Gian Battista Marras (University of Cambridge).

2011-present - Material culture expert and scientific advisor for the Interdisciplinary Archaeological Mission at the fortified Bronze Age settlement of Mursia (Pantelleria, Italy). Scientific direction: Maurizio Cattani (University of Bologna, in collab. with the Superintendence of Trapani, Sicily).

2017-present - Ceramics expert for the project “*SILVA - “Sicilian small IsLands Vegetation After human arrival at the neolithic site of Piano dei Cardoni (Ustica, Italy)”*” and the project “*Brains 2 Islands*”, Archaeological and Palaeoenvironmental Research. PI: C. Speciale. (IPHESCERCA Tarragona - 2022-present; INGV Napoli, Italy - 2017-2021); G. Battaglia (Superintendence of Cultural Heritage of Palermo, Sicily).

2023 - Ceramics expert for the excavation at the fortified Tower of al-Khutm (Bat, Oman), UNESCO site, 3rd-2nd mill. BC. Direction: M. Cattani (University of Bologna, Italy). Project co-financed by the Italian Ministry of Foreign Affairs and International Cooperation (MAECI).

2019-2023 - Ceramics expert for the research project “Early Bronze Age dolmens in the maltese archipelago”, in collab. with C. Veca (independent researcher, Sicily), D. Tanasi (University of South Florida, USA), S. Sultana (Heritage Malta, National Museum of Archaeology of Valletta, Malta).

2021 - Activities coordinator and student advisor for the project “Roca Archaeological Survey” in the territory of Rocavecchia (Melendugno, Italy). PI: F. Iacono (University of Bologna, Italy).

Organisation of scientific meetings and events

11/2017 - Co-organiser with M. Cattani of the 3rd Academic Seminar of Prehistory and Protohistory, *Meeting Prehistory. Islands of History: Exploring the Mediterranean in the Bronze Age* - University of Bologna (Italy).

03/2017 - Co-organiser, 1st Academic Seminar of Prehistory and Protohistory, *Meeting Prehistory. Mursia, a voyage into the Mediterranean Sea 3500 years ago*, organised by M. Cattani - University of Bologna (Italy).

Invited conference lectures

11/2018 - “Stone, Earth, and Fire. Living on Pantelleria Island 3700 years ago” (with F. Debandi and A. Peinetti), International Conference *Islands in Dialogue (ISLANDIA). First International Postgraduate Conference in the Prehistory and Protohistory of Mediterranean Islands* - University of Torino and University of Manchester, Torino (Italy).

Other conference lectures (selection)

09/2021 - “Past Insularities: Interregional Interactions in Bronze- and Iron-Age Pantelleria” (with F. Schön and S. Cespa), Int. conf., 27th Annual Meeting of the EAA, *Widening Horizons* - Session #34. *Scales of Interaction in the Bronze and Iron Age Central Mediterranean* - University of Kiel (Germany).

09/2018 - “The role of the pedestal vessels in displaying insular identities among Bronze Age communities in the Central Mediterranean”, Int. conf., 24th Annual Meeting of the EAA, *Reflecting futures* - Session #392. *The “island laboratory” revisited: integrating environmental and socio-cultural approaches* - University of Barcelona (Spain).

06/2018 - “To Each His Own. The Pottery Production of the Bronze Age site of Mursia (Pantelleria, Sicily). New insights into the Technological and Functional Aspects of the Vessels”, Int. conf., 18th Mondial Conference of the Union Internationale des Sciences Préhistoriques et Protohistoriques (UISPP), *Exploring the World Prehistory* - Session IV.3. *Contribution of the ceramic technological approaches to the anthropology and archaeology of pre and protohistoric societies* - Université Paris 1 Panthéon-Sorbonne (France).

11/2017 - “The Middle Sea. Recent perspectives on the study of the Prehistory of the Mediterranean”, 3rd Academic Seminar of Prehistory and Protohistory, *Meeting Prehistory* – University of Bologna (Italy).

03/2017 - “Objects and tools of daily life in the fortified Bronze Age village of Mursia (Pantelleria)”, 1st Academic Seminar of Prehistory and Protohistory, *Meeting Prehistory* – University of Bologna (Italy).

Teaching activities

06/10/2023 and **20/04/2023** - 4h Lecture *Sicily between the Copper and the Bronze Age*”, within the MA course “Mediterranean Archaeology” (F. Iacono) - University of Bologna (Italy).

11/05/2023 - 2h Lecture *Sicily between the Copper and the Bronze Age*”, within the MA and postgraduate course “Archaeology of Mediterranean pre-classical cultures” (F. Genchi) - University of Roma La Sapienza (Italy).

13/10/2020 - 2h Lecture “*Case study: Sicily in the Bronze Age. ‘Sicily on the rocks’. Communities, Settlements, and Interactions through the prehistoric ages*”, within the postgraduate course “European Protohistory” (F. Iacono) - University of Bologna (Italy).

05/05/2020 - 2h Lecture “*A journey through the Mediterranean 3500 years ago. The UniBO excavations at the Bronze Age settlement of Mursia*”, within the MA course “Methodology of the Prehistoric Research” (C. Cavazzuti) - University of Bologna (Italy).

30/10/2017 - 2h Lecture “*Softwares and tools for digitising, processing and publishing the drawing of the archaeological findings*” – within the MA Laboratory of Prehistory and Protohistory” (M. Cattani) - University of Bologna (Italy).

13/12/2016 - 4h Lecture “*The Early Bronze Age in Sicily*” + “*The archaeological research at the Bronze Age site of Mursia, Pantelleria*”, within the MA course “Prehistory and Protohistory” (M. Cattani) - University of Bologna (Italy).

Reviewing activities

2023 - Peer Review for the journal “Vicino Oriente” - ISSN: 0393-0300

2020 - Peer Review for the journal “IpoTesi di Preistoria” (Italy) - ISSN 1974-7985

Membership of scientific societies

2022-present - Istituto Italiano di Preistoria e Protostoria

2018, 2024 - European Association of Archaeologists (EAA)

2018 - Union Internationale des Sciences Préhistoriques et Protohistoriques (UISPP)

Research and academic archaeological activities

2023-present - Deputy director – Excavation in the cave of Škarin Samograd (Šibenik, Croatia). Direction: M. Gori.

2010-present - Trench supervisor - Excavations at the Bronze Age settlement of Mursia (Pantelleria, TP, Italy). Direction: M. Cattani (Università di Bologna, Italy).

2023 - Archaeological Field Survey in Lampedusa (AG, Italy). Direction: C. Speciale (University of Tarragona, Spain).

2018, 2020, 2022 - Trench supervisor - Excavations at the Neolithic site of Piano dei Cardoni (Ustica, PA, Italy). Direction: C. Speciale (University of Tarragona, Spain); G. Battaglia (Superintendence of Palermo, Italy).

2020 - Archaeological Survey in the territory of Contrada “Culunedda” (Ustica, PA, Italy)
Direction: C. Speciale (INGV Napoli, Italy).

2016 - Excavations at the Palace of Phaistos (Italian Mission of Crete, Greece). Direction: F.M. Carinci (University of Venezia Ca' Foscari, Italy). **2012-2014** - Excavations at the protohistoric settlement of San Vincenzo (Stromboli, ME, Italy). Direction: S.T. Levi (University of Modena e Reggio Emilia, Italy).

2009-2010 - Excavations at the Terramara settlement of Via Ordieri (Solarolo, RA, Italy).
Direction: M. Cattani (University of Bologna, Italy).

2009 - Excavations at the medieval settlement Castello di Gerione (Casacalenda, CB, Italy).
Direction: L. Quilici (University of Bologna, Italy).

2007 - Topographic survey of the Catacombs of Wignacourt (Rabat, Malta) (KASA project – Interreg IIIA Progr., Italy-Malta 2004-2006). Direction: F. Tomasello (Univ. of Catania, Italy).

2007 - Excavation at the roman site of Leptis Magna (Tripolitania, Libia). Direction: F. Tomasello (University of Catania, Italy).

2005-2006 - Excavations at the protohistoric site of Polizzello (Mussomeli, CL, Italy). Direction: D. Tanasi (University of Catania, Italy).

2006 - Survey campaign at the palaeochristian site of “La Favorita” (Noto, SR, Italy). Direction: F. Tomasello (University of di Catania, Italy).

2005 - Excavations at the roman-medieval site of Rocca Amorella (Milena, CL, Italy). Direction: F. Tomasello (University of Catania, Italy).

Commercial and preventive archaeology

2013-2015; 2020-2022 - Professional experience as archaeological consultant, working with several private companies under the direction of the Superintendence of the Emilia-Romagna Region, in the field of public and/or private works and services. Experience in Iron Age, Roman, Medieval and Post-Medieval archaeological sites, both in rural and urban contexts.
