

CURRICULUM VITAE

apl. Prof. Dr. Alice Blumenthal-Dramé

October 2025

PERSONAL DATA

Last name: Blumenthal-Dramé (née Blumenthal)
First name: Alice Julie

PROFESSIONAL EXPERIENCE

09/2024 – 12/2024 Guest lecturer at the University of Basel, Switzerland
04/2024 – 08/2024 Courtesy Associate Professor in Linguistics, University of Oregon, Eugene, USA
09/2023 – 12/2023 Guest lecturer at the University of Basel, Switzerland
11/2021 Tenured associate Professor (außerplanmäßige Professorin), University of Freiburg, Germany
07/2021 Shortlisted in 2nd position for W2 professorship in English Linguistics, University of Düsseldorf
10/2020 – present Tenured Lecturer (akademische Rätin auf Lebenszeit), University of Freiburg, Germany
07/2020 Offer of full professorship, Université de Poitiers, France (English linguistics: variational linguistics, sociolinguistics and translation studies; declined)
07/2020 Shortlisted for full professorships at two French universities:
– Université Paris 8 (General linguistics: acquisition, bilingualism and psycholinguistics)
– Université Lyon 2 Lumière (English linguistics)
10/2018 – 09/2020 Substitute Professorship, Chair for English Linguistics (Prof. Dr. Dr. h. c. Bernd Kortmann), University of Freiburg, Germany
since 03/2018 Examiner for the state board examination (*Staatsexamen*) in English Linguistics
03/2012 – 09/2018 Assistant Professor, English Department, University of Freiburg, Germany
10/2015 – 07/2016 Junior Fellow at the Freiburg Institute for Advanced Studies; Project: *Structural predictions in language and motor processing*
since 2011 Referee for journals including *Language Learning*, *Functions of Language*, *English Language and Linguistics*, *International Journal of Behavioral Development*, *Applied Linguistics*, *PLOS One*, *Cognitive Linguistics*, *Brain and Language*, *NeuroImage*, *Writing Research*, the Isaac Newton Trust, the Austrian Academy of Sciences, De Gruyter Mouton, Springer, Wiley-Blackwell, French National Research Agency

- 09/2013 – 09/2018 Associate faculty with the Research training group DFG GRK1624 *Frequency effects in language*, University of Freiburg, Germany
- 02/2007 – 02/2014 Coordinator of the Master's degree programme *European Linguistics*, University of Freiburg, Germany
- Contribution to the following tasks: student admission and guidance, recruitment of faculty to teach core courses in the programme, internship mentoring, course scheduling, curricular development, definition of admission guidelines, programme accreditation, conducting an alumni survey, preparation of a module handbook
- 02/2007 – 02/2012 Research Assistant, English Department, University of Freiburg, Germany

ACADEMIC EDUCATION

- 02/2020 Qualification for professorship by the French *Conseil National des Universités* (CNU) [French National Council of Universities], Sections 07 (General Linguistics) and 11 (English Studies)
- 06/2019 Habilitation and *Venia legendi* in English Philology, University of Freiburg; Postdoctoral thesis (*Habilitationsschrift*): *Large-scale Usage Patterns and the Mind: Experimental and Theoretical Perspectives*
- 12/2011 Dr. phil. (*summa cum laude*) in English Philology, University of Freiburg, Germany; Thesis: *Entrenchment in Usage-Based Theories – What Corpus Data do and do not Reveal about the Mind*
- 06/2006 Magister Artium (with distinction) in English Philology, Slavic Philology and General Linguistics, University of Freiburg, Germany; Thesis: *Lexico-Grammar in Recent Non-Formalist Theories of Syntax: A Comparison between Radical Construction Grammar and Pattern Grammar*
- 10/2003 – 07/2004 Academic year at the Institute for Theoretical and Applied Linguistics at the Lomonosov University in Moscow, Russian Federation
- 09/2001 – 02/2002 European Erasmus Exchange Programme at the University of Manchester, UK
- 1999 – 2006 Studies in English Philology, Slavic Philology, Computational Linguistics and General Linguistics at the University of Freiburg, Germany

GRANTS AND AWARDS

- 10/2023 Travel grant from the *Scientific Society of the University of Freiburg* to attend the 2023 Conference of the *The South Caucasian Chalk Circle-3*, Tbilisi (850 €)
- 10/2021 – 07/2022 *Internal Senior Fellowship*, Research Focus *Diversity in Language and Cognition* at the Freiburg Institute for Advanced Studies (with Adriana Hanulíková, Anelis Kaiser, and Evelyn Ferstl) (180.000 €)
- 02/2019 Grant for an *Interactive Workshop on Measuring Language Complexity* at the Freiburg Institute for Advanced Studies (with Katharina Ehret, Aleksandrs Berdicevskis, and Christian Bentz) (7500 €)
- 03/2019 Travel grant from the Scientific Society of the University of Freiburg to attend the 2019 Conference of the *American Association for Applied Linguistics*, Atlanta (1200 €)
- 11/2017 Funded visiting researcher at the University of Helsinki (cooperation with Prof. Dr. Anna Mauranen's research group on *Chunking in language: Units of meaning and processing*)
- 10/2016 – 04/2018 Project Group *Language Dynamics across the Life Span* at the Freiburg Institute for Advanced Studies (with Adriana Hanulíková, Tonio Ball, and Evelyn Ferstl) (20.000 €)
- 10/2015 – 07/2016 Junior Fellowship at the Freiburg Institute for Advanced Studies; Project: *Structural predictions in language and motor processing* (21.000 €)
- 09/2013 Short visit grant from the European Science Foundation for a research stay at the *Laboratoire Cognition, Langues, Langage, Ergonomie* in Toulouse, France (1625 €)
- 07/2012 Research prize of the *School of Language & Literature* of the Freiburg Institute for Advanced Studies for the best PhD thesis in linguistics (2000 €)
- 04/2008 – 03/2011 Full PhD scholarship from the German Academic Scholarship Foundation (Studienstiftung des deutschen Volkes)
- 08/2006 Scholarship from the German Academic Exchange Service (DAAD) for a Bulgarian language course at the St.-Kliment-Ohridski-University in Sofia, Bulgaria
- 10/2003 – 07/2004 Scholarship from the German Academic Exchange Service (DAAD) for a year abroad at the Institute for Theoretical and Applied Linguistics at Lomonosov-University in Moscow, Russian Federation

CONFERENCE AND WORKSHOP ORGANISATION

- July 2022 Symposium *Variability in Language Processing* (Freiburg, with Adriana Hanulíková and Evelyn Ferstl)
- May 2022 *Statistics-Workshop: Modelling Diversity in Language & Cognition* (Freiburg, with Adriana Hanulíková and Evelyn Ferstl)
- August 2021 *Chunks and Chunking – Online and Offline Perspectives*, symposium at the *World Congress of Applied Linguistics* (Groningen, with Anna Mauranen)

September 2019	<i>Interactive Workshop on Measuring Language Complexity</i> (Freiburg, with Katharina Ehret, Aleksandrs Berdicevskis, and Christian Bentz)
May 2019	<i>One Size Fits All?</i> , workshop at the 7 th conference of the Scandinavian Association for Language and Cognition (Aarhus, with Anna Mauranen)
March 2019	<i>Chunk Size in Online Language Processing</i> , workshop at the 2019 conference of the American Association for Applied Linguistics (Atlanta, with Anna Mauranen)
April 2018	<i>Language Comprehension across the Lifespan</i> (Freiburg, with Adriana Hanulíková and Evelyn Ferstl)
October 2014	<i>Perceptual Linguistic Saliency: Modelling Causes and Consequences</i> (Freiburg, with Adriana Hanulíková and Bernd Kortmann)

SCIENTIFIC COMMITTEE MEMBERSHIPS

- *La Complexité en Sciences du Langage*, Paris, France, 2024
- *KogWiss 2022 – Understanding Minds*, Freiburg, Germany, 2022
- 9th *International Conference of the German Cognitive Linguistics Association*, Erfurt, Germany, 2020
- *UK Cognitive Linguistics Conference 2020*, Birmingham, UK
- 14th *International Cognitive Linguistics Conference*, Tartu, Estonia, 2017

FURTHER RELEVANT SKILLS

Languages	German (native), French (native), English (C2), Russian (C1 reading comprehension, B2 speaking and writing), Bulgarian (good reading comprehension of academic texts), Italian (good reading and speaking comprehension)
IT skills	Data processing and statistical programming with R, EEG and fMRI analysis with MATLAB, stimulus presentation and control with DMDX, Presentation and PCibex

TALKS AND CONFERENCE PRESENTATIONS

INVITED WORKSHOPS & TALKS

12/2024	"Corpus-derived complexity measures and online language processing: Does one size fit all languages?", plenary at the workshop <i>La Complexité en Sciences du Langage</i> , Maison de la Recherche, Paris, France
09/2024	"Conducting psycholinguistic experiments with PCIBex", invited workshop at the <i>Experimental Lab</i> , University of Bologna (Italy)
07/2024	"Operationalizing constructionhood in online processing research", plenary at the <i>Summer School of the International Society for the Linguistics of English</i> , University of Freiburg (Germany)
03/2024	"Operationalising constructions from a psycholinguistic point of view: Promises and pitfalls", invited talk at the University of Vigo (Spain)
12/2023	"Operationalising constructions from a psycholinguistic point of view: Promises and pitfalls", invited talk at <i>Circolo Linguistico dell'Università di Bologna</i> , University of Bologna (Italy)
07/2023	"Operationalising Construction Grammar claims: A psycholinguistic perspective", invited talk at the workshop <i>Prepositional constructions in Spanish</i> , Tübingen University (Germany)
06/2023	"Cross-linguistic Differences in Word Order Processing", invited talk at the University of Jena (Germany)
02/2023	"Is our language processing style attuned to the typology of our language(s)?", invited talk at the University of Manchester (UK)
09/2022	"Chunking: Vers un rapprochement entre la théorie linguistique, les données de production et les données de compréhension", invited talk at <i>Journée inter ANR : Ecriture enregistrée et corpus manuscrits : quels modèles théoriques et méthodes d'analyse ?</i> , Université Sorbonne nouvelle, Paris (France)
12/2021	"Usage-based processing: Necessity or luxury?", invited talk at the <i>Interdisciplinary Centre for Research on Lexicography, Valency and Collocation</i> at the University of Erlangen-Nuremberg (Germany)
01/2021	"Causal markers: Typology, dialectology, processing", invited talk at the <i>Institute of Linguistic Research of the Russian Academy of Sciences</i> , St. Petersburg (with Bernd Kortmann)
06/2019	"Age effects in language processing", invited talk given at the <i>Psycholinguistics Colloquium</i> , University of Erfurt (Germany)

11/2017	“Causal and concessive relations: From typology to cognition?”, invited talk at the <i>Department of Modern Languages</i> , University of Helsinki (Finland)
07/2015	“Is the morpheme category cognitively realistic?”, invited talk at the <i>13th International Cognitive Linguistics Conference</i> , Newcastle (UK)
06/2007	“Sprachrelativistische Linguistik in Ost- und Westeuropa: Eine Gegenüberstellung und Kritik aktueller Theorien”, invited talk at the conference <i>Die Europäizität der Slawia oder die Slawizität Europas</i> , Humboldt University of Berlin (Germany)

INVITED IN-HOUSE TALKS

- 08/2021 “Alterseffekte bei der Sprachverarbeitung”, contribution to the lecture series *Wege zur Erforschung des Gehirns*, organised by the *Institute of Biology 3* and the *Bernstein Center*, University of Freiburg
- 02/2020 “Models and modelling in linguistics: The role of functional neuroimaging”, invited lunch lecture at the *Freiburg Institute for Advanced Studies*
- 07/2019 “Embodiment of language”, guest talk given at the *Bernstein Center Freiburg*

CONFERENCE PRESENTATIONS

- 09/2025 "The Effects of Aspect on Meaning Interpretation in the Online and Offline Processing of Modal Constructions" (with Haykanush Sazhumyan), *Langues & Langage à la croisée des Disciplines – 2ème Rencontre Annuelle (LLcD 2025)* Lille (France)
- 08/2024 "Testing ‘constructionhood’ and the cognitive realism of mid-level abstractions in English possessive constructions" (with Lotte Sommerer), *13th International Conference on Construction Grammar*, Göteborg (Sweden)
- 10/2023 "Approaching word order in Georgian, Armenian and Russian" (with Diana Forker), *The South Caucasian Chalk Circle-3*, Tbilisi (Georgia)
- 03/2020 “Predicting collocates: Task effects, chunk frequency, and association measures” (with Kyla McConnell), *42th Annual Meeting of the Deutsche Gesellschaft für Sprachwissenschaft*, Hamburg (Germany)
- 09/2019 “Can corpus-derived collocation metrics reflect expectations in language processing?” (with Kyla McConnell), *Discourse Expectations: Theoretical, Experimental, and Computational Perspectives (DETEC)*, Leibniz-Zentrum Allgemeine Sprachwissenschaft, Berlin (Germany)

- 05/2019 “Effects of task and corpus-derived association scores on the online processing of collocations” (with Kyla McConnell), *Psycholinguistics in Flanders (PiF)*, Antwerp (Belgium)
- 05/2019 “Chunking below the phrase level and its implications for models of online comprehension”, *The 7th conference of the Scandinavian Association for Language and Cognition*, Aarhus (Denmark)
- 05/2019 “Predicting native speaker choice: The role of frequency in morpho-syntactic alternations” (with Jane Klavan and Ann Veismann), *The 7th conference of the Scandinavian Association for Language and Cognition*, Aarhus (Denmark)
- 04/2019 “Age effects in the processing of causal relations” (with Katharina Balthasar), *5th International Conference Aging & Cognition 2019*, Zurich (Switzerland)
- 03/2019 “Chunking across levels: Implications for online comprehension”, *American Association for Applied Linguistics 2019 Conference*, Atlanta (USA)
- 09/2018 “The role of frequency in morpho-syntactic alternations: An experimental study from Estonian” (with Jane Klavan), *51st Annual Meeting of the Societas Linguistica Europaea*, Tallinn (Estonia)
- 09/2017 “Causal and concessive relations: Typology meets cognition” (with Bernd Kortmann), *50th Annual Meeting of the Societas Linguistica Europaea*, Zurich (Switzerland)
- 07/2017 “Causal and concessive relations: Typology meets cognition” (with Bernd Kortmann), *International Cognitive Linguistics Conference*, Tartu (Estonia)
- 07/2017 “The Dative Alternation: How production preferences affect readers’ syntactic expectations”, *International Cognitive Linguistics Conference*, Tartu (Estonia)
- 03/2017 “Causal and concessive relations: Typology meets cognition” (with Bernd Kortmann), *39th Annual Meeting of the Deutsche Gesellschaft für Sprachwissenschaft*, Saarbrücken (Germany)
- 06/2015 “Semantics does play a role at early morphological processing stages”, *9th International Morphological Processing Conference*, Potsdam (Germany)
- 10/2014 “On the non-salience of morphemes (and the salience of non-morphemes)”, *FRIAS workshop on Perceptual linguistic salience: Modelling Causes and Consequences*, Freiburg (Germany)

- 03/2013 "How usage variables affect the relationship between derivatives and their bases: An fMRI masked priming study", *5th Annual Conference of the German Linguistic Society (DGfS)*, Potsdam (Germany)
- 02/2012 "How exo-lexical variables affect the relationship between derivatives and their stems: An fMRI masked priming study", *15th International Morphology Meeting*, Vienna (Austria)
- 10/2010 "Usage frequency and cognitive entrenchment in the minds of speakers: A neuroimaging study of morphological constructions", *4th International Conference of the German Cognitive Linguistics Association*, Bremen (Germany)
- 07/2010 "Usage frequency and morphological entrenchment in the minds of speakers: A neuroimaging study", *3rd UK Cognitive Linguistics Conference*, University of Hertfordshire (UK)
- 05/2010 "Linguistic research at the interface between the humanities and the sciences: Opportunities and challenges", *Journées Doctorales des Humanités*, Mulhouse (France)
- 10/2008 "Does functional entrenchment precede formal entrenchment in the process of univerbation?" (Poster presentation), *1st Triennial Conference of the International Society for the Linguistics of English*, Freiburg (Germany)
- 12/2006 "From wholes to parts: English constructions from different perspectives", *2nd EUCOR English Trinationl Master's Conference*, Basel (Switzerland)

TEACHING AND STUDENT SUPERVISION

Apl. Prof. Dr. Alice Blumenthal-Dramé

TEACHING

- Lectures [*Vorlesungen*]
- *Introduction to Linguistics (6x)*
 - *The Mental Lexicon (3x)*
 - *Language and Categorisation: Theoretical and Empirical Perspectives (2x)*
 - *Experimental Cognitive Linguistics (2x)*
 - *Language Comprehension across the Lifespan* (lecture series organised with Adriana Hanulíková [German linguistics] and Evelyn Ferstl [Cognitive Science])
 - *Diversity in Language and Cognition* (lecture series organised with Adriana Hanulíková and Evelyn Ferstl)
- Advanced seminars
[Oberseminare]
- *Current Research in English Linguistics* (with Christian Mair [English linguistics]) (4x)
- Graduate seminars
[Masterseminare/
Hauptseminare]
- *Cross-linguistic Diversity in Language Processing*
 - *Individual Differences in Language Processing*
 - *Morphology (5x)*
 - *Experimental Cognitive Linguistics* (with Adriana Hanulíková)
 - *Variability in Language Processing* (with Adriana Hanulíková)
 - *Cognitive Syntax*
 - *Theoretical Foundations of Linguistics (6x)*
 - *Language and the Motor System*
 - *Language Processing across the Lifespan*
 - *English from a Typological Perspective*
 - *Bottom-up and Top-down Processing in Language*
 - *The Mental Lexicon*
 - *Cognitive Approaches to Normal and Impaired Language Processing* (with Tobias Bormann [Neuropsychology])
 - *Brain and Language: Neurophysiological Foundations of Language* (interdisciplinary seminar; with Evelyn Ferstl [Cognitive Science], Ad Aertsen [Neurobiology and

- Neurophysics], Stefan Rotter [Computational Neuroscience], Albrecht Sippel [Genetics], and Daniel Jacob [Romance Linguistics]) **(9x)**
- *Language Comprehension across the Lifespan* (with Vit Dovalil [German linguistics])
 - Kolloquium zu Themen der Literatur- und Sprachwissenschaft des Englischen **(2x)**
- Undergraduate seminars
[Proseminare]
- *English Syntax* **(4x)**
 - *Morphology* **(3x)**
 - *Semantics*
 - *History of the English Lexicon*
 - *English from a Typological Perspective*
 - *Cognitive Approaches to Grammar*
 - *Introduction to Neuro- and Psycholinguistics*
- Applied classes (Master's level)
[Übungen]
- *Designing, Conducting and Analysing Psycholinguistic Experiments* **(3x)**
 - *Cross-linguistic Diversity in Language Processing*
 - *Theoretical Foundations of Linguistic Research* **(5x)**
 - *Oral and Written Presentation of Research in English*
 - *Foundations of European Linguistics* **(2x)**
 - *Essentials of English Linguistics*
- Extra-curricular teaching
- *Selected Topics in Cognitive Neurosciences* (contribution to a Master's seminar for students in Biology and Cognitive Neuroscience) **(3x)**
 - *Major Concepts in Cognitive Neurosciences* (contribution to a lecture series for Master's students in Biology and Cognitive Neuroscience) **(5x)**

RESEARCH SUPERVISION

PHD DISSERTATIONS

- Nicole Mazzetto, *La motivation synchronique des locutions : une analyse empirique et cognitive de la phraséologie française*, Romance department, defense: 2025
- Julia Müller, *Emerging Constructions on Social Media: Borrowings from English to German*, defense: March 2025
- Haykanush Sazhumyan, *Processing modality from a constructionist perspective: A cross-linguistic study*, supervision since April 2024

- Kyla McConnell, *Individual and Task Effects in Online Processing*, English department, defense: June 2024
- Ellen Joos, *EEG correlates of normal and altered processing strategies to solve the perceptual inference problem*, Biology department, defense: March 2021
- Helena Levy, *Long-term effects of frequent accent exposure on word learning, perception and production*, German department; defense July 2022
- Carmela Pietropaolo, *Perception, Usage and Productivity of Variable Morphological Rules: Investigations on the Italian Subjunctive*, Romance department; defense: March 2021

MASTER'S THESES (FIRST SUPERVISOR)

- Julia Schmieder, 2025, *The Impact of Bilingualism on Statistical Learning Abilities*
- Anastasiia Demchuk, 2025, *Collocation Processing in L2 Speakers of English – An Empirical Exploration of Semantic, Cognitive, and Corpus-based Predictors*
- Fabian Eckert, 2024, *Japanese Radical Priming – Masked translation and radical priming effects in Japanese-English unbalanced bilinguals*
