Nation-based work Experiences (Italy)

Assistant professor, Department of Agriculture and Food Science, University of Bologna

1 April 2021 - 30 August 2023

Research and teaching activities

Overall teaching-related activities: 350 hours per year. Frontal teaching activities: 60 hours per year (6 credits).

Teaching topics: Food policy and economics, food governance and food justice.

Projects submitted/gained:

NORMS4FOOD (2021), HE European Commission, WP leader, shortlisted (13.5/15)

URBANFOODAFRICA (2022), HE European Commission, WP leader, shortlisted (13/15)

FOLOU (2022), HE European Commission, WP leader, gained (400.000 euros)

Post-doc Researcher, Department of Agriculture and Food Science, University of Bologna

Bologna, March 2016 - March 2021

Grant writing for UNIBO

REDUCE (2015), Ministry of Environment of Italy, Coordination team, gained (500.000 euros)

SEIZERO (2017), Ministry of Environment of Italy, Coordination team, gained

FOOD4CITIES (2018), H2020 European Commission, WP leader, not gained

FOODLAND (2018), H2020 European Commission, Coordination team, gained (6.000.000 euros)

LOWINFOOD (2020), H2020 European Commission, WP leader, gained (14.5/15) (400.000 euros)

Research tasks and project management

REDUCE: Coordination of research task R1, "quantification and analysis of food waste at household stage in Italy for SDG 12.3". Collaboration and support to task R3 (food waste accounting and monitoring in school canteens); collaboration to the task S1 "set up and test of an education kit for primary schools". Blog and content manager.

SEIZERO: researcher task R1 (food loss quantification at processing level in Italy).

ISPRA: researcher for the task "quantification and analysis of food waste at household stage in Italy for SDG 12.3, 2020".

LOWINFOOD (RUR 07): Reference Person for UNIBO. WP2 leader; task leader *methodology and cooperation between sister projects*.

FOODLAND (SFS 34): Management support and coordination team; Economic analyses team; task leader "sister projects".

Teaching activities

BA Course Food and society (2 credits-24 hours), First cycle degree programme in Dietary and Nutrition Science [ITA]

BA Course Principles of Agricultural Economics, Mod 2 (3 credits-30 hours), First cycle degree programme in Animal Production [ITA]

Lectures for the Master in Development and Cooperation; bachelor in policies for agrarian development, UNIBO (2012, 2013, 2014, 2016) [ENG]

Lectures for the Master in Development and Cooperation, bachelor in policies for agrarian development, UNIBO (2012, 2013, 2014, 2015, 2016) [ENG]

Lecture for the UNIBO inter-disciplinary course "One Health", titled "Global household food waste and the case of Italy", 13 April 2021, 22 April 2022 [ENG]

Lecture at Wageningen University, invited. Title: "The sustainability for the FSC and the case of food waste", 20 February 2022 [ENG]

Supervision of BA and MA thesis.
Supervision of 1 PhD student (2021-2024)

Special Advisor to the Minister of Research and Education of Italy, Agenda 2030

Rome, October 2019- January 2020

Special advisor to former Minister Lorenzo Fioramonti for Agenda 2030 and Natural resource Consumption.
Main tasks: Production of guidelines for the new module on civic education in schools. External relations and coordination of the participatory process management.

Consultant, Circular Economy. Consorzio Edocom

Home-Based, June 2019 – December 2019

Main tasks: mapping of circular economy initiatives for "Atlante dell'economia circolare 2020", analysis, support to report writing.

Consultant, Food Waste. Fondazione Romagnosi

Home-based with travels to Pavia, March 2019 – February 2020

Main tasks: Set-up of a methodology to account and monitor household food waste in the Municipality of Pavia.

Junior Research and Program Officer. National Plan for Food Waste Prevention and Reduction (PINPAS)

Home-based with travels to Rome, December 2013 – December 2014

University of Bologna and Ministry of the Environment (PhD activity).

Main tasks: Program and Project management. Research activities. Data collection, analysis and reporting.
Event Management and support to Communication Dept. Project officer.

Internationally based work experiences

Senior Scientist, Policy and Governance. Bioeconomy Unit, LUKE (Natural Resource Institute Finland)

Helsinki, 1 September 2023- onward (Permanent)

The main task is to respond to national, European and global research questions and development needs related to the policy and governance of carbon neutrality and the bio- and circular economy. Planning, implementing and leading research and development projects in the subject area, participating in national and international cooperation, developing the research field, and writing scientific publications and expert reports.

Coordination of GRAPE project, co-financed by EU Commission, Germany Ministry of development and Finnish Foreign Affairs Ministry.

Horizon Projects submitted in 2024: 3. Gained: 1

WASTEWISE, scientific coordination (Horizon Europe 2024-2028), gained (950.000 euros)

Consultant, Food waste specialist. United Nations Environmental Programme (UNEP)

Home-based due to covid, March-November 2021

Main tasks: research for the project "Build Back Better: Using Green and Digital Technologies to Reduce Food Waste at Consumer Level" city of Doha. Set-up of a methodology to detect consumer food waste in Qatar, based on the UNEP Food Waste standardized methodology.

Consultant, Food waste specialist. European Commission

Home-based with travels to Brussels, June 2018 - July 2018

Main tasks: final monitoring and evaluation of European projects (H2020) in the field of food waste.

Consultant, Food Waste Expert. Food and Agriculture Organization of the UN (FAO)

Riyadh, Saudi Arabia, October 2017 - April 2018

Main tasks: set up a methodology to assess food waste at national level. Setting up a national plan for food waste prevention and reduction for Kingdom of Saudi Arabia. Research and Project Management.

Intern at Political and Multilateral Office. Italian Embassy of Kenya and Seychelles

Nairobi, Kenya, September 2012- December 2012

MAE- CRUI program

Main tasks: delegate for Italian Ambassador at the Committee of Permanent Representatives to the United Nations Environment Program (UNEP) and EU Commission meetings. Monitoring and reporting on political and economic developments of Kenya to the Italian Ambassador. Support to the cooperation office.

Roster of consultants, editor and member of academic groups

1. Member of Technical Scientific Committee (CTS) at the Ministry of Education of Italy: "Sostenibilità alimentare e ambientale fra progettazione e una corretta comunicazione. Educare le nuove generazioni alla cittadinanza attiva". [20/04/2023-20/04/2024] as food system expert.
Member of Technical Scientific Committee (CTS) at the Ministry of Education and Research of Italy: "Setting-up guidelines for civic education in schools based on Agenda 2030" [2019] as Agenda 2030 expert.
2. Expert on Education, Skills and Training in the field of the circular economy for the Circular Economy Stakeholder Platform of the European Commission.
3. UN FAO Roster of Consultants, August 2018- ongoing. Expert "value chain sociologist", "food waste specialist", "food system specialist".
4. Food waste specialist for the European Commission (monitoring and evaluation of Horizon projects).
5. Member of the tribunal of thesis for American University of Rome (MA in food sociology) and DEUSTO University (PhD in food systems).
6. Rete Humus, member of the scientific committee.
7. Member of Agriculture, Food and Human Values Society.
8. Member of Politiche Locali del Cibo.
9. Member of the Academic Society SIDEA (Società Italiana Economisti Agrari).
10. Guest editor for Sustainability special issue titled "Household food waste: from an international perspective"
11. Advisory and Scientific Board of the project Lowindood

Visiting period abroad (scholarship)

Visiting fellow, Department of Geography, University of Guelph

Guelph, Ontario, Canada, August- October 2015

Field research for PhD thesis. Observation of waste compositional analysis aimed at detecting food waste quantities at urban level.

Academic training, Connect4action

Brussels, Belgium, October 2014

Attendance of the workshop "Strategies for improving communication between social and consumer scientists, food technology developers and consumers" run by EFPOST and Wageningen University as output of the EU project "Connect4action"

Visiting student, Departamento de Estudos de Terra, Recursos Naturais e Conflitos, Universidade Edoardo Mondlane

Maputo, Mozambique, June - September 2011

Field Research for MA Degree, with focus on Italian biofuel investments (Jatropha curcas) and land conflicts in the region on Nampula, Village of Micolene (Nacala- a velha).

Exchange Student (Erasmus Program with EU Scholarship) at Faculty of Political Science, University of Copenhagen

Copenhagen, Denmark, August 2009 - February 2010

Attendance of the courses: IR and the third world; Development Economics (advanced); academic writing

Education

Bologna, January 2013 - June 2016

PhD, International Cooperation and Sustainable Development, University of Bologna

Thesis titled: Assessing household food waste in Italy: a methodology for detecting drivers and quantities

Research support to FUSIONS project, sub-tasks "data". Junior Research and Program Officer for the National Food Waste Prevention Plan (PINPAS).

Bologna, September 2008 - December 2011

Master's degree cum Laude in International Cooperation, Development and Human Rights, Statistics, University of Bologna

110/ 110 cum laude

Main topics: Sustainable development and Human Rights in African Countries. Main Topics: sustainable development. 2009/28/CE directive and impact on third countries. Directive 2009/29/CE and its impact on food production.

Thesis titled: EU energy policy and bio fuels sustainability: the case of *Jatropha Curcas* in the Nacala-a-Velha district (Mozambique)

Bologna, September 2004 - March 2008

Bachelor's Degree in international Relations, Political Science, University of Bologna

Major: African studies, land reforms in Southern Africa

Thesis titled: Zimbabwe: the economy of decline and its relationship with the Fast Track land reform

Bari, September 1999- 2004

High School diploma in Foreign Languages and cultures, School "Marco Polo"

Other courses and certificates

Home-based, 2020	Social Psychology, led by Prof. Scott Plous, Stanford University, Coursera
Bologna, Italy, 2013, 2014, 2017, 2018	"Improving communication and assertiveness" training at Centro Hara (Bo)
Bertinoro (FC), Italy, June 2013	"Agri-food systems and rural development: tradition, innovation and green governance" International comparative rural policy studies, Summer Institute
Home-based, 2013	IELTS academic, 7.5
Annecy, France, May- June 2012	Ifalpes school of French
Granada, Spain, 2008	DELE European certificate of Spanish, 94/100
Granada, Spain, April- May 2008	Don Quijote school of Spanish
Zola Predosa, Italy, June-July 2007	"Communication in Politics", Ulibo, summer school
Home-based, 2004	First certificate of English, Intermediate, C
Dublin, Ireland, July 2002	Bristol school of English
Bournemouth, UK, June-July 2001	Southborne school of English
