[Updated: October 2025]

RESEARCH AND TEACHING INTERESTS

- Gender, family relations, social stratification, parenting, leisure, life-course events
- Time use data, cross-national research, longitudinal analysis, causal inference

EDUCATION

- 2019-2023 **PhD** in Sociology and Demography, **Pompeu Fabra University**, Barcelona.
Gender, Parenthood and leisure time: Assessing inequality in Europe
Advisor: Clara Cortina
- 2018 **MA** in Demography and Sociology. **Pompeu Fabra University**, Barcelona
Master thesis: *Toward a culture of care: analysing fathers' involvement into childcare in a cross-country comparative analysis*
- 2011 **Specialist** in Peace, Conflicts and Development Studies, **Jaume I University**,
Castellon. **UNESCO Chair**
- 2008 **BA** in Sociology ("licenciatura", 5-year-degree), **Autonomous University of
Barcelona**

ACADEMIC POSITIONS

- Present Postdoctoral research member (R2). Universidad del País Basco (UPV/EHU),
Bizkaia. Project: FERLOST. PI: Roberta Rutigliano and Anna Barbucia
- 2004 (sep-dec) Postdoctoral research member (R2) Centre for Demographic Studies (CED),
Barcelona. Project: Co-residence. PI: Albert Esteve
- 2024 (Jan-Jul) Postdoctoral research member (R2), DemoSoc Research Unit, **Pompeu Fabra
University**. Project: UNEQUAL. PI: Clara Cortina
- 2019-2024 PhD Candidate, DemoSoc Research Unit, **Pompeu Fabra University**

GRANTS AND COMPETITIVE FELLOWSHIPS

- 2019 **Pompeu Fabra University** 4 years PhD Scholarship (PIPF) (~ 65,000€)
- 2018 **Catalunya La Pedrera** Educational grant to Master studies (5.000€)

FUNDED RESEARCH PROJECTS

As member of the research team

- | | |
|-----------|--|
| 2025 | "When does late imply low fertility? Macro trends and socioeconomic inequalities within regions in Spain (FERLOST). Spanish Ministry of Science and Innovation and Spanish Research Agency. PIs: Roberta Rutigliano and Anna Barbucia |
| 2024 | CORESIDENCE. Advanced Grant funded by the European Research Council (Grant Agreement No.101052787). PI: Albert Esteve |
| 2021-2024 | "Socio-economic inequalities in family behaviour and wellbeing: the role of economic security, role compatibility and gender relations" (UNEQUAL). Spanish Ministry of Science and Innovation and Spanish Research Agency. PIs: Pau Baizán and Clara Cortina |

TEACHING EXPERIENCE

Seminar & teaching assistant

- Sociology of work (Pompeu Fabra University, 2022/23)
- Quantitative Methods of social Research (Pompeu Fabra University, 2020)
- Introduction to Sociology (Pompeu Fabra University, 2019/20)
- Social inequalities (Pompeu Fabra University, 2019/20)

SOFTWARE

- STATA
- R-STUDIO

IDIOMS

- CATALAN – mother-tongue language
- SPANISH – mother-tongue language
- ENGLISH – Proficiency level
- ITALIAN – High communicative level

METHODOLOGICAL COURSES & WORKSHOPS

- Barcelona Summer School (CED), 2024 (80 hours)
- Survey data harmonization across time and space (RECSM), 2023 (8 hours)
- Longitudinal Panel Models with Structural Equations (RECSM), 2022 (8 hours)
- Workshop on Panel Data Analysis (BACES-UPF), 2021 (10 hours)
- Causal Inference for nonexperimental data (RECSM-UPF), 2021 (12 hours)
- Social Network Analysis (UPF), 2021 (8 hours)
- Practical Multilevel Modeling (RECSM-UPF), 2020 (12 hours)
- Multilevel Models Analysing Comparative Longitudinal Survey Data (RECSM-UPF), 2020 (8 hours)

OTHER PERSONAL EXPERIENCES

2021	16 weeks maternal leave
2019	16 weeks maternal leave
2014-2018	Atlantic circumnavigation with a particular sailing boat living and visiting different countries such as Senegal, Cap Verd, Brasil, Caribbean Antilles and Cuba.
