Coimbra Group	CG	Founded in 1985 and formally constituted by Charter in 1987, the Coimbra Group is an association of long-established European multidisciplinary universities of high international standard. The Coimbra Group is committed to creating special academic and cultural ties in order to promote, for the benefit of its members, internationalisation, academic collaboration, excellence in learning and research, and service to society. It is also the purpose of the Group to influence European educational policy and to develop best practice through mutual exchange of experience.	Bruxelles	Associazione	https://www.coimbra-group.eu/
International Association of Universities	IAU	IAU brings together its Members more than 130, for reflection and action on common priorities. IAU is an independent bilingual (English and French), non-governmental organization. It acts as the global voice of higher education to UNESCO and other international higher organizations, and provides a global forum for leaders of institutions and associations. Its services are available on the priority basis to members but also to organisations, institutions and authorities concerned with higher education, as well as to individual policy and decision-makers, specialists, administrators, teachers, researchers and students.	Paris	Associazione	https://www.iau-aiu.net/
Utrecht Network	Utrecht Network	The Utrecht Network encourages contacts among universities and the surrounding community or regions, in the area of academic, educational, social and technological developments. Since it came into existence the Network has worked toward a number of objectives. In the future these activities will be continued on the same footing.	Utrecht	Associazione	http://www.utrecht-network.org/
Scholars at risk	SAR	Scholars at Risk is an international network of institutions and individuals whose mission it is to protect scholars and promote academic freedom.	New York	Associazione	https://www.scholarsatrisk.org/
European University Association	EUA	EUA's vision for Europe's universities is a system of highly-diverse and autonomous academic institutions that engage in excellent research, provide a wide spectrum of qualifications and facilitate the mobility of staff and students.	Bruxelles	Associazione	https://eua.eu/
Unione delle università del Mediterraneo	UNIMED	UNIMED acts in different scientific fields and its aim is to develop research and education in the Euro-Mediterranean area in order to contribute to scientific, cultural, social and economic cooperation. The image that better represents the association is a University without walls.	Roma	Associazione	http://www.uni-med.net/
UNI ITALIA	UNI ITALIA	Uni-Italia ha come obiettivi -tra gli altri - di favorire la cooperazione universitaria e gli scambi culturali fra l'Italia e gli altri Paesi, con particolare attenzione all'attrazione di studenti e ricercatori stranieri presso le istituzioni accademiche italiane, come più ampiamente descritto nello Statuto.	Roma	Associazione	http://www.uni-italia.it/

UNIADRION	UNIADRION	The purpose of UniAdrion is the collaboration among universities and research centres with the aim of strengthening international cooperation and of favouring the progress of culture, science, training and research in the countries of the Adriatic-Ionian basin.	presso la sede dell'Università Politecnica delle Marche	Associazione	www.europaeum.org
EUROPAEUM	EUROPAEUM	The objects of the Charity are the advancement of education through the encouragement of: (i) Charity studies in the universities and institutions of higher education which are members of the Charity, and (ii) the movement of academic staff and students between those universities and institutions to share knowledge and information.	Oxford	Associazione	https://europaeum.org/
The Trans-Atlantic Science Student Exchange Program	TASSEP	The Trans-Atlantic Science Student Exchange Program is a consortium of member universities from the European Union, Canada and the United States. Academic advisors of science faculties work in close cooperation with their study abroad offices. TASSEP ensures that students are properly orientated and advised about courses selection and eases the problems of receiving credit for courses taken abroad. The goal is to permit students to take most of their Bachelor or Master level courses abroad with respect of their study schedules of their home university.	Paris	Associazione	http://www.tassep.upmc.fr/en
UNA EUROPA- EUROPEAN UNIVERSITY ALLIANCE	UNA EUROPA	The mission of this association is to create a truly European inter-university environment, where outstanding research is continuously linked to transnational learning and innovative, critical thinking. UNA Europa is a strong alliance based on shared values. It aims to shape Europe's future.	Bruxelles	Associazione	https://www.una-europa.eu/
