

AMMINISTRAZIONE GENERALE  
AREA DEL PERSONALE  
SETTORE DIDATTICA E CONTRATTI  
UFFICIO RICERCATORI A TEMPO DETERMINATO

---

REP. 2891 PROT. 75876 del 31/05/2018

## THE DIRECTOR

**WITH REFERENCE TO** the rules referred to in Article 14 of the present call for application

## ORDERS

### Art. 1 – Purpose

A procedure of comparative evaluation by qualifications and public discussion is called for the recruitment of 1 researcher with a fixed-term employment contract full-time for the three-year - pursuant to art. 24 paragraph 3 letter b) (senior) of Law no. 240/2010 -. Sector competition reference 06/E2 - Plastic and Paediatric Surgery and Urology, Scientific sector MED/19 - Plastic Surgery.

The job is activated for the needs of research and study of the Department of Experimental, Diagnostic and Specialty Medicine - DIMES. Serving primarily at the Department of Experimental, Diagnostic and Specialty Medicine - DIMES, BOLOGNA.

The contract shall last three years. An annual gross total amount equal to € 41.878,00. The annual increase in this amount will be calculated according to the existing procedure for non-contracted personnel.

### Art. 2 – Activities to be performed

The contract includes 350 hours of supplementary teaching and assistance to students, for each academic year covered by the contract. The contract shall schedule 60 hours of teaching on annual basis at the .

The researchers will perform medical care services at the hospital facility of Sant'Orsola-Chirurgia Plastica, in line with the methods defined by the hospital for all contracted university research staff. In this regard Articles 5 and 6 of Italian Legislative Decree 517/99 and amendments apply, as well as regional laws and local agreements.

The medical activity will be related to the research projects described in this call for applications.

Concerning the provisions of art. 10 regarding fixed term researchers, issued by Rectoral Decree no. 344 of 29/03/2011 and amendments, the researcher's activities must be linked to the development of research project entitled: "Tissue repair is a fundamental task for plastic surgeons that master the techniques of this specialistic surgery. These skills are made available for many scientific disciplinary sectors, both medical and surgical".

The research will focus on autologous adipose tissue transplantation, mesenchymal stem cells, growth factors, platelet rich plasma, biological membranes and other tissue repair methods. The clinical application is aimed at wound healing, correction of morphofunctional deformity of the face, labiopalatoschisis, congenital deformity, post mastectomy , lesions of the upper and lower limbs, burns and other deficit of skin substance. The aim of the research is to identify procedures that may have interdisciplinary clinical application in collaborating with other specialists such as general surgeons, internists, dermatologists, orthopedists, maxillofacial and vascular surgeons. The skills of the researcher specializing in plastic surgery are crucial for conducting research in the field of tissue regeneration, as they allow the integration of biological issues with clinical practice. Objective of the

research project: it is requested that during the duration of the contract the researcher undertakes to publish articles in peer-reviewed journals and to participate in national or international scientific congresses in the field of competence.

### **Art. 3 - Admission requirements**

The selection is open to applicants who have obtained national academic qualification as full or associate professor pursuant art. 16 della L. 240/2010, or who in possession of the title of medical specialization, or to applicants who have had for at least three years, even if not consecutive, contracts as fixed-term researcher, for at least three years, pursuant to art. 24 paragraph 3 letter a) of Law 240/2010 (junior), or contracts as research fellow pursuant to art. 51 paragraph 6 of Law 449/97 and amendments, or pursuant to art. 22 of Law. 240/2010, or postdoctoral research scholarships pursuant to art. 4 of Law 398/89, or equivalent contracts or scholarships in foreign universities, or contracts as fixed-term researcher for at least three years pursuant to art. 1, paragraph 14 of Law 230/2005.

Applicants, including those who come from non-EU countries, must be in possession of:

- High School of Specialization in Reconstructive and aesthetic plastic surgery or equivalent qualification obtained in Italy or abroad, as well as the authorization to practice surgical doctor in Italy.

Applicants must be in possession of said qualification at the date of the deadline for the submission of applications to the present selection. In case of High School of Specialization obtained abroad, please include a statement of equivalence with the Italian title pursuant to art. 38 of Legislative Decree. N. 165/2001, or art. 74 of D.P.R. 382/1980. Pending the release of the only result of equivalence by the designated offices, it is possible to produce the delivery receipt of the request instance of the same (for the release procedure, see page: <http://www.cimea.it/it/servizi/procedure-di-riconoscimento-dei-titoli/riconoscimento-non-accademico.aspx>).

Applications from professors, associate professors, or researchers with tenure will not be accepted, even if the applicant is not in service.

The selection is not open to any persons who are related by blood or by marriage up to the fourth degree, to a professor or full-time researcher working in the Department of Medicina specialistica, diagnostica e sperimentale - DIMES, or the structure proposing the activation of the contract, or to the Rector, Director General or a member of the Board of Governors of the University. Equally the selection is not open to the spouse or partner of a professor or full-time researcher working in the above-mentioned Department.

State employees may on unpaid leave for the entire duration of the contract, thus occupying a non-tenure position without pay or social security contributions, in cases where such a position is allowed by the structure of origin, likewise without pay or social security contributions.

### **Art. 4 – Application procedure**

The submission of the application for participation in the selection must be made exclusively via electronic procedure by accessing the following link:

<https://concorsi.unibo.it>

**Call deadline:** 02.nd July 2018 at 12:00 a.m. (Central European Time CET)

The application must be submitted at the same time with the insertion of all the attached documentation required.

The following documents shall be enclosed to the electronic application form (preferably files: PDF, other supported files: JPG, BMP, PNG):

1. identification document scanned (10MB max);
2. curriculum vitae with indication of the scientific-professional activity(10MB max);

3. reference letters, if any. Letters can be submitted directly by the candidate uploading it during the application, in case of possession (10MB max), or can be submitted by the referee. In this case candidates should provide the referee email address. The system will send an automatic request to the referee, referring to the candidate and the procedure. The referee must submit his letter through the link into the email. At this address he/she will upload his/her letter by the application deadline in order to be considered as part of the candidate's application.

4. scientific publications (max 12: other supported files are TIFF and PS, 20MB max each document) which are already printed at the date of the call of application deadline, or scientific publications accepted for printed, together with the editor acceptance letter. While uploading each document will be asked to indicate the title, the authors' names, the editor, the year of publication. Optional information are the month, the ISBN code, the DOI code, the booklet number.

Pursuant to Ministerial Decree 243/11, the PhD thesis is considered a publication, and thus if presented by the candidate it shall be included in the maximum number indicated (12).

While applying, applicants shall declare under their own responsibility:

1. surname and name;
  2. place and date of birth;
  3. citizenship;
  4. residence address;
  5. (if Italian citizens) registration to electoral rolls. If any, the reasons why he/she is not registered or cancelled from them;
  6. that there have not been any criminal proceeding against them or current criminal proceedings; otherwise, applicants shall specify the proceedings against them (in addition, specify if, remission, pardon or expungement etc. were granted) and pending penal proceedings;
  7. possession of the qualification required pursuant to Art. 3 of this call for application and the mark obtained, if any;
  8. to be fit to the employment the selection refers to;
  - 9 that they are not, nor have been, professors, associate professors or researchers with tenure, even if not in service;
  - 10 That they are not related by blood or by marriage up to the fourth degree, to any professor or full-time researcher working in the Department of Experimental, Diagnostic and Specialty Medicine - DIMES or the structure proposing the activation of the contract, or to the Rector, Director General or a member of the Board of Governors of the University of Bologna, nor they are the spouse or partner of a professor or full-time researcher working in the same Department.
  11. elected e-mail address for the purpose of the participation in this contest;
- Foreign citizens shall also declare to have a proper knowledge of Italian and to enjoy civil and political rights also in their origin countries or the reasons for loss of enjoyment.

Any modification shall be timely communicated to the Ufficio Ricercatori a tempo determinato. In case of technical problems, contact the support: [assistenza.cesia@unibo.it](mailto:assistenza.cesia@unibo.it) .

#### **Art. 5 – Applicants' obligations**

The penalty of exclusion from the selection shall apply in the following cases:

- Non compliance with the terms established for posting the application form;
- Lack of the requirement pursuant to art. 3 of the present call for application (qualification).

All applicants shall be admitted to the contest and the Administration reserves the right to check that they actually are in possession of the requirements necessary to apply for the selection; the Administration may, at any time and even after the exams, order the exclusion from the selection hereto.

#### **Art. 6 – Selection Board**

The Selection Board will be appointed upon administration resolution and will generally consist of at least three members chosen by the Department from lecturers and researchers in the scientific sector for which this selection is made Sector competition reference 06/E2 - Chirurgia Plastica-Ricostruttiva, Chirurgia Pediatrica e Urologia.

The Commission finds inside a chairperson and recording secretary. The function of secretary may also be performed by an official, specially appointed.

The appointment will be published on Alma Mater Studiorum - University of Bologna website.

#### **Art. 7 – Selection procedure**

The selection procedure is carried out by the Board after a preliminary evaluation of each candidate's qualifications, curriculum and scientific production, including the doctoral thesis, according to the criterion identified by the MUIR in D.M. 243/2011.

The candidates chosen in the preliminary evaluation based on their comparative merits - between 10 and 20% of the number of applicants and not less than 6 - will then be called for interview. The interview will consist of a discussion of the candidate's qualifications and scientific production and may take the form of a seminar open to the public. If the total number of candidates is 6 or less all candidates will be interviewed.

Letters of reference will be considered.

The interview will be held in Italian. During the interview, candidates must also demonstrate suitable knowledge of the English language.

Following the interview, points will be assigned to each qualification and publication presented by the candidate.

The interview with the Board will be held in public session.

Confirmation of the date, time and address of the discussion and the list of candidates admitted for interview will be published at least 20 days before the interview on the University website at:

<http://www.unibo.it/Portale/Personale/Concorsi/RicercatoriTempoDeterminato/default.htm>.

The publication on the University website will constitute official notification to all applicants, without any obligation for any further communication.

The publication will be communicated by email to the address indicated by the candidates in the application.

The Alma Mater Studiorum - University of Bologna does not assume any responsibility for the non-receipt or the not-read of the e-mail.

It is up to candidates to keep themselves informed by consulting the University website page to find necessary information about selection.

Candidates attending the interview must bring a valid identification document with them.

EU citizens shall bring their passport or an identity document issued by their country of origin. Non-EU citizens shall bring their passport.

#### **Art. 8 – Ranking List and recruitment**

After the exams, the Board will draw up a merit-based ranking list.

On equal merit, priority will given to the youngest candidate.

The merit-based list based is approved by resolution of the administration and is valid for three years and published in Alma Mater Studiorum – University of Bologna Official Bulletin.

The terms to lodge any appeal shall start from the date of publication of the notice, or any other method of disclosure of the resolution.

The use of the ranking list is strictly bound to study and research needs for the subject area MED/19 - Chirurgia Plastica as laid down in the call.

The Department of Experimental, Diagnostic and Specialty Medicine - DIMES will propose recruitment by a majority vote of the professors and associate professors of the Department and approved by the Board of Governors.

The Department will also propose the date of commencement of employment contract.

#### **Art. 9 – Employment procedures**

Following the conclusion of the recruitment procedure referred to in art. 8, the candidates will be asked to sign a fixed-term contract of full-time employment.

The employment relationship is governed by a personal contract, statutory laws and EC regulations. The medical activity is governed by the national collective agreement for medical staff and the specific appointment granted by the Ospedale S. Orsola – U.O. Chirurgia Plastica.

The personal contract shall specify any reasons for which it might be terminated, as well as the relevant periods of notice. In any case the contract will be terminated immediately and without notice in the event of the cancellation of the recruitment procedure to which it is inalienably linked.

The trial period shall last three months. At the end of the period, unless the employment relationship has been terminated by either of the parties, the employee is confirmed for service and the whole period worked from the beginning of the contract shall be calculated for seniority purposes.

#### **Art. 10 – Required documents**

All the documents written in any foreign language shall be accompanied by a true and correct translation into Italian, written by an Italian consular, a qualified diplomatic representative, or an official translator.

#### **Art. 11 Rights and duties of a researcher with a fixed-term contract of employment**

In accordance with the rights and duties of public employees prescribed by the Italian civil code, on signing the contract the researcher will be expected to perform all those activities mentioned in Art. 2. These activities will be carried out in respect of the existing hierarchy and in coordination with existing programmes and research projects.

The researcher will perform the requested activities in person, substitution is not permitted.

Existing Italian laws concerning maternity, injury and illness will be applied.

The researcher will also assume rights and duties related to the medical care services mentioned in Art. 2.

The researcher undertakes to fulfill the obligations of conduct prescribed by the code of conduct, issued by DPR 62/2013.

#### **Art. 12 Processing of personal data and person in charge for the contest**

Personal data sent by applicants through their application form for the purposes of the contest, under Leg. Decree no. 196/2003, will be treated for the purposes of the contest and any hiring procedure. The person in charge of the contest is Mr. Gianfranco Raffaelli, Responsabile dell'Ufficio Ricercatori a tempo determinato - Piazza Verdi n. 3 - 40126 Bologna.

For further information, please contact: Ufficio Ricercatori a tempo determinato dell'Alma Mater Studiorum - Università di Bologna – Piazza Verdi n. 3 - Tel. +39 051 2099617 – 2098958 - 2098972, Fax 051 2086163; e-mail: apos.ricercatoritempodeterminato@unibo.it.

#### **Art.13 - Reference Regulations**

The present notice is issued based on the following regulations:

- Art. 24 of Law no. 240 dated December 30th, 2010;
- D.P.R. (Decree of the President of the Republic) no. 445 dated December 28th, 2000;
- Leg. Decree no. 165 dated March 30th, 2001;
- Law 241/1990;

- Regulation for fixed-term researchers of Alma Mater Studiorum – University of Bologna, (link: [http://www.normateneo.unibo.it/NormAteneo/Regolamento\\_ricercatori\\_a\\_tempo\\_determinato.htm](http://www.normateneo.unibo.it/NormAteneo/Regolamento_ricercatori_a_tempo_determinato.htm)).

Bologna, 31/05/2018\_\_
