WITH REFERENCE TO the rules referred to in Article 14 of the present call for application

ORDERS

Art. 1 – Purpose

A procedure of comparative evaluation by qualifications and public discussion is called for the recruitment of 2 researchers with a fixed-term employment contract full-time for the three-year - pursuant to art. 24 paragraph 3 letter b) (senior) of Law no. 240/2010 -. Sector competition reference 14/C1 - General Sociology, Scientific sector SPS/07 - General Sociology.

The jobs are activated respectively for the needs of research and study of the Department of Sociology and Business Law - SDE, 1 project and for the Department of Political Sciences – SPS, 1 project. Serving primarily at the Department of Sociology and Business Law - SDE, in Forlì and the Department of Political Sciences – SPS in Bologna.

Each contract shall last three years. An annual gross total amount equal to € 41.878,00. The annual increase in this amount will be calculated according to the existing procedure for non-contracted personnel.

Art. 2 – Activities to be performed

Each contract includes 350 hours of supplementary teaching and assistance to students, for each academic year covered by the contract. The contract shall schedule 60 hours of teaching on annual basis.

Concerning the provisions of art. 10 regarding fixed term researchers, issued by Rectoral Decree no. 344 of 29/03/2011 and amendments, the researcher's activities must be linked to the development of the 2 project:

-Project 1: “Young people, adults and participation: micro-sociological processes and intergenerational relationships in the participative sphere” - Department of Sociology and Business Law - SDE (Forlì).

The project: the researcher's activities must be linked to the development of a project that – using the theoretical and methodological tools of sociology – will analyse micro-sociological processes and intergenerational relationships between young people and adults in participative contexts. The researcher will be asked to elaborate a research plan consistent with the scientific and methodological approaches of the Department and the specific SPS/07 scientific sector (General sociology).

The scientific productivity goals to be fulfilled during the three-year contract period are the publication of a monograph (with a prestigious publisher) or at least two articles in international A-level journals (according to the ANVUR ranking). The researcher is expected to take part (as organizer or speaker) to national and international conferences and to spend periods abroad aimed at enhancing his/her theoretical and methodological competences and/or at conducting empirical analyses concerning the research project. Submission of at least one project grant application to national or international funding institutions, either as individual applicant or in the context or broader collaborative research

projects, is also expected. The researcher is also expected to participate in primary teaching activities, supplementary teaching, student services, and the Department's institutional activities.

-Project 2: "Innovative Topics and Techniques in the Study of Social Institutions, Change, Inequality and Policies" - Department of Political Sciences – SPS (Bologna).

The researcher's activities must be linked to the development of the said project, the candidate will be asked to pursue a research path consistent with the scientific and methodological approach of the Department and the specific SPS/07 scientific sector: General Sociology.

The scientific productivity goals to be fulfilled by the researcher during the three-year contract period are the publication of a monograph (with a prestigious publisher) or at least two articles in international A-level (according to ANVUR ranking) or equivalent-impact scientific journals. Furthermore, active participation in national and international seminars and conferences is desirable, as well as periods abroad dedicated specifically to research. Submission of at least one project grant application to national or international scientific funding institutions, either as an individual applicant or in the context of broader collaborative research projects, is also expected. The researcher is also expected to participate in primary teaching activities, supplementary teaching, student services, and the department's institutional activities.
