

First Name: Alessandro
Last Name: Di Federico
Date of birth: June 2nd, 1992
Email: alessandrodifederico1@gmail.com

Title MD. Medical Oncologist.

Current position

November 2025-current: Research Fellow, Memorial Sloan Kettering Cancer Center, New York, USA.

November 2023-current: PhD student, Hematology, Oncology, and Pathology, University of Bologna, Italy.

Education and training

July 2011: Secondary School Diploma at Liceo Classico "G.B. Vico", Chieti, Italy.

September 2015–July 2016: Erasmus Fellowship at Universidad Complutense de Madrid, Hospital Clinico San Carlos, Madrid, Spain (1 year of medical school).

August 2016–September 2016: 1 month of medical school traineeship at Mother Theresa University Hospital, Skopje, North Macedonia.

17 October 2017: Degree in Medicine and Surgery at the University of Parma.
Thesis: "Impact of combined structural and immune features on NSCLC clinical outcome"
Final grade: 110/110 cum laude

13 February 2018: License to practice as Medical Doctor. Ordine dei Medici Chirurghi e degli Odontoiatri di Chieti, Italy.

November 2018–November 2023: Specialty with honours in Medical Oncology at IRCCS Azienda Ospedaliero-Universitaria di Bologna, S.Orsola-Malpighi Hospital, University of Bologna, Italy.
Mentor: Dr. Andrea Ardizzoni.

July 2022–June 2025: Research Fellowship (Visiting Scientist) at the Lowe Center for Thoracic Oncology, Dana-Farber Cancer Institute, Harvard Cancer Center, Boston, MA, USA.
Mentors: Dr. Mark M. Awad; Dr. Biagio Ricciuti.

December 2022–September 2023: 2023 Association for the Study of Lung Cancer (IASLC) Academy

June 2024: IHC Good Clinical Practice Certification

October 2024:

Advanced Cardiac Life Support Certification

Language Skills

Italian: Mother tongue

English: Listening C2, Reading C2, Writing C2, Speaking C1

Spanish: Listening C2, Reading C2, Writing C1, Speaking C1 (DELE C1 certification)

Digital and Computational Skills

Advanced user of many software and informatic tools that can help my work as a clinician and researcher in oncology, such as R Studio, Prism, Review Manager (RevMan), Comprehensive Meta-Analysis, Microsoft Excel and the complete Microsoft Office package (Word, Power Point etc.), REDCap, Google Drive, Social Medias. Experience with working on online large genomic and clinicopathologic databases, such as cBioPortal, The Cancer Genome Atlas (TCGA), and GENIE, and with the use of informatic tools for cancer genomics, such as COSMIC, OncoKB, CiVIC and VarSome. Access to the Surveillance, Epidemiology, and End Results (SEER) database.

Communication and Interpersonal Skills

Ability to communicate to individuals and groups, organize events, make presentations, and respond to questions in both educational and workplace settings. Skills developed during my medical school and my experiences abroad to study in Madrid (Erasmus Fellowship of one academic year during the med school) and Skopje, North Macedonia (1-month traineeship during the med school), during my work experience as a Medical Oncology Resident/Fellow and Fellows' representative at IRCCS Policlinico Sant'Orsola-Malpighi, as a research fellow at the Dana-Farber Cancer Institute (Boston, US), and during the International Association for the Study of Lung Cancer (IASLC) Academy 2023.

Reviewing and Editorial Activity

Grant reviewer for the International Association for the Study of Lung Cancer (IASLC).

Previously Associate Editor for Cancer Immunology, Immunotherapy. Review Editor for Frontiers in Oncology and Frontiers in Immunology. Invited Guest Editor for Diagnostics.

Ad-hoc reviewer for several highly impacted journals, including Journal of Thoracic Oncology, Journal for Immunotherapy of Cancer, BMC Medicine, Critical Reviews in Oncology/Hematology, Nature Scientific Reports and Journal of Cancer Research and Clinical Oncology.

Active Memberships

Active member of the European Society for Medical Oncology (ESMO), International Association for the Study of Lung Cancer (IASLC), and Society for ImmunoTherapy of Cancer (SITC).

Activity in International Oncology Societies

I am a Career Development Committee member in the International Association for the Study of Lung Cancer (IASLC), years 2023-2027. I served as the ESMO Immuno-Oncology conference 2023 meeting correspondent for the Society for Immunotherapy of Cancer (SITC).

Speaker activity

- RAS Searchlight Network quarter meetings.
- IASLC World Conference on Lung Cancer 2023, Singapore. Mini oral presentation of the study titled: "Association of TTF-1 expression with outcomes to immunotherapy and KRAS G12C inhibition in lung adenocarcinoma".
- O.P.E.R.A. Lung, 2024
- European Society of Medical Oncology (ESMO) podcast, 2024

Awards

- 2023 International Association for the Study of Lung Cancer (IASLC) Academy
- IASLC Targeted Therapies of Lung Cancer Meeting Education Award (2023 and 2025)
- Fondazione F. Calabresi Onlus Award - conference "Grandangolo 2023"
- European Lung Cancer Conference (ELCC) 2024 Merit Travel Award
