## Personal information

First name(s) / Surname(s)

**Andrea Ranzi**

FC/VAT

RNZNDR69C30F257Q

Telephone(s)

+39 059 433625 (work), +39 +39 059270816 (home)

Mobile: +39 3497735582

Address(es)

Via Braghiroli 63, 41125 Modena – Italy

E-mail

[aranzi@arpae.it](mailto:aranzi@arpae.it) (work); [andrea.ranzi@fastwebnet.it](mailto:andrea.ranzi@fastwebnet.it) (personal e-mail)

Nationality

Italian

Date of birth

30/03/1969

Gender

Male

## Work experience

Dates

October 1998 – ongoing

Occupation or position held

**Project manager in environmental epidemiology**

Main activities and responsibilities

Managing and implementing projects on exposure assessment methods and modelling, epidemiological studies on environmental-health issues at regional, national and European level. Scientific responsible of a national project on Impact Assessment of Waste Management. Leader of the Epidemiological analyses WP of the 7 million Euros project “Supersite – Air quality and human health” founded by the Regional Authority. Responsible of health impact activities in different national projects. Involved in several European projects on environmental-health issues, and Working groups managed by WHO on Environmental Justice and Contaminated Sites.

Name and address of employer

Regional Agency for Environmental Prevention, Regional Centre for Environment and Health – Viale Giardini 472/L, 41126 Modena - Italy

Type of business or sector

Environmental Protection and Health Prevention

## International work experiences

Dates

June 2019-June 2020

Occupation or position held

**WHO temporary adviser**

Main activities and responsibilities

WHO supplier for activities on contaminated sites and health, with particular reference to health impact assessment of large industrial facilities

Name and address of employer

WHO Regional Office for Europe

Type of business or sector

Health Impact Assessment

Dates

March 2019 - December 2019

Occupation or position held

**Adjunct Professor**

Main activities and responsibilities

Undergraduate course in Environmental Epidemiology

Name and address of employer

University of Bologna – Dept. Statistical Sciences “Paolo Fortunati”

Type of business or sector

Teaching

Dates

March 2017 - March 2019

Occupation or position held

**Short-term expert (STE) – Twinning project “ENI/2015/037-862 GE/22, “Institutional Strengthening of Environmental Health System of Georgia”**

Main activities and responsibilities

Health Impact Assessment: Activities and training

Name and address of employer

EU Commission (NCDC & PH National Center for Disease Control & Public Health - Georgia)

Type of business or sector

Health Impact Assessment, Environmental Epidemiology

|                                      |  |
|--------------------------------------|--|
| Dates                                | September 2016 - December 2016   |
| Occupation or position held          | <b>WHO temporary adviser and APW</b>   |
| Main activities and responsibilities | WHO supplier (APW contract) for the development of analyses of health impact of waste-related exposures in EU.   |
| Name and address of employer         | WHO Regional Office for Europe   |
| Type of business or sector           | Environmental Epidemiology   |
| Dates                                | September 2015 - December 2015   |
| Occupation or position held          | <b>WHO temporary adviser and APW</b>   |
| Main activities and responsibilities | Temporary adviser and APW for the organization and follow-up of the WHO meetings " <i>Waste and human health: evidence and needs</i> ", held in Bonn on 5-6 November 2015. |
| Name and address of employer         | WHO Regional Office for Europe   |
| Type of business or sector           | Environmental Epidemiology   |
| Dates                                | July 2010 – June 2016  |
| Occupation or position held          | <b>WP Leader - "Supersito" project</b>   |
| Main activities and responsibilities | Management of project activities related to epidemiological analyses WP on short- and long-term effects of urban aerosol on health   |
| Name and address of employer         | Arpae Emilia-Romagna   |
| Type of business or sector           | Environmental Epidemiology   |
| Dates                                | March 2011 – June 2011   |
| Occupation or position held          | <b>WHO temporary adviser</b>   |
| Main activities and responsibilities | Temporary adviser to the group meetings and contributor of the WHO report "Environmental health inequalities in Europe. Assessment report".                                |
| Name and address of employer         | WHO Regional Office for Europe   |
| Type of business or sector           | Environmental Justice  |
| Dates                                | November 2011 and June 2012  |
| Occupation or position held          | <b>WHO temporary adviser</b>   |
| Main activities and responsibilities | Temporary adviser of the WHO working group on "Contaminated sites and health".   |
| Name and address of employer         | WHO Regional Office for Europe   |
| Type of business or sector           | Environmental Epidemiology   |
| Dates                                | February 2008– July 2008   |
| Occupation or position held          | <b>Short-term expert (STE) – Twinning project. Rising awareness on exposure based risk assessment of chemicals</b>   |
| Main activities and responsibilities | Teaching risk assessment   |
| Name and address of employer         | EU Commission (Ministry of Social Affairs - MoSA), Estonia   |
| Type of business or sector           | Twining Project, Risk assessment   |
| Dates                                | April 2006– October 2008   |
| Occupation or position held          | <b>Short-term expert (STE) – Twinning project. Capacity building in the field of environmental health</b>  |
| Main activities and responsibilities | Teaching environmental health issues   |
| Name and address of employer         | EU Commission (Nofer Institute, ARPA Emilia-Romagna), Poland   |

| Occupation or position held          | <b>Short-term expert (STE) – Twinning project. PHARE</b>                           |
| Main activities and responsibilities | Implementation of Epidemiology and statistical education                           |
| Name and address of employer         | EU Commission (Polish Ministry of health, Italian Ministry of Environment), Poland |
| Type of business or sector           | Twining Project, Environmental Epidemiology  |

### Education and training

|  |   |
|--|---|
| Dates  | January 2009- January 2011  |
| Title of qualification awarded                                 | <b>Master of Science (M.Sc.) in Epidemiology</b>                              |
| Principal subjects / occupational skills                       | Statistics and Epidemiology   |
| Name and type of organisation providing education and training | University of Turin   |
| Dates  | November 1994 – November 1998   |
| Title of qualification awarded                                 | <b>PhD in Human Morphological Sciences</b>                                    |
| Principal subjects / occupational skills                       | Morphometry, medical statistics, mathematical model of growth of human organs |
| Name and type of organisation providing education and training | University of Bologna   |
| Dates  | October 1987- March 1992  |
| Title of qualification awarded                                 | <b>Degree in Mathematics</b>  |
| Name and type of organisation providing education and training | University of Modena  |

### Personal skills and competences

Mother tongue(s) **Italian**  
 Other language(s)

Self-assessment

*European level*

**English**

| Understanding |                  |         |                 | Speaking           |                  |                   |                  | Writing |
|---------------|------------------|---------|-----------------|--------------------|------------------|-------------------|------------------|---------|
| Listening     |                  | Reading |                 | Spoken interaction |                  | Spoken production |                  |         |
| C1            | Independent user | C2      | Proficient user | C1                 | Independent user | C1                | Independent user | C2      |

Organisational skills and competences Very good capability in organizing and coordinating working groups, at national and international level. Cleverness in linking different professional skills. Ability to work in team and to plan, organize, and keep projects going.

Technical skills and competences Experience in handling and integrating huge datasets, define suitable indicators, data-mining procedures, statistical and epidemiological analyses. Experience in producing technical reports and presentations, and teaching in courses on environmental, health and statistic arguments

Computer skills and competences Advanced skill (programming) with database (Access) and statistical packages (Stata); Advanced use of ArcGis, Office. Working knowledge of SPSS, R

## European Projects

- Twinning project “ENI/2015/037-862 GE/22, “Institutional Strengthening of Environmental Health System of Georgia”, 2018-2019
- ICSHNet - COST-Action – 2015-2019
- “Exposomics” (FP7 Grant - ENV.2012.6.4-3) – 2013-2017 (invited expert)
- “Equity Action” Project (Framework of the Health Programme of European Union), 2011-2012.
- “Escape - European Study of Cohorts for Air Pollution Effects” - ENV.2007.1.2.2.2. FP7 Project (invited expert), 2008-2012
- Med-Particles - “Particles size and composition in Mediterranean countries: geographical variability and short-term health effects” EU-LIFE10 ENV/IT/327, 2010-2012
- INTARESE – Integrated Assessment of Health Risks of Environmental Stressors in Europe. EU-FP6. (invited expert), 2007-2011
- Twinning Project Light “Rising awareness on exposure based risk assessment of chemicals” EE05/IB/TWP-ESC-09, 2009.
- INTERREG-IIIC Project “Enhance Health – Environmental Health Surveillance System in Urban Areas, near Incinerators and Industrial Premises”(2004-2006)
- “Development of Environment and Health Indicators for the EU countries” ECOEHIS, 2001.
- Twinning Project “Capacity building in the field of environmental health”- PL2005/IB/EN/02, 2001-2003.
- Twinning Project “Management System on Drinking Water Monitoring in Chief Sanitary Inspectorate” - PL2004/IB/EN/02, 2002-2003.
