

Curriculum Vitae, Annalisa Pelizza

A. Personal data

Academic title: Full professor

Email: apelizza@cc.au.dk; annalisa.pelizza2@unibo.it

OrcID.org/0000-0002-7720-5659

B. Academic education and qualifications

2004 – 2008 Doctorate

University of Milan-Bicocca

Ph.D. program “QUA_SI – Quality of Life in the Information Society”. (Interdisciplinary program encompassing Sociology and Social Sciences, Education and Media Studies, Computer Sciences, Economics and Organization)

Thesis title: “Tracing Back Communities. An analysis of Ars Electronica’s Digital Communities archive from an ANT perspective”. Defended on March 2nd, 2009.

Promotor: Prof. Guido Martinotti

Research partners: *Ars Electronica*, International Festival for Art, Technology and Society, Linz (AT) and *Ludwig Boltzmann Institute Media.Art.Research*, Linz (AT)

Final evaluation: outstanding (5/5).

1997 – 2003 Master degree (“Laurea”, pre-Bologna process, five years)

University of Bologna

Program in Media Studies and Communication

Thesis title: “Semio-activism: Analysis of television coverage of the social movements reclaiming a new humanism”. Defended on November 17, 2003.

Final evaluation: 110/110 *cum laude*

C. Appointments

Date: November 2023 / Current

Employer’s name: **University of Århus** (DK), School of Communication and Culture, Department of Digital Design and Information Studies

Occupation or position held: Full Professor, 0.5 fte, selected

Main activities: 1) Researcher; 2) teacher, PhD supervisor; 3) administration.

Date: September 2019 / Current

Employer’s name: **University of Bologna** (IT), Department of Philosophy and Communication

Occupation or position held: Professore Ordinario (Full Professor), 1 fte (0.5 fte from November 2023), invited, tenured

Main activities: 1) Researcher and PI of ERC project and other grants; 2) teacher at bachelor and master

CV Annalisa Pelizza

level, PhD supervisor; 3) administration, member of university and departmental committees (see Section H).

Date: October 2016 / August 2019

Employer's name: **University of Twente** (NL), Faculty of Behavioural and Management Studies, Department of Science, Technology and Policy Studies (STePS)

Occupation or position held: Universitair Hoofdocent (Associate Professor), 1 fte, invited, tenured

Main activities: 1) Researcher; 2) teacher; 3) administration

- 1) Principal Investigator ERC project "Processing Citizenship: Digital registration of migrants as co-production of citizens, territory and Europe";
- 2) Teacher at bachelor and master level, PhD supervisor;
- 3) Member of faculty and university boards (see Section H)

Date: September 2013 / September 2016

Employer's name: **University of Twente** (NL), Faculty of Behavioural and Management Studies, Department of Science, Technology and Policy Studies (STePS)

Type of business or sector: higher education (university)

Occupation or position held: Marie Curie IEF fellow, Universitair Docent (Assistant professor), 1 fte

Main activities: 1) Principal Investigator of the "Translating Institution" research project funded under the EU FP7 Marie Curie IEF actions, until September 2015; 2) teacher at bachelor and master level, PhD supervisor; 3) administration at departmental and faculty level.

Fellowships and visits

2019-2024

Guest professor, **University of Twente** (NL)

February-June 2017

Resident fellow, **Paris Institute of Advanced Studies**, Paris (FR)

December 2016

Visiting fellow, **Munich Center for Technology in Society**, Munich (DE)

2006 / 2008

Visiting Ph.D. candidate, **Ludwig Boltzmann Institute Media.Art.Research** and **Ars Electronica**, Linz (AT).
Ph.D. research on digital communities. Results: PhD thesis (Pelizza 2009b), book (Pelizza 2018).

August 2006

Visiting graduate student, Seminar in Experimental Critical Theory 'Technospheres: Futures of Thinking'.
Human Research Institute, University California Irvine, CA (US).

E. Teaching experience

A.Y. 2024/2025

"Future of IT" course, master program in Information Studies, Aarhus University.

A.Y. 2024/2025, 2023/2024

"Organizational Ethnography" course, bachelor program in Information Studies, Aarhus University.

A.Y. 2024/2025, 2023/2024, 2022/2023, 2021/2022

"Science and Technology Studies" course, master program in Semiotics and master program in Philosophy, University of Bologna.

A.Y. 2020/2021, 2019/2020

"Technology Studies of Communication" course, master program in Semiotics, University of Bologna.

A.Y. 2024/2025, 2023/2024, 2022/2023, 2021/2022, 2020/2021, 2019/2020

"Sociology of Communication" course, bachelor program in Communication Sciences, University of Bologna.

A.Y. 2018/2019, 2017/2018, 2015/2016

"Science and Technology Studies" course, master programs "Philosophy of Science, Technology and Society" and "Industrial Design", University of Twente.

A.Y. 2018/2019, 2017/2018, 2016/2017, 2015/2016

"Analysing Technology in Society" course, "Reflection in Science and Technology" part of the bachelor program "Advanced Technology", University of Twente.

A.Y. 2018/2019, 2017/2018

"Technology and Migration" course, bachelor program "European Public Administration", University of Twente.

A.Y. 2016/2017, 2015/2016

"Reflection on data management" and **"Politics by algorithms"** courses, "Reflection in Science and

Technology” part of the bachelor programs “Computer Science”, “Business Informatics”, “Creative Technologies”, University of Twente.

A.Y. 2015/2016, 2014/2015

“**Theory and Practice of Interaction in Digital Art**” course, bachelor program “Creative Technologies”, University of Twente.

PhD supervision

2019/2023 Promotor of Lorenzo Olivieri’s PhD thesis “Temporalities of migration: Time, data infrastructures and intervention” in the context of the ERC project “Processing Citizenship”, Department of Philosophy and Communication, University of Bologna (IT).

2018/2024 Promotor (with prof. S. Kuhlmann and dr. M. van Keulen) of Wouter van Rossem’s PhD thesis “Finding Blind Spots. Investigating identity data matching in transnational commercialized security infrastructures and beyond” in the context of the ERC project “Processing Citizenship”, Department of Science, Technology and Policy Studies (STePS), University of Twente (NL).

2015/2017 Co-supervisor of Jesper Katomero’s PhD thesis “Accountability as an Element of Governmentality”, Department of Science, Technology and Policy Studies (STePS), University of Twente (NL). Promotor: prof. R. Hoppe. (Reference letter by PhD candidate available).

2014/2016 Co-supervisor of Carla Alvia Palavicino’s PhD thesis “Mindful Anticipation. A practice approach to the study of expectations in emerging technologies”, Department of Science, Technology and Policy Studies (STePS), University of Twente (NL). Promotor: prof. S. Kuhlmann. (Reference letter by PhD candidate available).

Master and bachelor supervision in Information Studies at Aarhus University. Bachelor and master student supervision in STS and Sociology of Communication at the University of Bologna. Master and bachelor student supervision in Reflection in Science and Technology, Science and Technology Studies, IT Policy and Philosophy of Technology at the University of Twente.

Professional teaching

September / November 2007 and March / April 2009

Lecturer and designer, “ICT for the decentralization of the public administration” course. Course funded by Emilia-Romagna Regional Government, in collaboration with Italian Union of Provinces and National Association of Italian Municipalities. Intended audience: government employees and executives.

F. Lectures, keynote, conferences

Invited presentations and keynote lectures (selection, since 2016)

[To be updated]

CV Annalisa Pelizza

16 October 2024

Keynote speaker, Autumn School "Politics of connections: Investigating the sociotechnical arrangements of data in transit". Participation based on invitation, CNIL and EHESS Paris (FR).

19-21 September 2024

Keynote speaker, final conference ERC project "Security Flows" (PI Prof. Claudia Aradau), participation based on invitation, King's College London (UK).

16 - 18 September 2024

Member of scientific board and plenary speaker, 7th Innovation in Information Infrastructures (III) Conference, ESADE Barcelona (SP).

29 August 2024

Sub-plenary speaker, European Sociological Association. Participation based on invitation, Porto (PT).

04 June 2024

Keynote speaker, launch of the Center for Critical Data Practices. Participation based on invitation, Aarhus University (DK).

28 June 2023

Designer and chair, roundtable "In Memoriam of Bruno Latour: Drawing Bruno Together" with Madeleine Akrich, Huub Dijstelbloem, Paul Edwards, Noortje Marres, Alvis Mattozzi, Tommaso Venturini. IX *STS Italia* conference, University of Bologna (IT).

28 June 2023

Discussant to H. Dijstelbloem's keynote "Extreme infrastructures: transversal relationships between the technopolitics of climate change adaptation and international migration". IX *STS Italia* conference, University of Bologna (IT).

27 June 2023

Designer and chair, roundtable "When alterity and politics are made together: Theories and methods to address an old dilemma" with Noortje Marres, Lucy Suchman, Sally Wyatt, Aristotle Tympas. *Processing Citizenship* final conference, University of Bologna (IT).

20 April 2023

With C. Loschi, keynote lecture to the "Governance of borders and digital technologies: law and security" program. Participation based on invitation, University Sant'Anna Pisa (IT).

21 March 2023

Participant roundtable on publication strategy for early-career researchers, *STS-MIGTEC* & *Processing Citizenship* Joint Workshop, participation based on invitation, University of Bologna (IT).

19 January 2023

Keynote opening lecture, participation based on invitation, 40th Anniversary of the Italian Sociological Association (AIS) (IT).

08 December 2022

Invited speech, Round table in memoriam of Bruno Latour, Society for Social Studies of Science (4S), Cholula (MX).

07 November 2022

Invited lecture, Netherlands Graduate School in Science, Technology and Modern Culture (WTMC) Autumn School, Amsterdam (NL).

19 October 2022

Invited lecture, Trento University, 60th Anniversary of the Department of Sociology and Social Sciences (IT).

23 September 2022

Invited speaker, Trieste Next, "When machine think too much" roundtable.

09 July 2022

Keynote opening lecture, participation based on invitation, European Association for the Study of Science and Technology Conference 2022 'Politics of Technoscientific Futures', Madrid (ES).

01 April 2022

Keynote lecture, participation based on invitation, "Boundary Crossing and Participation: Translation in Migration and Education" conference, MLU Halle-Wittenberg (DE).

09 February 2022

Invited lecture, Nexa and Polytechnic University of Turin (IT).

16 September 2021

Invited lecture, Uppsala Forum, University of Uppsala (SE).

23 August 2021

Invited lecture, "Borders and Migration in Digital Times" Summer School, Center B/ORDERS IN MOTION, Europa Universität Viadrina (DE).

16 November 2020

Keynote opening lecture, participation based on invitation, "Making Europe through infrastructures of (in)security" workshop, University of Vienna, Austria (AT).

15 September 2020

Keynote opening lecture, participation based on invitation, European International Studies Association (EISA) Early Career workshop series (Malta).

13 December 2019

Panel convenor and presenter, participation based on invitation, 'Towards an STS approach to identification?' panel. Netherlands Graduate School in Science, Technology and Modern Culture (WTMC) Annual Meeting, Amsterdam (NL).

15-16 November 2019

Keynote lecture, participation based on invitation, 'Technologies et migrations. Corps, identités et technologies digitale dans le phénomène migratoire contemporain', CETCOPRA, Université Sorbonne Paris 1 (FR).

2 September 2019

Keynote lecture, participation based on invitation, 'STS and migration infrastructures' lecture series, Kassel University (DE).

CV Annalisa Pelizza

03 June 2019

Keynote lecture 'Technology and Infrastructures. Digital registration of migrants as techno-social assemblage', participation based on invitation, Utrecht Center for Global Challenges, 'Digitized Global Mobilities. The Role of New Media and Digitization in the security approaches of the refugee crisis', Utrecht University (NL).

15-17 November 2018

Lecture, participation based on invitation

'B/ORDERS IN MOTION – Current challenges and future perspectives' conference, organized by Collegium Polonicum (Słubice) and European University Viadrina (Frankfurt/Oder), Frankfurt/Oder (DE).

29 August-1 September 2018

Presentation, 'Us and Them: Sociotechnologies of Alterity/Otherness' closed panel convened by L. Suchman, with K. Barad, M. Christie and H. Verran, A.Say Chan, L. Suchman, participation based on invitation, Annual Conference of the Society for the Social Studies of Science (4S), Sydney (AU).

7 June 2018

Lecture, 'ICT and the management of refugee flows and services' workshop, participation based on invitation Information Systems Department, London School of Economics, London (UK).

10 May 2018

Closing roundtable member, conference 'La Ricerca Scientifica: un valore per il Paese', participation based on invitation, Italian National Research Council, Gruppo 2003, Scienza in Rete, Rome (IT).

27-28 November 2017

Lecture, 'Varieties of Citizenship in a Globalised World' conference, participation based on invitation, Robert Schuman Centre for Advanced Studies, European University Institute, Fiesole (IT).

15-16 November 2017

Participant, 'Blockchain4Europe' workshop, European Joint Research Centre and European DG Grow, participation based on invitation, Joint Research Centre of the European Commission, Brussels (BE).

19-20 October 2017

Closing roundtable member, ERC Project *Follow* conference 'Secrecy and Methods in Security Research', participation based on invitation, University of Amsterdam, Haarlem (NL).

7 September 2017

Panel chair and presenter, 2017 Tensions of Europe conference, participation based on invitation, National and Kapodistrian University of Athens, Athens (GR).

26 June 2017

Lecture, participation based on invitation, Télécom ParisTech, Paris (FR).

8 June 2017

Keynote lecture, participation based on invitation, Institute of Communications Sciences (ISCC)/CNRS/Sorbonne/UPMC, Paris (FR).

11 April 2017

Lecture, participation based on selection and invitation, Paris Institute of Advanced Studies, Paris (FR).

16 March 2017

Lecture, 'Peopling Europe through Data Practices' conference, participation based on selection and invitation, ERC project Arithmus, Tate Modern-Goldsmiths, London (UK).

16 December 2016

Keynote lecture, colloquium 'Connected Migrants: encapsulation or cosmopolitanism?', participation based on invitation, Royal Dutch Academy of Sciences, Amsterdam (NL).

08 December 2016

Keynote lecture, *Vorhölzer Forum* lecture, participation based on invitation, Munich Center for Technology in Society, Munich Technical University (DE).

27-28 October 2016

Opening address, participation based on invitation, European Commission and Eastern Partnership Panel on Migration and Asylum, in collaboration with International Organization for Migration, Latvian and Ukrainian governments, Riga (LT).

29 January 2016

Discussion with Karin Knorr-Cetina, participation based on invitation, STS Italia Decennial celebration, University of Rome Sapienza, (IT).

Conferences (selection, since 2016)

16 - 18 September 2024

Presenter (with C. Loschi), 7th Innovation in Information Infrastructures (III) Conference, ESADE Barcelona (SP).

16-19 June 2024

International conference, n. of participants: 4400, every four years

Convenor (with C. Aradau and T. Blanke), Presenter, Presenter of Making & Doing intervention (with L. Olivieri), Joint Conference of the *Society for Social Studies of Science* (4S) and *European Association for the Study of Science and Technology* (EASST), Vrije Universiteit Amsterdam (NL).

13 June 2024

International workshop, n. of participants: 30

Presenter, Workshop "What's (in) a Person? Digital Identity in EU Regulation and Platforms", University of Siegen (DE). Participation based on invitation

09-10 October 2023

International workshop, n. of participants: 30

Presenter, Workshop "Permacrises Infrastructures", Institute of Advanced Studies, University of Amsterdam (NL). Participation based on invitation

28-30 June 2023

International conference, n. of participants: 500

Conference chair, scientific committee member, local organizing committee member, presenter, convenor; *IX STS Italia Conference*, University of Bologna (IT).

CV Annalisa Pelizza

26-27 June 2023

International conference, n. of participants: 30 + 50 remote

Main organizer, funder, convenor and presenter, *Processing Citizenship* ERC projects' final conference, University of Bologna (IT).

21-22 March 2023

International conference, n. of participants: 40

Main organizer, funder, convenor and presenter, *STS-MIGTEC & Processing Citizenship* Joint Workshop, University of Bologna (IT).

08 December 2022

International conference, n. of participants: around 1800, annual

Presenter, Annual Conference of the *Society for Social Studies of Science (4S)*, Cholula (MX).

06-09 October 2021

International conference, n. of participants: around 1800, annual

Presenter, Annual Conference of the *Society for Social Studies of Science (4S)*, Toronto (CA).

13-14 May 2021

International conference, n. of participants: 90

Conference chair, convenor, "Digitizing Peoples in Uncertain Times. Interface methods for data-based interventions on populations" conference, organized by *Processing Citizenship* ERC project, University of Bologna (IT).

18-21 August 2020

International conference, n. of participants: around 2000, every four years

Joint Meeting of the *European Association for the Study of Science and Technology (EASST)* and the *Society for Social Studies of Science (4S)*, Prague (CZ).

Co-convenor (with C. Aradau, King's College London) and presenter, 'Proliferation, dispersal and (in)security: towards new vocabularies for the debate between STS and critical security studies' panel.

27/30 June 2019

International conference, biannual

Presenter, participation based on selection

Tensions of Europe 2019 Conference, University of Luxembourg, Luxembourg.

19/21 June 2019

International conference, biannual

Presenter, participation based on selection

'The web that was: archives, traces, reflections', Research Infrastructure for the Study of Archived Web Materials conference (RESAW), organized by the University of Amsterdam (NL).

25 /28 July 2018

International conference, n. of participants: around 800, biannual

EASST 2018 International Conference, Lancaster (UK).

Panel convener, 'The European Other as site of institutional experiment. Articulating friction in infrastructures for processing alterity' panel (with M. Antonakaki, MCTS Technical University Munich). In addition, presenter of the lecture titled: 'Processing Alterity, Shaping the Europe Order'.

14 /16 June 2018

International conference, n. of participants: around 300, biannual
7th STS Italia International Conference, Padova (IT).

Convener, 'Digital migrants and moving infrastructures' panel (with G. Nicolosi, University of Catania).

24 /26 November 2016

International conference, n. of participants: around 300, biannual
6th STS Italia International Conference, Trento (IT).

Convener, 'Let's Do Retro-ANT' panel (with A. Mattozzi, Free University of Bozen). In addition, presenter of the lecture titled: 'Paradigmatic and Syntagmatic Dimensions of Digital Circulation'.

31 August/03 September 2016

International conference, n. of participants: around 1.500, every four years

Joint Meeting of the European Association for the Study of Science and Technology (EASST) and the Society for Social Studies of Science (4S), Barcelona (ES).

Convener the 'Materializing governance by information infrastructure' panel (with S. Milan, University of Amsterdam and F. Musiani, Institut de Sciences de la Communication/CNRS/Sorbonne). In addition, presenter of the lecture titled: 'Reshuffling the Government Machine. Digital Infrastructures of Bureaucratic Exclusion'.

24/28 July 2016

International congress, n. of participants: around 2.000, annual

World Congress of the International Political Science Association (IPSA), Poznan (PL).

Convener of the 'Reshuffling Administration. Digitization of Governmental Information Systems as State Redesign' parallel session. In addition, presenter of the lecture titled: 'Materializing Autarchy. Counter-evidence of vendor lock-in in cadastral information systems'.

G. Grants, fellowships, awards and scholarships

Role of A. Pelizza	Subject	Origin	Duration	Volume
PI	AUFF Grant "Governance by Infrastructures"	Aarhus University Foundation	2024/ 2027	DKK 3.000.000
PI, supervisor of researcher A. Cretella	Academia-industry programs (PON) for knowledge co-creation "CoronaFood: Nourishing the City" about sociotechnical challenges and innovation in the urban food chain during the Covid-19 pandemic	Italian Ministry of Research	2022/ 2024	Euro 200.000 (approx.)

Supervisor of PI C. Coletta	<p>Marie Skłodowska Curie Actions (MSCA) Global Fellowship. Excellence in Science pillar Highly competitive (10% success rate) fellowship for excellent researchers</p> <p>“Infratime” about the time dimension of smart urbanism</p>	European Commission, Horizon 2020 program,	2020/2023	Euro 172.761
Principal investigator	<p>European Research Council (ERC), Starting Grant. Excellence in Science pillar Highly competitive (10% success rate) fellowship for excellent researchers</p> <p>“Processing Citizenship: Digital registration of migrants as co-production of citizens, territory and Europe (GA No 714463)</p>	European Commission, Horizon 2020 program, European Research Council	2017/2022	Euro 1.498.614
Individual beneficiary	<p>Chancellor’s Fellowship in Data Science (i.e., prestigious tenure-track position)</p> <p><i>Declined for Brexit and concomitant ERC grant</i></p>	University of Edinburgh, School of Social and Political Science, Science, Technology and Innovation unit	From 2016 onwards	N/A
Fellow	<p>Paris IAS 2017-2018 Fellowship (https://www.paris-iaea.fr/en/)</p>	Paris Institute of Advanced Studies (IAS), in collaboration with Institut des Sciences de la Communication, CNRS/Paris Sorbonne/UPMC	2017	N/A
Leader WP1 and co-leader WP5, participant in other WPs	<p>Horizon2020 Grand Challenge 5- 03 “EU-MACS. European market for climate service” <i>Declined in favour of colleagues, as concomitant with ERC grant</i></p>	European Commission, Horizon2020 program	2016/2018	Euro 1.499.621

Individual beneficiary	IEF Marie Curie Grant for Career Development Excellence in Science pillar Highly competitive (10-12% success rate) grant	European Commission FP7 for Research, Research Executive Agency (REA)	2013/ 2015	Euro 183.470
Award winner	'Best Paper' to PhD-thesis-drawn essay 'Openness as an Asset. A Classification System for Online Communities based on Actor-Network Theory' (approx. 150 international participants)	WikiSym 2010, 6th International Symposium on Wikis and Open Collaboration. Conference organizers: Wikipedia, TJEF: The John Ernest Foundation, CM Special Interest Group on Hypertext, Hypermedia, and Web (SIGWEB).	2010	/
Scholarship recipient	Scholarship weaving tuition fee to participate in the Third Seminar in Experimental Critical Theory on Digital Futures	University of California at Irvine	2006	\$ 3.000 (approx.)
Award, spokesperson	Digital Communities competition, Award of Distinction (2nd prize)	Prix Ars Electronica, Linz (AT). Oldest world-wide competition for digital technologies and society	2005	Euro 5.000
Scholarship recipient	Ranked 1st at PhD Program admission test (about 30 candidates). Scholarship for Ph.D. attendance	University of Milan-Bicocca	2004/ 2007	Euro 30.000 (approx.)
Award winner	Master-thesis-derived paper of television studies awarded close-second winner of the 1st edition of the Mauro Wolf Prize on the social effects of media	Baskerville Publisher, University of Bologna, University of Rome Sapienza	2004	Euro 1.400

H. Positions of trust and institutional responsibilities

- 2025-current, President, STS Italia (national society for the social studies of science and technology) (elected)
- 2023-current, Scientific board member, *Innovation in Information Infrastructures* international network
- 2022-2024, Vice-president, STS Italia (national society for the social studies of science and technology) (elected)
- 2021-2024, Internationalization committee member, Department of Philosophy and Communication, University of Bologna, IT (invited)
- 2020-Current, member of *Alma AI – Alma Mater Research Institute for Human-Centered Artificial Intelligence*, University of Bologna, IT (departmental representative)

- 2020-2022, Board member, Doctoral Program in *Philosophy, Science, Cognition, and Semiotics (PSCS)*, University of Bologna, IT (invitation upon evaluation by University of Bologna and Ministry of University and Research)
- 2020-2024, Strategic planning committee member, Department of Philosophy and Communication, University of Bologna, IT (invited)
- 2020, Expert Advisory Board member, Scientific support to the development of a methodology to assess social and economic impacts of the use of Artificial Intelligence to support public services in the EU. Project commissioned by the EU Joint Research Centre (JRC) to the Netherlands Institute for Applied Scientific Research (TNO) (invited)
- 2020-2022, Scientific Advisory Board Member, *Urbania Hoeve* Foundation (<http://www.urbaniahoeve.nl/>), Amsterdam (invited)
- 2019-2022, Council Member, European Association for the Study of Science and Technology (EASST) (elected)
- 2019-Current, Faculty member, Department of Philosophy and Communication, University of Bologna, IT
- 2018-2021, Ethics Advisory Board member, ERC-funded project *DATACTIVE* (<https://data-activism.net/>) (invited)
- 2016-2019, Member, Young Academy @ UT, University of Twente, NL (invited)
- 2016-2019, Member, BMS Faculty research strategy committee, University of Twente, NL (invited)
- 2013-2019, Faculty member, Behavioural, Management and Social Studies Faculty, University of Twente, NL
- 2010-2013, Procurement committee member (recurrent), Lepida S.p.A. (nominated by CEO)
- 2006-2013, International Scientific Advisory Board for Digital Communities, *Prix Ars Electronica* Linz, AT (invited)

I. Membership of scientific societies

- 2010 / current, member, *EASST - European Association for the Study of Science and Technology* (also elected member of its steering Council – see above)
- 2010 / current, member, *STS Italia - Italian Association for Science and Technology Studies*
- 2014 / current, member, *Society for Social Studies of Science (4S)*
- 2015 / 2019, member, *Netherlands Graduate Research School of Science, Technology and Modern Culture (WTMC)*
- 2016 / 2018, member, *International Policy Science Association (IPSA)*

J. Editorial and evaluation activities

- 2020 / 2024, Member, Editorial Board *Science, Technology and Human Values* (invited)
- 2018 / Current, Member, International Advisory Board, *Tecnoscienza – Italian Journal of Science and Technology Studies* (invited)
- 2013-2018, Member, Editorial Board *Tecnoscienza – Italian Journal of Science and Technology Studies* (invited)

Grant Assessor (selection):

- 2021, Velux Foundations, Denmark
- 2020, European Research Council (ERC), SSH 3 panel (invited)
- 2019, Dutch Organization for Scientific Research (NWO), Veni Evaluation Commission for the Social

Sciences and Humanities, Philosophy and Religion panel (invited)

- 2018, U.S. National Science Foundation (NSF) (invited)

Journal Reviewer:

- (Selection) Social Studies of Science; Science, Technology and Human Values; Big Data and Society; British Journal of Sociology; Research Policy; Internet Policy Review; Information, Communication & Society; Administration & Society; Science, Technology and Society; Engaged Science, Technology, and Society; Rivista Italiana di Sociologia; Scuola Democratica; Journal of Information Technology; Security Studies.
- 2020, senior referent, *World Pandemic Research Network* (invitation by Advisory Board)

K. Other research and management positions

Date: May 2010 / July 2013

Employer's name: **Lepida S.p.A.**, User applications area, Research and Development area, Bologna (IT)

Type of business or sector: in-house telecommunication engineering company

Occupation or position held: large-scale IT systems project manager and ethnographer of digital technologies, 1 fte, invited, tenured

Main activities: 1) Project management; 2) R&D, ethnography of ICT design and use

Date: September 2006 / May 2010

Employer's name: **Emilia-Romagna Regional Government**, Department for Administrative Innovation and Simplification, Bologna (IT).

Type of business or sector: regional government

Occupation or position held: IT and communication specialist, invited

Main activities: 1) information systems research and design; 2) training of regional and local authorities' officers; 3) techno-legal consultancy; 4) European projects design and deployment.

L. Spoken languages

Dutch: good reading, basic speaking and writing. CEFR: B1

English: fluent writing, reading and speaking. CEFR: C2

French: fluent reading, good speaking and writing

German: basic reading, speaking and writing. CEFR: A2

Italian: native

Spanish: good reading, basic writing and speaking
