

ELISA CONTICELLI

EDUCATION AND QUALIFICATIONS:

2018 National Habilitation for the function of Associate Professor

2011, University of Brescia

PhD in “Places and times of the cities and territories”,

Doctoral dissertation: The role of the great railway nodes within regeneration policies for cities and territories”

2002, Professional Association of Engineers of the Province of Bologna

Engineer habilitation

2001, Alma Mater Studiorum – University of Bologna

Master Degree in Building Engineering

Master Degree thesis: A proposal for the regeneration of the Casamento historic settlement (Advisor: Carlo Monti).

Final vote: 100/100 *cum laude*

MEMBER OF ASSOCIATIONS, COMMISSIONS, WORKING-GROUPS

Section Editor of the “ Encyclopedia of the UN Sustainable Development Goals. Sustainable Cities and Communities”, Springer Nature, ISBN 978-3-319-71061-7, Editor-in-Chief Walter Leal Filho (forthcoming)

Section Editor of the “ Encyclopedia of the UN Sustainable Development Goals. Affordable and clean energy”, Springer Nature, ISBN 978-3-319-71057-0, Editor-in-Chief Walter Leal Filho (forthcoming)

2016-2018 Young Academics Member of the AESOP Young Academics Network

2016-present

Peer reviewer for European Planning Studies ISSN: 0965-4313 (Online ISSN: 1469-5944), Taylor and Francis; Environmental Planning and Management, ISSN: 1360-0559, Taylor and Francis; Territorio, ISSN 1825-8689, ISSNe 2239-6330, FrancoAngeli

2015-present,

Peer reviewer for Int. Journal of Sustainable Development & Planning, ISSN: 1743-7601 (online ISSN: 1743-761X), WIT Press, e delle riviste Sustainability ISSN 2071-1050, MDPI, Journal of traffic and transportation engineering ISSN: 2095-7564, ELSEVIER

2012-present,

Peer reviewer for the international Journal of Urban Planning and Development, ASCE ISSN: 0733-9488 eISSN: 1943-5444

2015- present,

Member of the Commission for architectural quality and landscape of the city of Castenaso (Bo)
Member of the provincial section of Bologna of the National Centre for Urban studies (CeNSU)

2010- 2014,

Member of the Commission for architectural quality and landscape of the city of Castel Maggiore (Bo)

2009-present,
Member of the Commission for Engineering habilitation

2008-present,
Member of the Executive board of the Emilia-Romagna Region's section of the National Institute of Urban Planning

2008-2014,
Member of the Board of directors of Murri Cooperative Company

WORK EXPERIENCE:

MAIN RESEARCH ACTIVITIES:

2019-present, Alma Mater Studiorum – University of Bologna
Researcher, Junior assistant professor

2018-2019, Fondazione Flaminia
Consultant, Responsible for the production of intellectual outputs for the project ERASMUS + KA2 Strategic partnership "SURE: Sustainable Urban Rehabilitation in Europe"

2017- present, Alma Mater Studiorum – University of Bologna
Member of the research team involved in the production of intellectual outputs the project ERASMUS + KA2 Strategic partnership "EDUCA4ALL: Required capabilities for educators to include the D4ALL (Design for all) principles"

2017- present, Alma Mater Studiorum – University of Bologna
Member of the research team involved in the Partnership Sustainable land use and NBSs of the Urban Agenda for the EU initiative

2018- present, Alma Mater Studiorum – University of Bologna
Member of the research team coordinating the project "RURITAGE - systemic approach for a heritage-led rural regeneration", funded under the Horizon 2020 programme, call H2020-SC5-21-2017. The project involves 40 partners among research centres, local administrations, NGOs, SMEs, with a budget of around 10 million euros. Duration 2018-2022

2017-present, Alma Mater Studiorum – University of Bologna
Member of the research team involved in the project "SMART PEDESTRIAN NET, Smart cities are walkable: SPN a model to plan a pedestrian network and a pedestrian navigation system" funded under ERA-NET-H2020, 2017-19. Coordinator: University of Minho (PT). Duration 2017-2019

2018-present, Alma Mater Studiorum – University of Bologna
Member of the research team coordinating the INTERREG EUROPE project "MATCH-UP: the role of modal interchange to foster a low-carbon urban mobility". The project was funded under the

Interreg Europe, 3rd call. Duration: 2018-2022

2016- present, Alma Mater Studiorum – University of Bologna

Member of the research team coordinating the H2020 “Abracadabra. Assistant Buildings’ addition to Retrofit, Adopt, Cure And Develop the Actual Buildings up to zeRo energy, Activating a market for deep renovation” funded under Horizon 2020 programme. Duration 2016-2019

2016-2018, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Policies and methods for improving pedestrian networks in cities

Tutor: Prof. Simona Tondelli.

2015-2016, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Modal interchange: a new deal between urban mobility and the city to foster low-carbon societies

Tutor: Prof. Simona Tondelli.

2014-2015, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Urban regeneration beyond densification: towards the building of a low carbon city

Tutor: Prof. Simona Tondelli.

2011-2014, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Assessing the sustainability of urban densification

Tutor: Prof. Simona Tondelli.

2009-2011, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Urban and spatial regeneration: from EIPs to the renewal of brownfields,

Tutor: Prof. Simona Tondelli.

2007-2009, Alma Mater Studiorum – University of Bologna

Research Fellow at the Dept. of Architecture

Research project: Eco-industrial parks planning and design,

Tutor: Prof. Piero Secondini.

2012-present, Alma Mater Studiorum – University of Bologna

Research contractor at the Dept. of Architecture

Research project: Strategic environmental assessment of the Building Regulation of Faenza (Research agreement between Dept. of Architecture and Municipality of Faenza, resp. Prof. Simona Tondelli)

2011-2012, Alma Mater Studiorum – University of Bologna

Research contractor at the Dept. of Architecture

Research project: Damaged and degraded landscapes in accordance with the *DLGS 42/2004 and L.R.43/2001*. An atlas of regional damaged and degraded areas and guidelines for regeneration and

renewal of landscapes and the development of new landscape in the Emilia-Romagna Region (Research agreement between Dept. of Architecture and Emilia-Romagna Region, resp. Prof. Simona Tondelli). Update of the previous research

2008-2009, Alma Mater Studiorum – University of Bologna

Research contractor at the Dept. of Architecture

Research project: Damaged and degraded landscapes in accordance with the *DLGS 42/2004 and L.R.43/2001*. An atlas of regional damaged and degraded areas and guidelines for regeneration and renewal of landscapes and the development of new landscape in the Emilia-Romagna Region (Research agreement between Dept. of Architecture and Emilia-Romagna Region, resp. Prof Carlo Monti)

2008-2009, Alma Mater Studiorum – University of Bologna

Coordination activities for Studies and development of the Senigallia's Green Structural Plan, (Research agreement among Dept. of Architecture, Dept. of Agricultural Sciences, University of Bologna and the Municipality of Senigallia, Resp. Prof. Alberto Minelli)

2008-2009, Alma Mater Studiorum – University of Bologna

Collaboration with the Dept. of Architecture

Research project: Analysis of the implementation of Cesena Urban Plan and the assessment of the related impacts on involved activities and stakeholders (Research agreement between Dept. of Architecture and Craftsmanship confederation of Cesena, resp. prof. Piero Secondini)

2007-2008, Alma Mater Studiorum – University of Bologna

Research contractor at the Dept. of Architecture

Research project: Strategic environmental assessment of Raibano industrial site in accordance with L.R. 20/2000" (Research agreement between Dept. of Architecture and Agency for promotion and development of industrial activities, resp. prof. Piero Secondini)

2007-2008, Alma Mater Studiorum – University of Bologna

Collaboration with the Dept. of Architecture for the "Urbanization processes of plain territories. San Mauro Pascoli and Gambettola case studies",

Research project: Urban settlements and hydrogeological risk (Research agreement between Dept. of Architecture and Regional Basins of Romagna Authority, resp. Prof. Piero Secondini),

2002-2003, Murri Cooperative

Winner of a research grant concerning Ecological buildings audit. Defining self-audit criterion for dwelling cooperatives (Research agreement between Dept. of Architecture and Murri Cooperative)

2002, Alma Mater Studiorum – University of Bologna

Collaboration with the Dept. of Architecture for the "Observatory of administrative measures concerning traffic pollution" (Research agreement between Dept. of Architecture and ANPA, resp. Prof. Piero Secondini)

CONFERENCES PARTICIPATION AS SPEAKER:

2018

Conference "Urba(N)et. Mobilità logistica e distribuzione evolvono insieme al sistema metropolitano di domani", 7 Novembre 2018, fiera ECOMONDO, Rimini. Title of the speech "Visioni di città: quali modelli per la città del futuro"

International forum "THE FUTURE OF COAL MINING AREAS. ACTIVATION OF ENDOGENOUS RESOURCES: ECONOMIC, SOCIAL, ECOLOGICAL AND LANDSCAPE ASPECTS", November, 19 and 20, 2018, Casa de las Culturas, Bembibre (León, Spain). title of the speech "Rural regeneration as an engine for sustainable growth: the RURITAGE project"

National Conference Urbing 2018 biennale Salerno "LA RIFORMA DEI SAPERI PER LA TERZA MISSIONE NEL GOVERNO DEL TERRITORIO", Salerno, 26 ottobre 2018. title of the speech "la terza missione nel governo del territorio in Emilia Romagna"

National Conference Urbing PhD2018, Roma, 28 giugno 2018, speaker and section coordinator
Member of the scientific committee of the International Conference "MATCH-UP: The role of modal interchange to foster a low-carbon urban mobility", Bologna (BO), 4 Luglio 2018.

Member of the scientific committee of the International Conference "CULTURAL HERITAGE AS A DRIVER FOR RURAL SUSTAINABLE GROWTH: Challenges and opportunities in Europe and beyond", Bologna (BO), 5 Luglio 2018.

2017

Participation as speaker at the national conference "Un futuro affidabile per la città. Apertura al cambiamento e rischio accettabile nel governo del territorio", Milano, 21 novembre 2017 a cura di: INU / URBIT / rivista URBANISTICA / Planum. Title of speech "La gestione dei beni comuni urbani e l'evoluzione della disciplina urbanistica".

Member of the scientific and organization committee and discussant of the National Conference "RIGENERAZIONE SOSTENIBILE. Progetto multidisciplinare per ri-costruire la città resiliente", Imola (BO), 31 ottobre 2017.

Participation as speaker to the XXIII International Conference "Living and Walking in Cities" - 15 - 16 June 2017, Brescia (Italy). Title of speech " Innovations in cycling mobility for sustainable cities"

Participation as speaker to the XX National conference SIU "Urbanistica È/E Azione Pubblica. La Responsabilità della Proposta". Roma, 12-14 Giugno 2017. Title of speech " Rigenerare la città: strategie, attori, strumenti, prospettive"

Participation as speaker to the AESOP YA Conference 2017 "Planning and Entrepreneurship", 10-13 April, Munich. Title of speech "Reframing urban planning from the bottom-up: two case-studies from the Emilia-Romagna region (Italy)"

Participation as speaker at the National meeting in the framework of the H2020 European project called ABRACADABRA, 17 February 2017, Roma (IT)

2016

International Workshop "Challenges and Opportunities for Add-ons in deep renovation of existing buildings" in the framework of the H2020 European project called ABRACADABRA, 23-24 June 2016, Bologna (IT). Title of speech: "Integrating Energy into Urban Planning in Italy: problems and perspectives"

XIX National Conference SIU "Cambiamenti. Responsabilità e strumenti per l'urbanistica al servizio del Paese" 16-18 June 2016, Catania (IT). Title of speech "Esperienze significative di rigenerazione urbana: verso la definizione di una nuova urbanistica a consumo di suolo nullo" [Meaningful experiences of urban regeneration: towardsthe definition of a new urban planning practice for a net land take]

2012

International Conference "Milano Marittima 100. Landscapes and architectures for a seaside tourism", Milano Marittima 25-26 October 2012. Title of speech "Regeneration of Senigallia coastal zone"

Conference "Compromised and degraded landscapes", Bologna, 21 september 2012. Title of speech: "The methodological path for the detection of degraded situations within the landscapes of the Emilia-Romagna Region".

2011

International Conference "Silent Writings" Imola 28-29-30 september 2011. Title of speech: "integrated policies for landscape regeneration"

International Conference "Green Buildings and Sustainable cities 2011", Bologna-Ravenna 15-16 september 2011. Title of speech: "Assessing the potential of railway station redevelopment in urban regeneration policies: an Italian case study".

2007

National Conference "the environmental issue: planning and design tools", Napoli 12-13 december 2007. Title of speech: "Strategic environmental assessment for an eco-industrial park implementation. The Raibano industrial area case study".

ACADEMIC COURSES AND LECTURES:

A.A. 2018-2019

Professor

Academic Course: spatial planning, University of Bologna

A.A. 2017-2018

Tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli

A.A. 2016-2017

Lecturer

PhD course: PhD living lab workshop, PhD course in Architecture, University of Bologna

Tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli

Informal tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli

A.A. 2015-2016

Teacher

Professional course: "Strategic environmental assessment: targets, processes, procedures", organised by INU Emilia-Romagna

Tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli

A.A. 2014-2015

Thematic coach

Course: Climate KIC, PhD Summer school "Design for Adaptation. Resilient Urban Communities", Bologna 7-18th september 2015

Teacher

Professional course: "Strategic environmental assessment: targets, processes, procedures", organised by INU Emilia-Romagna

A.A. 2013-2014

Tutor

Academic Course: Urban design, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Carlo Monti

Teacher

Academic Course: Laboratory for territory and environment engineering, School of Engineer and Architecture, University of Bologna

Co-Teacher: Prof. Carlo Monti

Informal tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli.

Teacher

Teaching seminar: Professional Master Course "Sustainable design: building restoration and Urban regeneration", School of Engineer and Architecture, University of Bologna

Co-tutor

Intensive Programme LLP Erasmus 2013/2014, Alma Mater Studiorum – University of Bologna

Resp: prof. Simona Tondelli

A.A. 2012-2013

Tutor

Academic Course: Urban design, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Carlo Monti

Teacher

Academic Course: Laboratory for territory and environment engineering, School of Engineer and Architecture, University of Bologna

Main Teacher: Prof. Carlo Monti

A.A. 2011-2012

Tutor

Academic Course: Urban design, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Carlo Monti

Teacher

Course module: "Sustainable plans and projects within European framework", Professional Master Course "Eco-sustainable architecture", School of Engineer and Architecture, University of Bologna

Tutor

Workshop UrbanPromo Giovani (resp. Prof. Simona Tondelli) within the UrbanPromo spatial marketing event, hosted in Bologna 9-12 november 2011

A.A. 2010-2011

Teacher

Teaching seminar at the Professional Master Course " Eco-sustainable architecture", School of Engineer and Architecture, University of Bologna

Tutor

Academic Course: "Spatial planning M" School of Engineer and Architecture, University of Bologna (Ravenna)

Teacher: Prof. Simona Tondelli.

Teacher

Academic Course: "Spatial planning M" School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli.

Informal tutor

Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Carlo Monti.

A.A. 2009-2010

Teacher

Teaching seminar at the Professional Master Course " Eco-sustainable architecture", School of Engineer and Architecture, University of Bologna

Co-tutor

International workshop Socrates Intensive Program 2010 Faculty of Architecture, University of Bologna, hosted institution Nijmegen University, The Netherlands

Teacher

Academic Course module: "Spatial planning M" School of Engineer and Architecture, University of Bologna

Teacher: Prof. Simona Tondelli.

Tutor

Academic Course: "Laboratory of urban planning" Faculty of Architecture, University of Bologna

Teacher: Prof. Edoardo Preger

Informal Tutor

Academic Course: "Spatial planning M" School of Engineer and Architecture, University of Bologna (Ravenna)

Teacher: Prof. Simona Tondelli

Informal tutor

Academic Course: Urban planning, School of Engineer and Architecture, University of Bologna

Teacher: Prof. Carlo Monti

A.A 2008-2009

Teacher

Academic Course module: "spatial engineering" School of Engineer and Architecture, University of Bologna

Tutor

Academic Course: "Laboratory of urban planning" Faculty of Architecture, University of Bologna

Teacher: Prof. Edoardo Preger

Teacher

Teaching seminar at the Professional Master Course "Eco-sustainable architecture", School of Engineer and Architecture, University of Bologna

Informal tutor

Academic Course: "Spatial planning LS", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Piero Secondini

Informal tutor

Academic Course: "Spatial planning LS", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Simona Tondelli.

Informal tutor

Academic Course: "Spatial planning L", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Simona Tondelli

Informal tutor

Course: "Urban design", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Carlo Monti.

A.A. 2007-2008

Informal tutor

Academic Course: "Spatial planning LS", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Piero Secondini

Informal tutor

Academic Course: "Spatial planning L", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Simona Tondelli

Informal tutor

Academic Course: "Spatial planning Ls", School of Engineer and Architecture, University of Bologna,

Teacher: Prof. Simona Tondelli
