
1. Personal Information

Name Federico Galli
Date of Birth *May 13, 1993*
Personal Address Via Santo Stefano 40, Bologna, Italy
Work Address Via Galliera 3, Bologna, Italy
Mobile +39 334 1380748
Email federico.galli7@unibo.it

2. Current Position

Jan 2020-present **Research Fellow,**
CIRSFID-AI, Alma Mater Università di Bologna, Bologna, Italy

3. Profile and Research Interests

I am a Researcher Fellow at CIRSFID-AI (Centre for Research in the History, Philosophy, and Sociology of Law and in Computer Science and Law, part of Alma Mater Research Institute for Human-Centered Artificial Intelligence). Here, I am working on projects related to artificial intelligence, law and society. In May 2021 I earned the title of Ph.D. in Law, Science and Technology from the Law School of the University of Bologna and the title of Ph.D. in Computer Science from the University of Luxembourg. My main research interests include: 1) Information Technologies and Law and internet law, in particular in the field of privacy and data protection law, advertising, contract and consumer law, and labour law; 2) Artificial Intelligence and society, in particular AI impact on democracy, fairness, transparency and accountability; 3) Artificial Intelligence and Law, in particular machine learning and legal analytics, argumentation mining and theory.

4. Educational background

Nov 2017 – Nov 2020 **PhD in Law, Science and Technology**, *cum laude*
CIRSFID-AI, Alma Mater University of Bologna, Bologna, Italy
Title: Algorithmic business and EU law on fair trading
Supervisor: Prof. Giovanni Sartor (Legal informatics; AI and Law, ICT & Law; Legal theory and philosophy; Logic, reasoning and argumentation)

Nov 2017 – Nov 2020 **PhD in Computer Science**, *cum laude*
Computer Science and Communications Research Unit (CSC), University of Luxembourg, Esch-sur-Alzette, Luxembourg
Title: Algorithmic business and EU law on fair trading
Supervisor: Prof. Christoph Schommer (AI; Machine learning; Data analysis)

- March 2021 **Course on Good Scientific Practices**
University of Luxembourg, PhD Law, Science and Technology,
Main activities (equivalent to 3 ECTS): Principles, norms, values and responsibilities of good research conduct; Irresponsible research practices and research misconduct; Authorship and the process of publication; Good data and documentation practices
- July 2019 **Summer School on AI and Law**
European University Institute, Florence, Italy
Main topics: Knowledge representation and rule-based systems; Modelling legal argument; Case-based and evidential reasoning; Machine learning and legal analytics
- July 2019 **Summer School on Law and Logic**
European University Institute, Florence, Italy
Main topics: Propositional logic, Predicate logic, Deontic logic; Legal reasoning and argumentation
- January 2019 **Winter School on Ethics of Autonomous Vehicles**
University of Luxembourg, Esch-sur-Alzette, Luxembourg
Main topics: Moral responsibility and legal liability; Agency and ethical paradigms; Formal representation and algorithmic implementation of ethical paradigms
- Sep 2012 – Sep 2017 **Degree in Law (Laura Magistrale a Ciclo Unico in Giurisprudenza)**
Alma Mater Studiorum University of Bologna
Title: Online sharing economy and emerging challenges for EU consumers law (Supervised by Prof. Giovanni Sartor), Mark: 110/100 *cum laude*

- May 2021-Dec 2021 **Member of the Consultative Group of Experts in the "Behavioural Study on Unfair Commercial Practices in the Digital Environment"**
Contracting authority: European Commission (DG JUST).
Consortium: Open Evidence (lead), London School of Economics, Schlesinger Group, Brainsigns
- Jan 2021 – present ***i-Lex* Scientific Journal**
CIRSFID-AI, Alma Mater University of Bologna, Bologna, Italy
Position: Member of the Editorial board (correspondence with authors and peer-reviewers, copy-editing, website management)
- Apr 2019 – Jun 2019 **Visiting Student**
European University Institute, Florence, Italy
Research topics: AI technologies and EU consumer protection law

6. Research projects

- Feb 2021-present **ADELE project (Analysis of DEcision in LEgal Cases): Legal analytics applied to case law**
Scientific Contribution and Project Management
Research project funded by DG Just Research Council Action for e-Justice, Alma Mater Studiourm, University of Bologna, Bologna (Italy). PI: Prof. Giovanni Sartor
- Feb 2021-present **LAILA (Legal Analytics for Italian LAw): Legal analytics applied to statutory and case law**
Scientific Contribution
PRIN Project (Projects of Relevant National Interest) funded by the Italian Ministry of Education, Alma Mater Studiourm, University of Bologna, Bologna (Italy). PI: Prof. Giovanni Sartor
- Feb 2021-present **CROSS-JUSTICE, Knowledge, Advisory and Capacity Building Information Tool for Criminal Procedural Rights in Judicial Co-operation**
Scientific Contribution
Research project funded by European Union's Justice Programme (2014-2020), Alma Mater Università of Bologna, Bologna (Italy). PI: Prof. Michele Caianiello
- Oct 2019-Dec 2019 **CLAUDETTE (CLAUse DETecTEr): An automated detector of unfair and unlawful clauses**
Scientific Contribution
Research project funded by EUI Research Council for funding, European University Institute, Florence (Italy). PI: Prof. Hans-W. Micklitz and Prof. Giovanni Sartor

7. Talks in Conferences and Workshops

- 19-20 Sept 2019 Presentation title: *Artificial intelligence, manipulation, and EU fair trading law*
Católica Graduate Legal Research Conference 2019, Católica University Law School, Lisbon, Portugal
- 23 May 2019 Presentation title: *Algorithmic advertising between data protection and consumers protection law*
Workshop on Algorithmic Governance and Governance of Algorithms, Presenting, School of Law, University of Tartu, Estonia
- 5-7 Dec 2017 Presentation title: *Algorithmic fairness and EU law*
JURIX Conference, PhD research presentation in the Doctoral Consortium, University of Luxembourg, Luxembourg

8. Technical Skills

Operating Systems: Windows, Linux, Mac OSX

Other application software: LaTeX, Microsoft Office, Open Office

9. Teaching Experience

- 31 March 2021 Lecturer in the course “Labour law in the digital economy” (A.A. 2020/2021)
Law Department, University of Genoa, Italy
Topic: AI and labour law
- 4 November 2020 Lecturer in the course “Law, Internet and Society” (A.A. 2020/2021)
Law Department, Alma Mater Studiorum, University of Bologna, Italy
Topic: AI Governance and the perspectives of regulation
- 30 October 2019 Lecturer in the course “Law, Internet and Society” (A.A. 2019/2020)
Law Department, Alma Mater Studiorum, University of Bologna, Italy
Topic: Ethical Governance of AI

10. Languages

Italian, *Mother tongue*
English, *IELTS, 7.5*
German, *B2*
Spanish, *B1*
