

Federico Ravaldi

Curriculum Vitae · [linkedin.com/in/federicoravaldi](https://www.linkedin.com/in/federicoravaldi)

PROFILE

Graduated in Computer Engineering from the University of Bologna, after a research experience at the inter-university consortium CINECA, he co-founded ICONSULTING S.p.A. in 2001, a company specialized in Data Platform, Artificial Intelligence, Big Data Analytics, AI & Data Strategy and AI & Data Governance, headquartered in Bologna with offices in Milan, Rome and Naples, which he led as CEO until June 2026. Today he is a founding shareholder and member of the Board of Directors, and is an administrator of DWAY S.r.l. For more than fifteen years, alongside his entrepreneurial activity, he has taught at university and directed executive programs at Bologna Business School.
