

# FRANCESCA MONTICONE

Postdoctoral Research Fellow  
at the University of Bologna - Department of Agricultural and Food Sciences  
[francesca.monticone2@unibo.it](mailto:francesca.monticone2@unibo.it)

---

## WORK EXPERIENCE

### Postdoctoral Research Fellow (AGR01)

2024-present

University of Bologna - Department of Agricultural and Food Sciences (Italy)

1. Project title: "From niche to mainstream - alternative proteins for everybody and everywhere" (LIKE-A-PRO)
  - Call: HORIZON-CL6-2022-FARM2FORK-01-07
  - Type of action: IA
  - Total budget: € 13.693.753,92 – UNIBO budget: € 490.869,00
  - Project aim: facilitate sustainable and healthy diets by shifting promising alternative proteins and products from niche to mainstream.
  - Role: UNIBO research group collaborator; co-responsible of WP7 "Economic, environmental, and public health impact", tasks 1.2, 2.2, 3.2, 4.1, 4.2, 4.4
  - Supervisor: Professor Antonella Samoggia
2. Project title: "Fostering European Cellular Agriculture for Sustainable Transition Solutions" (FEASTS)
  - Call: HORIZON-CL6-2023-FARM2FORK-01-13
  - Type of action: RIA
  - Total budget: € 6.999.411,25 – UNIBO budget: € 187.187,50
  - Project aim: deliver a comprehensive, unbiased knowledge base about cultured meat and seafood
  - Role: UNIBO research group collaborator; co-responsible of task 4.4
  - Supervisor: Professor Antonella Samoggia

### Cultore della materia (AGR01)

2024-present

University of Bologna - Department of Agricultural and Food Sciences (Italy)

- Delivered seminars to undergraduate and postgraduate students on diverse topics including European food policy, regional food governance, digital technologies in agri-food, labour exploitation in agri-food.
- Supported exams.

### Research Assistant (AGR01)

2024-2025

University of Gastronomic Sciences, Italy

3. Project title: "Circular Economy For Wine: the Importance of Social Sustainability for the Development of Circular Economy Applied to the Made in Italy Secondary Agribusiness District of Wine"
  - Call: NODES – Nord Ovest Digitale e Sostenibile (SPOKE 7 – secondary agribusiness)
  - Type of action: PNRR – M4C2
  - Project aim: formulate guidelines for the creation of a social sustainability certification for the distribution of Langhe wine products on international markets
  - Budget: € 90.000
  - Role: UNISG research group collaborator; co-responsible of WP4
  - Supervisor: Professor Lorenzo Bairati

### Junior Research Fellow (AGR01)

2019-2020

University of Bologna - Department of Agricultural and Food Sciences (Italy)

4. Project title: "Food Systems in European Cities" (FoodE)
  - Call: H2020-SFS-2019-1
  - Type of action: IA
  - Total budget: € 7.591.314,95 – UNIBO budget: € 1.099.684,02
  - Project aim: accelerate the growth of City Region Food Systems initiatives by bringing together local initiatives across Europe
  - Role: UNIBO research group collaborator; co-responsible of WP3, WP6 and tasks 2.3, 2.4, 7.1
  - Supervisor: Professor Antonella Samoggia

5. Project title: “Understanding food value chains and network dynamics” (VALUMICS)
  - Call: H2020-SFS-2016-2
  - Type of action: RIA
  - Total budget: € 6.327.922,49 – UNIBO budget: € 215.830,00
  - Project aim: evaluate the impact of strategic and operational policies to enhance the resilience, integrity and sustainability of food value chains for European countries
  - Role: UNIBO research group collaborator; co-responsible of WP6, and tasks 5.1 and 8.3
  - Supervisor: Professor Antonella Samoggia

**Visiting lecturer** 2018-2020

**University of Gastronomic Sciences (Italy)**

- Course: Food Trade and Law module of the MSc in Food Industry Management
- Topic: Brexit and its implications on food trade
- Course supervisor: Professor Lorenzo Bairati

**Research and Communications Officer** 2019-2023

**Open Food Network UK** (remote working)

- Research on case studies of Community Food Enterprises
- Social media and newsletter management

**Food Policy Researcher** 2018-2019

**Eating Better** (United Kingdom)

- Project: Better by Half campaign
- Project topic: reduction of meat and dairy consumption
- Line Manager: Simon Billing

**Food, Farming and Countryside Commission Intern** 2018

**The Royal Society of Arts** (United Kingdom)

- Public engagement on social media accounts and webpages
- Field research in Gloucestershire
- Stakeholder engagement on behalf of the Commission
- Line Manager: Sue Pritchard

**Press Officer** 2015-2016

**Slow Food Italia** (Italy)

- Public engagement on social media accounts and webpages through articles and press releases
- Line manager: Valter Musso

---

## ADDITIONAL TEACHING ACTIVITY

- **Seminar at the second Cycle Degree in Politics administration and organization** April 2025  
Invited for a lecture on urban food policies in the course EU Cities of Professor Giorgia Pavani at the University of Bologna.

- **Seminar at the 2° Summer School of the Resilienze Festival (Italy)** June 2024  
Invited to the Summer School organised by Kilowatt (ideas incubator and consulting agency) in the session on local and urban food teaching a seminar titled “Food policy and governance processes: a focus on the urban level”.

- **Seminar at the 1° Summer School of the Resilienze Festival (Italy)** June 2023  
Invited to the Summer School organised by Kilowatt (ideas incubator and consulting agency) in the session on local and urban food teaching a seminar titled “Levels and actors of the food governance”.

---

## EDUCATION

<b>PhD in Agricultural and Food Economics and Policy (AGR01)</b>	2020-2024
<b>University of Bologna - Department of Agricultural and Food Sciences (Italy)</b>	
<ul style="list-style-type: none"> <li>Dissertation title: “Advancing local food governance: mixed-method analysis of food policy coherence and stakeholder dynamics in the Italian context”</li> <li>Visiting period at the University of Hertfordshire Centre for Agriculture, Food and Environmental Management Research, UK (Supervisors: Professor David Barling and Dr Kelly Parsons)</li> <li>Final mark: Excellent</li> <li>Winner of the prize Premio Cioffi 2024 for the Best PhD dissertation promoted by the Italian Society of Agrarian Economy and including a prize money</li> <li>Supervisor: Professor Antonella Samoggia</li> </ul>	
<b>MSc Food Policy</b>	2016-2017
<b>City University of London – Centre for Food Policy (United Kingdom)</b>	
<ul style="list-style-type: none"> <li>Dissertation: “Exploring the controversy over food dumping: analysis of the disagreement around its definition, its reported causes and its possible solutions in the framework of international agricultural trade”</li> <li>Final mark: Distinction</li> <li>Supervisor: Professor Corinna Hawkes</li> </ul>	
<b>Gastronomic Sciences degree</b>	2012-2016
<b>University of Gastronomic Sciences (Italy)</b>	
<ul style="list-style-type: none"> <li>Dissertation: “The legal framework about food mastering: comparing Puglia and Piemonte”</li> <li>Final mark: 110/110 with honours</li> <li>Supervisor: Professor Lorenzo Bairati</li> </ul>	
<b>Classical Lyceum Camillo Benso di Cavour (Italy)</b>	2007-2012
<ul style="list-style-type: none"> <li>Final mark: 95/100</li> </ul>	

## OTHER EDUCATION

- Winter School “Agro-environmental system economic valuation, modelling and policies” organised by the Italian Society of Agrarian Economy (SIDEA) 2024
- Food Innovator Fellowship course organised by EIT Food 2023
- Winter School “The Road from Reviewer to Editor in Food Science and Agriculture Journals” organised by the University of Bologna 2019

## CONFERENCES PARTICIPATION AS INVITED SPEAKER

### **14<sup>th</sup> Conference of the Italian Association of Agricultural and Applied Economics (Pisa, Italy)**      June 2025

- Presentation title: “A business perspective on the protein transition in Europe: companies’ profiling and financial event history analysis”

### **VIII national meeting of the Italian Network of Local Food Policies (Turin, Italy)**      January 2025

- Presentation title: “Unveiling farmers’ perspectives on urban food policies: the case of farmers’ markets in Bologna (Italy)”

### **Ghent group annual meeting (Brussels, Belgium)**      November 2024

- Invited to present to the Ghent group (informal community of European institutes working with science-based advice in agriculture and environment) focusing on the role of science in dealing with dilemmas in policy making.

### **190th EAAE seminar (Wageningen, The Netherlands)**      November 2024

- Presentation title: “A business perspective on protein transition”

### **LX Conference of the Italian Society of Agrarian Economy (Anacapri, Italy)**      September 2024

- Presentation title: “A business perspective on protein transition”

### **13<sup>th</sup> Conference of the Italian Association of Agricultural and Applied Economics (Bari, Italy)**      June 2024

- Presentation title: “Unveiling farmers’ perspectives on urban food policies: the case of farmers’ markets in Bologna (Italy)”

### **10th PhD Workshop of the European Association of Agricultural Economists (Budapest, Hungary)**

June 2024

- Presentation title: “Unveiling farmers’ perspectives on urban food policies: the case of farmers’ markets in Bologna (Italy)”

### **LIX Conference of the Italian Society of Agrarian Economy (Orosei, Italy)**      September 2023

- Presentation title: “Exploration of farmers’ perception of urban food policies: the case of Bologna farmers’ market Regulation”

### **XVII Conference of the European Association of Agricultural Economists (Rennes, France)**      August 2023

- Presentation title: “How are the actors involved in farmers’ markets related to each other in terms of influence, networks and power dynamics? A Stakeholders Network Analysis of the city of Bologna”

**SCORAI-ERSCP-WUR Conference (Wageningen, The Netherlands)**

July 2023

- Presentation title: “How resilient are farmers’ markets? A Stakeholder Network Analysis of the city of Bologna”

**12<sup>th</sup> Conference of the Italian Association of Agricultural and Applied Economics (Milan, Italy)**

June 2023

- Presentation title: “Identifying food policy coherence in Italian regional policies: the case of Emilia-Romagna”

**LVIII Conference of the Italian Society of Agrarian Economy (Palermo, Italy)**

September 2022

- Presentation title: “To what extent is food integrated in Emilia-Romagna regional policies? A coherence analysis”

**LVII Conference of the Italian Society of Agrarian Economy (Bologna, Italy)**

September 2021

- Presentation title: “Systematic evaluation and cross-country consumers perceptions of Apps for food purchasing and consumption”

**10<sup>th</sup> Conference of the Italian Association of Agricultural and Applied Economics (online)**

June 2021

- Poster title: “Governance in the Italian processed tomato value chain: the case for an Interbranch Organisation”

**11<sup>th</sup> SPSS PhD Student Conference “From Basics to Bioeconomy” (online)**

September 2020

- Presentation title: “Innovative digital solution approaches to enhance sustainable behaviours in City Region Food Systems”

**IFSTAL Symposium: Food Systems in Changing Trade Landscapes (London, United Kingdom)**

January 2018

- Poster title: “Food dumping, a problem in the eye of the beholder”

---

## EDITORIAL ACTIVITY

- Peer review of scientific articles for the following journals: Food Policy, British Food Journal, International Journal of Consumer Studies, Discover Sustainability, Discover Food, The International Journal of Sociology of Agriculture and Food, Nutrients, Journal of International Food & Agribusiness Marketing, Frontiers in Nutrition.

---

## PROFESSIONAL SKILLS

- **Languages**

Italian (native speaker), English (C2), French (B1).

- **IT Skills**

Microsoft Office, SPSS, Qualtrics, NVivo, VOSviewer, Gephi, Mailchimp, WordPress.

- **Research Skills**

Qualitative methods (interviews with value chains stakeholders, focus groups, living labs, literature reviews), quantitative methods (statistical modelling, survey data analysis), scenario development, value chain analysis, stakeholder mapping, policy analysis, participatory research methods.
