ORCID ID: 0000-0001-6173-5324

### Brief Bio

Dr Francesco Paolucci is Professor of Health Economics & Policy at University of Newcastle, Australia, and at University of Bologna, Italy. He is also the Associate Dean International of College of Human and Social Futures and the Coordinator of Value in Health Economics Policy group.

Before joining the University of Newcastle, he was Head of Health Policy at Sir Walter Murdoch of Public Policy and International Affairs, Murdoch University, Perth Australia. Prof. Paolucci was formerly the Chief Advisor Health Reforms to Minister of Health in Chile, and member of Italian Technical Committee for Allocation of National Health Budget (~200 billion euros). A scholar and advisor, who over the last decade has published extensively in the areas of public policy, economics and management with a strong focus on healthcare at a state, national and international level. His work includes five edited special issues in peer reviewed international journals (Q1) with editors and authors from over 25 countries. Prof. Paolucci has published over 110 academic peer-reviewed articles, book chapters and book reviews in a wide array of academic journals and presses, and in different languages. He published a one single-authored book ("Health care financing and insurance options for design". Publisher: Springer), and contributed with two chapters in book about the sustainability challenges and solutions healthcare systems are face globally (Risk Adjustment, Risk Sharing and Premium Regulation in Health Insurance Markets. Edited by Thomas McGuire – Harvard - and Richard C. van Kleef -Erasmus. Publisher: Elsevier). Francesco won the 40 Under 40 Awards by Business News tributing his entrepreneurship and innovation in internationalising and tailoring education to local and international industry needs. Highlights include over 20 years of engagement in health economics, policy and management in many countries (e.g. Austria, Australia, Chile, China, India, Italy, the Netherlands, Norway, Qatar, South Africa, Spain, UAE, UK, USA, Vietnam) through research, fieldwork and consulting experiences.

Prof. Paolucci has extensive international experience working as chief advisor to think-tanks, governments, industry. His academic output is internationally recognised. He is currently chief investigator on grants funded by the Australian Research Council, the National Health Medical Research Council, the European Commission (Horizon2020). Prof. Paolucci has been awarded industry grants from public and private agencies. He participates extensively in academic activities, conducting innovative research training activities, in the promotion of research studies, and teaching programs nationally and overseas. He supervises several

doctoral and master theses nationally and abroad and is an active journal reviewer. Prof. Paolucci is an associate editor for the world's leading journals in health policy and economics and has a strong record of international research collaboration.

### Academic Qualifications:

PhD in Health Economics and Policy, Erasmus University Rotterdam, The Netherlands (2007).

BEcon/MSc in Economics/Political Economy, University of Bologna, Italy. –“Laurea Vecchio Ordinamento” (2002).

### Academic Employment History:

2022 -	Associate Dean International, College of Human and Social Futures, UoN
2020 -	Founder & Coordinator of Value in Health Economics Policy (VheP) group ( <a href="https://www.value-health-economics-policy.org">https://www.value-health-economics-policy.org</a> )
2019-	Program convenor of Health Economics Management and Policy suite of post-graduate programs at Newcastle Business School
2018 –	Professor of Health Economics and Policy <ul style="list-style-type: none"> <li>- Newcastle Business School, University of Newcastle, Australia (part-time)</li> </ul>
2014 -	<ul style="list-style-type: none"> <li>- School of Economics and Management, University of Bologna, Italy (part-time)</li> </ul>
2014 –	Associate Fellow, Australasian College of Health Service Management, Australia
2015-2018	Program convenor of Health Administration Policy and Leadership suite of post-graduate programs at Sir Walter Murdoch School of Public Policy
2014 - 2018	Head of Health Administration, Policy & Leadership programs Sir Walter Murdoch School of Public Policy & International Affairs, Australia
2014 - 2018	Associate Professor in Health Policy and Economics Murdoch University, Sir Walter Murdoch School of Public Policy & International Affairs, Australia (part-time)
2014	Associate Professor of Health Policy The University of Western Australia, Australia (part-time)
2012 – 2014	Reader in Health Policy and Economics University of Northumbria. Department of Health Community and Education Studies, Newcastle Upon Tyne, United Kingdom (part-time)
2011 - 2013	Fellow at The Australian National University (ANU), Canberra, Australia (full-time, part-time from 2012).
2011	Associate Fellow Stanford University, United States

2007 – 2010	Research Fellow in Health Economics Australian National University, Australia (full-time).
2002 – 2007	Researcher, PhD candidate, Co-Director of The MSc HEPL Insitute of Health Policy and Management, Erasmus University of Rotterdam, The Netherlands
<b>Professional Appointments:</b>	
2022-	Chair and Member of the Global Engagement & International Partnerships Committee (GEIPC), College of Human & Social Futures (CHSF at UoN)
2022-	Member of the College of Human & Social Futures (CHSF) Exectuvie & Board
2022- 2020-2022	Member of Governing Council Higher Education Chair and Lead of the International Panel to evaluate the Private Health Insurance regulatory framework in Australia for the Department of Health Australia
2019 – 2018 - 2019	HMRI affiliate Chief Advisor to the Minister of Health on Health Insurance and Financing Reform Ministry of Health, Government of Chile, Chile
2018	Associate Dean of Research Murdoch University, Sir Walter Murdoch School of Public Policy & International Affairs, Australia
2015-2018	Member of Italian National Health Technical Committee for the Allocation of Fund as Representative for Emilia-Romagna Region. Servizio Sanitario Nazionale, Italy
2013	Head of Health Insurance and Financing at the Supreme Council of Health (SCH) Doha, Qatar <sup>1</sup>
<b>Memberships:</b>	
2020-	Member of the Australian Association of University Professors (AAUP)
2020 -	Member and creator of the Value in health economics and policy group (VHEP)
2018	Member of the local organising committee for the Precision Public Health International The University of Western Australia, Australia
2016 -	Member of Australian Society of Healthcare Services and Management Australia
2014 – 2015	Member of the International Collaborations Advisory Group Murdoch University, Sir Walter Murdoch School of Public Policy & International Affairs, Australia
2014 – 2015	Member of the Cockburn Initiative Feasibility Group Murdoch University, Australia
2014 – 2015	Member of the Health Initiative Task Force Fiona Stanley Hospital, Murdoch University, South Metro Health District WA, Australia
2007 -	Member of Economic Society of Australia Australia

<sup>1</sup> While on leave from university.

2007 -	Member of Australian Health Economics Society Australia
2003 -	Permanent Member and Country Coordinator for Australia Risk Adjustment Network, The Netherlands
2002 -	Member of International Health Economics Association Australia

### Awards and Prizes:

2017	Outstanding Business Engagement Research Murdoch University
2016	40under40 Business News award in WA for entrepreneurial and business leadership Business News
2013	Ones to watch Mena Insurance Review
2009	ANU Vice-Chancellors grant for visiting international academic: Peter Zweifel Australian National University
2008	Two ANU Vice-Chancellor's grants for visiting European and American universities and institutions, and for visiting international academic (John Armstrong, Chief Actuary VHI-Ireland) Australian National University

## Research Grants<sup>5</sup>:

### 2023

1. 2023 MRFF - MandEval: Effectiveness and consequences of Australia's COVID-19 vaccine mandates. (Investigator) (\$4.3 million)
2. Industry Consulting Grant: The effectiveness of the regulatory settings for the Medicare Levy Surcharge (MLS), Rebate, and Lifetime Health Cover (LHC) (collectively referred to as the Private Health Insurance Incentives). Research done in collaboration with Finity Consulting Group and Richard van Kleef (Erasmus), Thomas McGuire (Harvard Medical School), Emmanouil Mentzakis (City, University of London), Francesco Paolucci (University of Newcastle, University of Bologna), Josefa Henriquez (University of Newcastle), and Jacob Glazer (University of Warwick, Tel Aviv University) (\$2.3 million)
3. Honeysuckle Health: PhD Industry Scholarship in Health Analytics (Industry Collaboration Grant) (Investigator) (\$69,000)

<sup>5</sup> Role in all grants presented is of chief/principal investigator unless otherwise specified or defined by the grant scheme.

4. Biomarker-based Diagnostic Toolkit to Personalize Pharmacological Approached in Congestive Heart Failure (BIOTOOL-CHF) Project. European Commission-funded project. (Investigator) (2.6 million euros)

## 2022

5. Central Coast Local Health District Research Grant: Clozapine Prescribing: Optimising service provision and governance, integration with other care providers and incorporating learning from Covid-19. (Investigator) (\$55,000)
6. College Industry Matching Grant (\$55,000)
7. Multiple national and international sources. The COVID-19 Vaccine Preferences Project. (Investigator) (~\$500,000)
8. ACcORD: Caregiver preferences and trade-offs for features of support programs for people with dementia: A discrete choice experiment (\$30,000)
9. Commonwealth Government: Old and lonely? Preferences for peer support interventions among older adults in Australia (\$30,000)
10. CHSF Matched Funding: External Collaboration scheme – Research project: “*Private Health Insurance – Offset and Impact of Subsidies and Surcharges*” ~ \$15,000.
11. HMRI Equity in Health and Wellbeing Program ~412,000 (Investigator)
12. Seed Funding Round – Research project “*Eliciting public preferences towards COVID-19 vaccines: is there a trade-off between carrots, sticks and blinders vis a vis hesitancy?*” ~ \$10,000. (2022) (Investigator)
13. Cross-College Research Support Scheme, University of Newcastle – research project “Public preferences, trade-offs and hesitancy for the COVID-19 vaccines and related policy restrictions: an international investigation” ~ \$25,000. (Investigator)
14. National Heart Foundation Mental Health and Heart Disease Strategic Grant ~964,531.20 (Investigator).

## 2021

15. College Industry Matching Grant (\$55,000)
16. HMRI and Hunter New England Health- Barriers and Facilitators Assessment, Solutions Identified and Prioritisation Study. ~\$119,769 AUD (Investigator).
17. HMRI and Hunter New England Health - Telehealth Evidence Synthesis Studies ~\$100,351 AUD (Investigator).
18. Hunter New England Local Health District. Extension to ‘A practice change intervention to increase the routine provision of care addressing gestational weight gain: a stepped-wedge trial’. ~ \$60,000 AUD. (Investigator).
19. College of Human and Social Futures (CSHF) Grant – Pilot Research Scheme: Projects, Pivots and Partnerships 2022 ~\$15,000 (Investigator).
20. “The Australian Workplace Index” Equipment and Infrastructure Awards, University of Newcastle, 2021. ~\$250,000 AUD (Investigator).

## 2020

21. College Industry Matching Grant (\$55,000)
22. NHMRC Partnership Grant. A practice change intervention to increase the routine provision of care addressing gestational weight gain: a stepped-wedge trial. (2020-23) ~ \$734,163 AUD. (Investigator).
23. Grant from Hunter New England Local Health District. A practice change intervention to increase the routine provision of care addressing gestational weight gain: a stepped-wedge trial. (2020-23) ~ \$180,000 AUD. (Investigator).
24. ARC Discovery Project grant. Child Dental Benefit Policies and the Health of Australian Children (2020-22). ~\$250,000 AUD. (Investigator).
25. International Research Collaboration Grant – Faculty of Business and Law (UoN). Algorithms in Health Care Financing. ~\$20,000 AUD. (Investigator). (Submitted but not processed by the Faculty due to COVID-19).

26. International Research Collaboration Grant – Faculty of Business and Law (UoN). Developing a toolkit to support stakeholders in determining optimal techniques for decision-making in healthcare. With Erasmus University of Rotterdam. ~\$20,000 AUD. (Investigator). (Submitted but not processed by the Faculty due to COVID-19).

## 2019

27. International Research Collaboration Grants. (2019-21):  
University of Newcastle with Aston University (UK). ~20,000 AUD. (Investigator).  
University of Newcastle with the University of Bologna (Italy). ~20,000 AUD. (Investigator)
28. Industry matching grants with the University of Newcastle. (2019-21):  
nib Health Funds Limited. ~ \$40,000 AUD (Investigator)  
Medical Technology Association Australia. ~ \$40,000 AUD (Investigator)
29. Grant from Australia Africa Universities Network (AAUN). Economic Development, Health and Nutrition for Sustainable Development. (2019-20) ~ \$10,000. (Investigator)
30. Seed Grant Application 2019. “Identification and exploration of areas of research growth, to fund the initial identification and meeting of industry partners and subsequently help fund new grant opportunities in the area of Business and Policy Analytics, the necessary pre-cursors to the formation of a Centre in Business and Policy Analytics”. ~\$5,000 AUD. (Investigator).

## 2018

31. Grant from NHMRC (National Health & Medical Research Council) (2019-20). The PRETEND Trial: A mixed methods study evaluating PReferences, feasibility, and costs of performing sham surgery Trials involving major surgical procedures. Duration: 2 years, with University of Melbourne. (2019-20) ~450,000 AUD. (Investigator).

## 2017

32. Grant from Horizon2020 (2017-22) on “Repurposing of carbamazepine for treatment of skeletal dysplasia”. Call: H2020-SC1-2016-2017 (Personalised Medicine), with International Consortium of industry and academia including partners such as UNEW, INSERM, UZA, UKL-FR, MCRI, GSTFT, IOR, Total Amount Euros 5,697,390.50 <https://www.unibo.it/en/research/projects-and-initiatives/research-projects-horizon-2020/3/28/2404>. (Investigator).
33. Grant from Cancer Research Trust. CRT Collaborative Cancer Research Grant; (2017-22): ‘Patients First: the Continuous Improvement in Care – Cancer (The ‘CIC’ Cancer Project)’, with Saunders C; Bellgard M, Bulsara C. Bulsara M, Codde J, Ives A, Johnson C, McKenzie A, Micallef J, Paolucci F, Platt V, Preen D, Reid C, Slavova-Azmanova N, Zeps N, Yeates A; \$ 750k pa for 5 years, i.e. \$ 3.5 million. (advisor).
34. Grant from Horizon 2020. Call: H2020-SC1-2016-2017 (Personalised Medicine). Type of action: RIA. Proposal Acronym: ‘ORTHOUNION’, with International Consortium of industry and academia including partners such as UAM, Sermas, Efs, Uulm, Institut National De La Sante, Ecrin, Chu Tours, Ior, Unimore, Fondazione IRCCS; over 5 years (2017-22) 6 Million Euros. <https://www.unibo.it/en/research/projects-and-initiatives/research-projects-horizon-2020/3/28/2128> (Investigator).

## 2015

35. Grant from Medical Research Foundation. 2015. ‘Methicillin-resistant Staphylococcus aureus’ in collaboration with Fiona Stanley (e.g. Geoff Coombs, Owen Robinson et al.). \$16,500. (data advisory).
36. Murdoch University SIF grant: SCRIPT. 2015. \$ 300k. (with Prof McKiernan, Dr Vas, Dr Wearing et al.).
37. Grant from Murdoch University Small Grant Scheme, SGS2015MORTIMERJONES on Evaluation of the open borders programme” in collaboration and under the leadership of the School of Health Professions, with Sheila Mortimer-Jones RN, PhD, Paul Morrison RN, PhD, Ahmed Munib PhD, Francesco Paolucci PhD, Sonia Neale, Amanda Bostwick RN & Catherine Hungerford RN, PhD. 2015. ~\$ 15k. (Investigator)

**2014**

38. Grant from Mitchell Institute (now Australian Health Policy Collaboration at Victoria University Melbourne) in collaboration with University of Madrid to investigate chronic care funding models by developing an economic conceptual framework and international case-studies on best practices in the management of chronic conditions 2014-2015. ~\$100k. (Investigator).
39. School of Management seed grant funding x2 (in collaboration with colleagues in the School and international). 2014-2015. ~\$ 7k. (Investigator).
40. Visiting Scholar Grant at the Universidad Complutense Madrid to work on “The Design of Risk Adjustment in the Spanish Public Hospital Financing Scheme”, 2011. ~ Euros 20k. (Investigator).

**2010**

41. ACHR grant on “Risk equalization techniques: an international comparison”, 2010 with Monash University. (5 months) ~ \$ 80k. (Investigator).
42. ARC-linkage Grant on "Approved Project Title Time scarcity in Australian families: another inequity?" (with Dr Lyndall Strazdins, Prof Dorothy H Broom, Mr John D Glover, Dr Catherine Banwell, Dr Jane M Dixon, Dr Amy L Griffin, Dr Rosemary Korda, Miss Megan A Shipley, Dr Marian T Esler, Dr Stephen J Corbett). (2010-2014) ~ \$ 325k. (Investigator).

---

**Other research Consultancy Grants:****2020**

Project commissioned by HMRI - 3 aug – 27 November 2020 – Customisation of Impact Assessment resources for inclusion in a research ecosystem that will form the basis of a 2021 Synergy Grant. ~ \$15,950 AUD. (Investigator)

**2018**

Project commissioned by AUSL di Bologna in collaboration with la Scuola superiore della salute dell'Università di Bologna, “La definizione di nuovi sistemi di finanziamento degli enti del sistema sanitario nazionale e regionale”. (Investigator)

**2017**

Project commissioned by Ishar Exploratory Study - Ishars impact on community health and wellbeing. 2017, ~ \$ 30k. (Investigator)

Project commissioned by Medibank Private Limited to evaluate the potential impact of an ex-ante risk-equalisation model on the Australian PHI market. 2017. ~ \$ 35k. (Investigator)

**2016**

Projects commissioned by the Department of Health (WA) (Investigator):

- a. To analysis the economic and social impact of rare diseases on WA health system. 2017. ~ \$ 50k (supervisor and project manager).
- b. Support the Development and implementation of the WA Health Networks Action Plan. 2016-17. ~ \$ 100k. (supervisor and project manager; duration ~12 months).

Project commissioned by Saint John of God Healthcare to evaluate hospital performance and costing modelling. 2016. ~ \$ 50k. (supervisor and project manager; duration ~6 months). (Investigator)

**2015**

Project commissioned by Primary Health Care provider 360 to evaluate their primary healthcare programs. 2015. ~ \$ 113k. (Investigator)

**2013**

Project commissioned by Micro Insurance Academy (Geneva-New Dehli) to study the “Feasibility of risk-adjusted subsidies in Cambodia”. 2013. ~ \$ 30 k. ((Investigator)

## 2012

Project commissioned by the Colombian Health Insurance Authority on “Evaluation of the ex-post risk-equalisation mechanism” in collaboration with University of Madrid. 2012. (with Prof Goni). ~ \$ 30 k. (supervisor and project manager; duration ~ 6 months) (Investigator)

## 2009

Project commissioned by Medibank Private Limited to investigate “The future of private health insurance in Australia: an economic analysis of (1) ‘Business-As-Usual’ and (2) ‘Medicare Select’ scenarios”, with Concept Economics, 2009. (with Prof Ergas). ~ \$ 100k. (supervisor and project manager; duration ~ 6 months) (Investigator)

## Presentation Invitations<sup>6</sup>:

### 2024

- Chair of the webinar “Healthcare systems transformations: is there a model of convergence? Germany focus” organised by Australasian College of Health Service Management (ACHSM) and VheP (6<sup>th</sup> June).
- Chair of the webinar “Healthcare systems transformations: is there a model of convergence? Netherlands focus” organised by Australasian College of Health Service Management (ACHSM) and VheP (24<sup>th</sup> April).
- Speaker at the seminar “The Future of Private Health Insurance in Australia” organised by ACHSM and VheP (3<sup>rd</sup> April).
- Chair of the seminar “A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas: Diagnostic Cost Groups” organised by VheP (Australia) (20<sup>th</sup> March).
- Chair of the seminar “Productivity and the Cost of Living: Australia’s Two Economic Challenges” organised by VheP (Australia) (7<sup>th</sup> March).
- Speaker at the webinar “Healthcare systems transformations: is there a model of convergence? Australia focus” organised by Australasian College of Health Service Management (ACHSM) and VheP (31<sup>st</sup> January).

### 2023

- Presenter at the Cross-College Research Symposium “The COVID-19 Vaccine Preferences Project” at The University of Newcastle (Australia) (4<sup>th</sup> July).
- AIBC Parliamentary Friends of India – Bilateral Trade Opportunities for Australian Businesses. Network activities on behalf of the University of Newcastle Vice-Chancellor to profile the University’s research and teaching, and activities tailored to Indian, Asian, and South Asian economies.
- Sponsorship of Professor Filippo Arfini visiting in July 2023 to organize partnership with University of Parma on dual degrees focusing on food quality and safety, and health systems management. Main promoter for the Adjunct Professorship award to professor Arfini.
- Sponsor and promoter for Aleksandra Torbica (Bocconi) Adjunct Professorship appointment at Newcastle Business School (NBS).
- Chair of the session “Does caring for others affect our mental health? Evidence from the COVID-19 pandemic” organised by the VheP network (13<sup>th</sup> Feb)
- Chair of the session “Regulatory Capture: New insights and responses to Health Policy & Law related incoherencies” organised by the VheP network (23<sup>rd</sup> Feb)
- Chair of the session “Texting parents to support children's education: Experimental evidence from Ghana” organised by the VheP network (15<sup>th</sup> Mar)
