SCIENTIFIC PUBLICATIONS (MONOGRAPHS)

Pulire l'infosfera (2022)

● G. Suffia, *Pulire l'infosfera*, Giuffrè Francis Lefebvre, Milano, 2022.

ISBN: 9788828840251 in the series Informatica Giuridica, vol. no. 13.

In English "cleaning the infosphere", monograph on disinformation as a form of influence and hybrid threat. In the paradigm of "infosphere" and "documedia", the book discusses the main difficulties for an AI to understand the human information and, automatically, select what disinformation is.

Geografia delle cyberwars (2018)

● G. Suffia, *Geografia delle cyberwars*, Giuffrè Francis Lefebvre, Milano, 2018.

ISBN: 9788814228834 in the series "Informatica Giuridica", vol. no. 6.

In English "geography of cyberwars", monograph on cyber warfare in light of the geographical components of cyberspace, the international legal framework, strategic documents and existing geopolitical relationships.

[2018 – Current]

Articles and papers - "Class A" Anvur Journals

● A. Lavorgna, G. Suffia. *La nuova proposta europea per regolamentare i Sistemi di Intelligenza Artificiale e la sua rilevanza nell'ambito della giustizia penale: un passo necessario, ma non sufficiente, nella giusta direzione (The new European proposal to regulate Artificial Intelligence Systems and its relevance in criminal justice: a necessary but not sufficient step in the right direction)*, in *Diritto Penale Contemporaneo*, 2:88-105, 2021 - in "Fascia A", Anvur.
