## WORK EXPERIENCE

---

### Research fellow

*Feb 2024 - Ongoing*

*University of Bologna, Bologna, Italy*

I am helping professor Scrutinio with the project Growing Resilient, Inclusive and Sustainable: Data Platform (GRINS)

### Research assistant

*Apr 2023 - Sep 2023*

*University of Bologna, Bologna, Italy*

I helped professor Montinari with research on eliciting gender norms among university students

My responsibilities included data cleaning, conducting a portion of the analysis, and implementing the Krupka and Weber methodology

### Tutor of EPELM

*Dec 2022 - Dec 2023*

*University of Bologna, Bologna, Italy*

I was responsible of: setting exam dates, replying to future students and current students' emails, manage the website and coordinate the selection of future students

### Student contract

*Oct 2020 - Apr 2021*

*University Polytechnic of Marche, Ancona, Italy*

I worked at the University as an assistant for the Covid-tracking

## ABROAD EXPERIENCE

---

### Erasmus student

*Aug 2022 - Dec 2022*

I attended a semester at Uio (Universitetet i Oslo) in Norway as an exchange student

### Exchange student

*July 2016 - Dec 2016*

I attended classes at Heathfield High School in Adelaide, Australia for six months as an exchange student
