#### ACHIEVEMENTS

- June 2015: Developing forecasting models for the hourly electricity price for the Italian wholesale market. The results are used by the Italian Energy Regulator (ARERA) to set the energy price for the "enhanced market segment (tutela)."
- 2009: I served as a coordinator of the academic committee for developing the Finance program and the curriculum at BZU; the task was finished and applied successfully.
- September 2009: Fellowship to World Business Institute in Australia thanks to winning best paper at the 2009 conference in Dubai.
- 2008-2010: Delivering a training course in FOREX trade and investment analysis for BZU graduate students and brokerage firms in Palestine.

---

#### TRAINING

- 
- 23-24/09/2019: Participation in the STATA training course "Policies evaluation with regression matching, re-weighting, and difference-in-difference" provided by Tstat, Milan, Italy.
