ACHIEVEMENTS

- June 2015: Developing forecasting models for the hourly electricity price for the Italian wholesale market. The results are used by the Italian Energy Regulator (ARERA) to set the energy price for the "enhanced market segment (Tutela)."
- 2009: I served as a coordinator of the academic committee for developing the Finance Program and the Curriculum at BZU; the task was finished and applied successfully.
- September 2009: Fellowship to World Business Institute in Australia thanks to winning best paper at the 2009 conference in Dubai.
- 2008-2010: Delivering a training course in FOREX trade and investment analysis for BZU graduate students and brokerage firms in Palestine.

TRAINING

- 23-24/09/2019: Participation in the STATA training course "Policy evaluation with regression matching, re-weighting, and difference-in-difference" provided by Tstat, Milan, Italy.
- 24-30/06/2017: Completed an intensive week on "the precautionary principle, environmental governance, and innovation for sustainability" at the Central European University in Budapest, jointly with the European Environmental Agency.
- 22-24/06/2017: Completed the XVI edition of the Milan European Economic Workshop, held at the University of Milan.
- 10-15/03/2013: Participation in the Winter School on *Central and Eastern European issues*, organized by Rajk László College for Advanced Studies, held in Eger City, Hungary.
- 7-15/06/2012: Completed a summer school on Energy markets organized by our Ph.D. program in Law and Economics at IUSS-Pavia.
- 05/09/2010-24/10/2010 (7 weeks) Completed a multi-disciplinary course in six Italian Universities (Siena, Bologna, Milano, Pavia, Palermo, and Rome); each university was assigned to teach a specialized topic.
- 7-9/03/2009: Completed a workshop on "Intended Learning Outcomes, ILOs" at Birzeit University; the trainer was Dr. Robert Schofield.

SKILLS

- Very good in computer skills and statistical packages (M.S. Office, internet, SPSS, STATA, and MATLAB).
- Very good at using software for FOREX & stocks trading and conducting technical analysis.
- English: Fluent (TOEFL & IELTS, expired).
- Italian: Fluent (C2).
- Arabic: The mother tongue.
- Spanish: Elementary level.
- Valid E.U. driving license.
