Activity as a professional

Since 1979 he has been working as a lawyer in the field of intellectual and industrial property, corporate and commercial law and contracts, also in terms of Community and international law. He deals with judicial activity in these matters and assistance in M&A. In these areas:

- From July 1983 to present he moved to Bologna to manage and own Studio Cagli-Alessandri in Bologna, and created a structure of lawyers specialized in commercial, industrial and civil law counting among the clients, multinationals operating in the distribution of drugs, the major Italian and some foreign school and university publishers and their associations, a well-known Bolognese sports club, companies active in the field of sports sponsorship and cultural events, companies in the mechanical industry, construction, production and distribution of food, in the field of parapharmaceutical, distribution and finance. As part of the development of the sector of the activity of copyright and intellectual property protection, he has represented Italian and multinational companies in legal proceedings, also before the Constitutional Court and in proceedings before the Italian Competition and Market Authority, in patent cases, software, intellectual property in general, unfair competition and trademark matters and in acquisition activities, participation in procedures for the privatization of public companies. He has dealt with liability actions of corporate bodies both on behalf of bankruptcy proceedings, appointed by bankruptcies for causes in this sector, and on behalf of directors and auditors as their defender in actions promoted by bankruptcies, companies and / or creditors.
- in 1983 he moved to Rome called to carry out his professional activity in Studio Carnelutti in Rome as referent and manager of the judicial activity sector of the firm and coordinator of the activity of external consultants and professional also in the extrajudicial activities of the firm. In this period he dealt with judicial activities, international procurement and procurement contracts, international and community law, industrial and commercial law, arbitration and contracts.
- from 1981 to 1983 he collaborated with prof. avv. Giorgio Bernini with a studio in Bologna, in the field of international law, international arbitrations and commercial, industrial and contractual law, both judicially and extrajudicially;
- from 1979 to 1982 prosecutor at The Cagli Law Firm in Bologna with the lawyer. Mario Cagli: area of activity: industrial, commercial and contractual law.

He is a member

- from 2011 to the present date of OCI Osservatorio sulla Crisi di Impresa - an interdisciplinary study group that brings together magistrates, university professors, bankruptcy trustees and qualified

accountants and promotes research on legal interpretation and economic-business data involved in the procedures of the composition with creditors and bankruptcy agreements, as well as on restructuring agreements.

- from 2000 to today of the International Literary and Artistic Association (ALAI - www.alai.org) founded in 1878 on the initiative of *Victor Hugo* and other intellectuals of the time
- from 1998 to today of the Italian Society for the Study of Intellectual Property SISPI
- from 1980 to today of the Italian Processualists Association.

Pursuant to art. 15 co.1 letter c) of Legislative Decree 33/2013 and in compliance with the provisions of Presidential Decree 445/2000, the undersigned Nicola Alessandri born in Florence on 10 November 1955 declares to carry out activities as a freelancer and to be registered in the register of lawyers of Bologna and not to carry out assignments and not to have ownership of private law positions regulated or financed by the public administration, outside the assignment conferred by the University of Bologna.
