Sex Male | Date of birth 24/06/1970 | Nationality Italian

Consultant, Department of Otolaryngology Head and Neck Surgery, S. Orsola-Malpighi University Hospital, Bologna .

PRESENT POSITIONS

Adjunct Professor of Otolaryngology, University of Bologna School of Medicine.

WORK EXPERIENCE

2014 - present

Adjunct Professor of Otorhinolaryngology.

University of Bologna School of Medicine.

- As an Adjunct Professor, he carries out tutorials in Clinical Otorhinolaryngology for students attending the degree course in Medicine and Surgery at the University of Bologna. He is actively involved in the education program for Residents attending the Postgraduate School in Otorhinolaryngology as well as for Residents attending the Postgraduate School in Paediatrics.

2008 - present

Consultant

Department of Otolaryngology Head and Neck Surgery, S. Orsola-Malpighi University Hospital, Bologna

As Consultant in Otorhinolaryngology Head and Neck Surgery, Dr. Piccin is constantly involved in patient care in the clinic and in the operating room, with a progressive increase in responsibilities for surgical and managing duties.

- The ENT Department of S. Orsola – Malpighi University Hospital of Bologna, has 28 dedicated ENT beds, with 2 on a daily basis dedicated theatres and an annual mean surgical activity of approximately 2000 patients; it offers specialistic care to the majority of the local population and from other Italian regions. The ENT department is 24/24 hrs on call and it is part of the Italian NHS, offering consultation for GPs, ENT specialist on the territory and the Accident and Emergency Department of the S. Orsola – Malpighi University Hospital of Bologna and other Hospitals of the region. The on call service covers adult and pediatric ENT minor and major pathologies.

2004 - 2008

Locum Consultant

Department of Otolaryngology Head and Neck Surgery, S. Orsola-Malpighi University Hospital, Bologna

As Locum Consultant in Otolaryngology Dr. Piccin was constantly involved in patient care in the clinic, in the operating room and in the on call service.

During this period, Dr. Piccin consolidated his experience in the clinical and surgical practice.

2002 - 2004

Clinical Observers

Department of Otolaryngology Head and Neck Surgery, S. Orsola-Malpighi University Hospital, Bologna

During this period, Dr. Piccin was actively involved in the clinical research activities of the Department.

EDUCATION

- 1999 - 2002 Post-graduate doctor residency in Otorhinolaryngology Head and Neck Surgery, University of Bologna
- 1997 - 1998 Post-graduate apprenticeship in General Surgery, Internal Medicine, Gynecology & Obstetrics, S.Orsola-Malpighi University Hospital of Bologna.
- 1990-1997 Undergraduate course of Medicine and Surgery, University of Bologna

SUMMARY of QUALIFICATIONS

- 2018 National scientific licence for **Full Professor in Otorhinolaryngology**
- 2014 National scientific licence for **Associate Professor in Otorhinolaryngology**
- 2011 National qualification for Expert in Sleep related Breathing Disorders (licence issued by the Italian Society of Otolaryngology Head and Neck Surgery and the Italian Association of Sleep Medicine)
- ACADEMIC YEAR 2003-2004 **Postgraduate Professional Master** in “Reconstructive surgery with microsurgical free flaps in cranio-facial tumors” , University of Bologna and Sapienza University of Rome
- ACADEMIC YEAR 2001-2002 **Diploma in Otorhinolaryngology** Head and Neck Surgery with full marks (70/70) cum laude, University of Bologna (Dissertation “Swallowing evaluation after surgical treatment in patients with severe obstructive sleep apnea syndrome”)
- ACADEMIC YEAR 1997-1998 Italian medical council registration (license to practice)
- ACADEMIC YEAR 1996-1997 **Medical degree**, University of Bologna, (Dissertation “Revision surgery for otosclerosis”)
- 1989 School leaving certificate in Scientific studies (college)

OTHER ACADEMIC and TEACHING ACTIVITIES

- ACADEMIC YEAR 2019-2020 Appointed as faculty member of the Postgraduate Professional Master in Sleep Medicine for orthodontists , University of Padova
- ACADEMIC YEAR 2017-2018 PhD in Surgical Science thesis co-supervisor, University of Bologna
- ACADEMIC YEAR 2017-2018 Postgraduate Professional Master in Dental Sleep Medicine, University of Bologna (Member of the faculty)
- ACADEMIC YEAR 2017-2018 Postgraduate Professional Master in Obstructive Sleep Apnea: diagnostic and therapeutic approach. University of Tor Vergata, Roma. (Member of the Faculty)
- 2013 - present Member of the European Panel on Drug Induced Sleep Endoscopy position paper
- 2012 - present Educational activities for Residents attending the Postgraduate School in Otorhinolaryngology.

- 2011 - present Member of the National and International Examination Committees for the qualification of Expert in Sleep Related Breathing Disorders (Italian Society of Otolaryngology Head and Neck Surgery and Italian Society of Sleep Medicine)
- 2011 (20-22 February) Lecturing Professor, University of Marrakech Medical School, Morocco
- 2006 - 2007 Member of the National Board for the drafting of the guidelines on surgical management of snoring and sleep apnea in adults (Italian Society of Otolaryngology Head and Neck Surgery and Italian Association of Sleep Medicine)
- 2004 - present Tutorship in Clinical Otorhinolaryngology for students attending the degree course in Medicine and Surgery at the University of Bologna

SURGICALEXPERIENCE

From may 2004 to date, Dr Ottavio Piccin, performed more than 4000 ENT surgical procedures as first or second operator as summarized by the Management of the S.Orsola-Malpighi University Hospital in Bologna. The number does not include the minor surgical procedures performed during this period. He is well trained in treating all forms of sleep disordered breathing as well as thyroid and parathyroid diseases. In this field minimally invasive and video-assisted techniques with neuro-monitoring of the superior and inferior laryngeal nerves are steadily used .

His clinical and research activities include head and neck oncology and head and neck surgery.

As a result of a strict cooperation with various multidisciplinary teams of the S.Orsola Hospital, Dr Piccin is member of the Integrated Care Pathway for the diagnosis and treatment of thyroid cancer as well as for the treatment of cutaneous melanoma.

PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C2	C1	C1	C2
French	B2	C1	B2	B1	B1
Spanish			B1 B2 B1 B1 A2		

Communication skills Strong oral communication skills, with a recognized capability for explaining technical concepts in everyday terms.

Organisational / managerial skills Scientific committee member of many national and international conferences
 Dr Piccin was recently appointed as editor by Thieme Publishers (Thieme is an award-winning international medical and science publisher serving health professionals and students for more than 125 years) in the drafting of a textbook on **Drug Induced Sleep Endoscopy**.

Job-related skills

- **Team work:** I work in various types of teams, from research teams to clinical and surgical teams.
- **Mediating skills:** I work everyday between students, residents and trainers, and I had the opportunity to develop my skills on young doctors training programmes.
- **Intercultural skills:** I am experienced at working in an International dimension and I have gained the ability to understand different cultural contexts and viewpoints

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Proficient user	Independent user	Independent user	Proficient user

Good command of office suite (word processor, spread sheet, powerpoint) and Mac software

Other skills Amateur photographer

Driving licence A - B
