### **Other Research Contributions:**

- “Il sussurro della montagna”, project of research and training in the field of responsible tourism and sustainable development trough social innovation, funded by Politiche Giovanili, Provincia Autonoma di Trento, in collaboration with Fondazione Trentina Alcide De Gasperi (2017).
- “EU Aid Volunteers complementing humanitarian aid: strengthening the link through deployment, capacity building and technical assistance”, coordinato da GVC onlus (3058 - / 001 – 001)(2015)

- “EU Aid Volunteers in action”, coordinato da GVC onlus (3720/01-01) (2016)
- “More and Better EU Aid Volunteers”, coordinato da GVC onlus – (3466/001-001) (2016)
- “Salus W Space: urban innovation and generative welfare”, a social innovative action that will lead to the regeneration of Villa Salus, a former patrician villa that was turned into large hospital in the 50's and has been now abandoned for many years. W stands for Welcome, Welfare e Wellbeing: the aim is to foster the social, cultural and economic inclusion of migrants integrating different services in a new refurbished centre and allowing migrants to acquire new skills and build micro-enterprises for community services in the neighbourhood, with the direct involvement of different stakeholders and citizens. Coordinated by the Centre for Social Inclusion Don Paolo Serra Zanetti, of the Municipality of Bologna. The partnership involves 17 stakeholders (2016 – 2018).
- “To Govern Artfully. Processes and Tools for a territory participatory planning”, interdisciplinary research project, which involves sociologists and architects from several Universities with the aim to analyse the forms of “projectual citizenship” activated in by the transformation of the public spaces by participatory architecture, tactical city planning and relational public art; financed by L.R. 7/2007 (“Promozione della ricerca scientifica e dell’innovazione tecnologica in Sardegna”) (2013-2016)
- “Pratiche e politiche di consumo alimentare nell’ottica di stili di vita sostenibili in risposta alla crisi”, national research on sustainable lifestyles and food, financed by Ministero dell’Istruzione, dell’Università e della Ricerca (MIUR) (2013-2015).
- “The City Ghettos of Today”, international project involving theatre companies, NGOs and universities (in total 24 organizations from 7 cities) in the research and artistic work on the today’s migrant ghettos in the EU cities. Through artistic creation and sociological research, it was aimed to create a space in which to examine and discuss the multiple stories emanating from Europe’s migrant “ghettos”. Co-funded by Europe for Citizens Programme (2013-2015).
- “Humanitarian Action Initiative”, with Prof. Craig Calhoun, in partnership with the University of Bologna and the Institute for Public Knowledge, New York University. It consists of a network of experts, practitioners, scholars, and policymakers working in the fields of humanitarian action, human rights, and development. Through collaborative interdisciplinary study of narratives, the *Humanitarian Action Initiative* seeks to move the debate forward on topics such as humanitarianism's role in geopolitics, its narrative forms, organizational practices, and the ethical commitments of its actors (September 2011 – December 2012).
- “Self-Mapping: Explorations and Participatory Cartography for an Interdisciplinary Action Research on Urban Transformations”, winner of (and financed by) ISA Topic 2010, Institute of Advanced Studies, University of Bologna (2010)
- “TRES: Fair and Responsible Tourism”, a project launched by a network of European NGOs whose purpose is promoting responsible tourism as a means for fighting poverty and building fair relationships among peoples (2009/2011)
- “Negoziare la necessità alimentare: percorsi di scelta delle fasce deboli nei luoghi del consumo alimentare”, national research, financed by Ministero dell’Istruzione, dell’Università e della Ricerca (MIUR) (2006/2008).
- STRIKERS – Setting up Training Packages to improve Knowledge of social and Environmental responsibility in the SMEs -, a multi-national research, survey of over 100 enterprises in 7 UE countries, financed by Leonardo Da Vinci UE Program (2004 - 2006).
- “Agire di mercato e culture della responsabilità: etica dei consumi e processi di certificazione”, national research, financed by MIUR 2004/2006;
- “I luoghi del consumo nella società globale: tra experience e spettacolarizzazione”, national research, financed by MIUR 2002/2004;
- “L’immaginario simbolico dei consumatori tra marketing commerciale e marketing sociale”, national research, financed by MIUR 2003;
- “Etica del consumo nella società globale”, national research, financed by MIUR 2002.
