

Valentino MOSCARIELLO

Date of birth: February 14th, 1987

Curriculum Vitae

Education

Department of Economics and Statistics, University of Salerno(Italy)

Doctor of Philosophy in Economics(Ph.D), Area of Specialization: Applied Economics, May 2015
Dissertation: “The youth employment rate and the role of the minimum wages, labour market policies and institutions: theory and estimates”

Faculty Advisor(s): Prof. Sergio Pietro Destefanis and Prof Shane Niall O’Higgins.

Sciences Po-Paris(France)

Executive Master in Applied Labour Economics for Development, December 2014

Thesis: “The impact of minimum wage on youth employment”

External Advisor: Catherine Saget(Senior Researcher Specialist at ILO);

Department of Economics and Statistics, University of Salerno(Italy)

Master’s degree in administration science(LM-63)

Thesis: “Job satisfaction and productivity: analysis on the nature of the correlation.”

GPA: 110 cum laude;

C.I.D.E Summer School on: Advacanced Method for Impact Evaluation Policy,prof Battistin, (September 2014, Bank of Italy,Perugia, Italy);

C.I.D.E Summer School on: Panel Data: Theory and Application in Stata, prof Golinelli(August 2012 Bertinoro, Italy).

Research Interests

My research interest is focused on applied economics, well being and poverty, inequality, social inclusion, youth employment, gender equality and migration, gender pay gap, welfare.

Work experience:

- 10/2022: Officer at Ministry of Education: Viale di Trastevere, 76/A, 00153 Rome(Italy)

Research Experience(s)

- **March 2016-February 2018** Research Fellow , ISTAT-National Institute of Statistics, 16, Via Cesare Balbo, Rome(Italy), Research Advisor(s): Alessandra Masi.

Identify and process micro datasets using National Survey by carrying out statistics on well-being, poverty and inequality in Italy including analysis by region (above all considering differences between North, Center and South of Italy) .This requires reviewing survey questionnaires and methodologies, pre-processing micro data sets to a standardized format using STATA and SAS; carrying out most suitable econometric analysis.

Data used: EU-SILC survey, Household Budget Survey- Survey on income and living conditions in immigrant households; Statistics on extreme poverty; Survey on discrimination on the grounds of gender, sexual orientation, ethnic origin.

- **September 2016-February 2017** Statistician, OECD-OCDE-Development Center-Social Cohesion Unit , 2, rue André Pascal - 75775 Paris Cedex 16(France)
Research Advisor: Dr. Alexandre Kolev.
 - Gather statistical data relevant to the Social Protection, Youth Inclusion, Gender and general;
 - Verify the accuracy, coherence, consistency and comparability of data and metadata;
 - Participate in the coordination with internal and external partners by preparing data, produce relevant graphics and tables;
 - Create and update documentation on sources, methods and programs by which output data have been processed;
 - Develop additional databases in the Unit;
 - Build and maintain contacts with statistical staff in national and other international statistical
 - Assist in the preparation of data files used for dissemination (OECD.Stat, CSV etc) and in establishing the layout of the documents and publications;
 - Carry out analysis of data, in particular multivariate analysis using individual-level data.
 - Develop and maintain documentation on work procedures covering all aspects of the production
- **May 2015-February 2016** Independent Researcher and Intern, International Labour Organization(ILO), 4, Route des Morillons, Geneva(Switzerland)
Research Advisor: Dr. Shane Niall O'Higgins.
 - Collecting information on analyses, studies and reports estimating the effects of labour market institutions, including on active labour market programmes and policies, and their interactions on youth labour market outcomes in high, middle and low income countries;
 - Collecting data on labour market institutions and youth related labour market outcomes in high, middle and low income countries; conducting a panel econometric analysis of the impact of labour market institutions and their interactions on youth labour market outcomes and prepare a report on the results.

- April 2015-May 2015** Research Fellow, Department of Economics and Statistics, University of Salerno(Italy)
 Research Advisor: Prof. Sergio Pietro Destefanis
 Impact Evaluation: Public Policies and Local Development programme”
 Applying econometric techniques(difference in difference, propensity score matching, and impact evaluation method to public and private (local) firms using (micro)data.
- October 2013-December 2013** Intern at the International Training Center of the International Labour Organization, 10,Viale Maestri del Lavoro, 10121, Turin(Italy), ERAS(Employment, Research, Analysis and Statistics Programme)
 Research Advisor: Samuel Ashafa
 Undertaking background research to update a training manual on youth employment schemes in Africa; collecting and systematically compiling data for a panel data analysis on the employment elasticity of economic growth.

Professional Experience(s)

Teaching Assistant, Department of Economics and Statistics and , University of Salerno(Italy)
 Courses, from Academic Year 2011-2012- to Academic Year 2013-2014; Academic Year 2017-2018(University of Bologna)

- I. Microeconomics(Bachelor’s degree in Economics, Prof Giuseppe Russo)
- II. Political Economics (Bachelor’s degree in Economics, Prof Giuseppe Russo);
- III. Macroeconomics(Bachelor’s degree in Economics, Prof Sergio Destefanis);
- IV. Welfare and Insurance Economics(Master’s degree in Economics and Finance, Prof Marcello D’amato) in English
- V. Macroeconomics(Department of Economics and Statistics), Prof Sergio Destefanis;
- VI. Economic Policy(Faculty of Law, University of Bologna), prof. Antonelli, Leoncini, Guerriero, Iorio)
- VII. Macroeconomics(Faculty of Bologna, Forlì Campus), prof. Carlotta Berti Ceroni
- VIII. Quantitative Methods-Econometrics(Faculty of Bologna, Forlì Campus), prof Davide Raggi;

- . Tutored students both individually and in small groups, including lectures and examination(s).
- “**Cultore della materia**(subject expert) in Macroeconomics(Secs-p/02)
- **Abilitazione alla professione di consulente del lavoro**

Publications and Presentations

O’Higgins, N.; Moscariello, V. 2017. “Labour market institutions and youth labour markets: Minimum wages and youth employment revisited,” in O’Higgins, N. 2017. Rising to the youth employment challenge: New evidence on key policy issues, (ILO, Geneva) ISBN 978-92-2-130865-2

“A meta-analysis of the impact of the minimum wages on youth employment.” Poster presented at ILO(Geneva), November 2015;

Statistical analysis in

Centre de développement de l’OCDE (2017), « Examen du bien-être et des politiques de la jeunesse en Côte d’Ivoire », Projet OCDE-UE Inclusion des jeunes, Paris.

Computer Skills

Microsoft Word, Excel, PowerPoint; STATA(very proficient)

Working knowledge: R, SPSS, SAS

Language(s) Skills:

Italian(mother tongue)

English(ESB, level C1), IELTS(academic version, level B2).

French (level B1).

Selected Honors, Awards, and Fellowships

Doctoral Student Full Tuition Scholarship, University of Salerno(Italy), 2012 – 2014

Research Fellowship, University of Salerno(Italy),”Public Policies and Local Development programme”-Spring 2015

Research Fellowship, ISTAT, March 2016-Februaury 2018.
