

EUROPEAN  
CURRICULUM VITAE

PERSONAL DATA

Surname and Name                      **VECCHIO YARI**

E-mail                                      [yari.vecchio@unibo.it](mailto:yari.vecchio@unibo.it) ;

Nationality                                Italian  
Language: Italian (mother tongue), English (B2)

Date of Birth                                26/02/1992

Sito Web                                    <http://www.unibo.it/sitoweb/yari.vecchio/>

EDUCATION AND FORMATION

**Phd Student in "Innovative technologies and sustainable use of Mediterranean fishery and biological resources (FishMed-PhD)".**  
Tutor: Prof. Felice Adinolfi. (Start: 01/11/2019)

**Master Degree (LM-77) in "Management" (110 cum laude and academic achievement award, best graduate of the academic year)**  
Disseration: "Review of fractional Brownian motorcycle in the light of multifractional and applications in finance" Relator: Prof. Vincenzo Costa and Prof. Sergio Bianchi (22/07/2016)

**Activities during the university period:**

**Trading Universiade:** Position at end of competition: 9th in Europe, 5th in Italy, 3rd among economics faculties. Total capital gain: 21.29%.

**Fibonacci Association:** Role: President. Purpose: dissemination of financial culture in universities. The association gave rise to conferences with traders (Pietro Di Lorenzo and Giancarlo Dall'Aglio) and investment banks (Saxo Bank) with which a trading championship involving over 50 teams was organised. The last step of the association was the promotion and collaboration in the realisation of the first master's degree in Italy entitled "Technical and Quantitative Analysis of Financial Markets" at the University of Cassino and Lazio Meridionale whose scientific director was Prof. Sergio Bianchi. I actively participated in the fundraising campaign and also took part in the design of the programme and modules of the master's degree. (<http://www.mercati-finanziari.it>)

**Curricular internship:** Studio Associato Martini & Ciferri, Pontecorvo (Italy). Accounting for companies, using various software to prepare tenders; tax and fiscal consultancy for the public. Carried out in 2 months during the university course (value 5 cfu).

## FORMATION

### Course on SPSS SOFTWARE

- Intro Course 1-2
- TSC Course - Statistical Tests and Sampling Plans
- REG - Regression Course
- Course CLUS - Clustering

## SUMMER SCHOOL

### University of Utrecht, NL

- Mplus: How to get started? (0.5 ECTS)
- Applied Bayesian Statistics (1.5 ECTS)
- Introduction to Multilevel Analysis (1.5 ECTS)
- Advanced Multilevel Analysis (1.0 ECTS)
- Survey Research: Design, Implementation and Data Processing (1.5 ECTS)
- Survey Research: Statistical Analysis and Estimation (1.5 ECTS)
- Advanced Survey Research (2.0 ECTS)
  
- 3rd 'GIOVANNI ANANIA' SUMMER SCHOOL ON EVIDENCE-BASED POLICY MAKING "Machine Learning techniques in agricultural, food and environmental policy analysis"

## POSTGRADUATED COURSES

- Bayesian Multivariate Models and Forecasting in Economics and Finance 2020, organized by SIDE (Italian Econometric Association)

## OTHER COURSES

- HarvardX: PH125.4x: Data Science: Inference and Modeling
- HarvardX: PH125.4x: Data Science: Probability
- HarvardX: PH125.4x: Data Science: R Basics
- HarvardX: PH125.4x: Data Science: Visualization

## PROFESSIONAL QUALIFICATIONS

**Trainee accountant:** Trainee accountant at the accountant Giuseppe Tedesco. Start 15/01/2017 end 15/07/2018.

Obtained authorisation to practise as a **certified Accountant** on 16/09/2020.

## WORK ACTIVITIES

### ACCADEMIC ACTIVITIES

#### ALMA MATER STUDIORUM UNIVERSITY OF BOLOGNA

- Research grant at DIMEVET (Department of Veterinary Medical Sciences - University of Bologna) entitled "Integrating Innovative Approaches for Competitive and Sustainable Performance across the Mediterranean Aquaculture Value Chain: Analysis of consumer perception of fish products". The research grant was funded by the Horizon 2020 programme within the "PerformFish" project. Research Tutor: Prof. Felice Adinolfi (started on 01/03/2019, expired on 29/02/2020, interrupted on 31/10/2019).
- Research grant at DIMEVET (Department of Veterinary Medical Sciences - University of Bologna) entitled "Risk management in the primary sector: risk profile analysis and willingness to pay for income stabilisation instruments". The research grant was financed by the Ministry of Agriculture, Food and Forestry (MIPAAF) within the framework of the project: "Implementation of a mutual fund for the fishing and aquaculture sector". Research Tutor: Prof. Felice Adinolfi (started on 01/08/2017, ended on 31/10/2018)

#### UNIVERSITY OF CASSINO

- Collaboration contract with the Department of Economics and Law of the University of Cassino and Lazio Meridionale for research commissioned by Mipaaf entitled "Ex-ante evaluation of the financial instruments of the National Fisheries Plan". Title of the call: "Analysis of credit market failures in the fisheries sector". Research coordinator: Prof. Marcello De Rosa.
- Collaborator in the research carried out by the Department of Economics and Law of the University of Cassino and Southern Lazio, financed by the Lazio Region, on: "Preparatory study for the definition of the implementation modalities for the constitution, start-up and operation of Operational Groups (GO) as defined by the EU legislation on PEI (European Innovation Partnership)". Research coordinator: Prof. Marcello De Rosa.
- Collaboration contract with the Department of Economics and Law of the University of Cassino and Southern Lazio for research commissioned by Arsial. Subject of the contract: "Administration of questionnaires for the collection of data on the informal economy in the rural area of the Lepini Mountains". Research coordinator: Prof. Carlo Russo.
- Collaboration contract with the Department of Economics

and Law of the University of Cassino and Lazio Meridionale for research commissioned by Arsial. Subject of the contract: "Administration of questionnaires for the collection of data on the informal economy in the rural territory of the Val di Comino". Research coordinator: Prof. Carlo Russo.

## NON ACCADEMIC ACTIVITIES

- Collaboration with Agriconsulting for the production of reports within the project "Support to the 2023-2027 programming of the Apulia Region, elaboration of policy briefs as a basis for the implementation of intervention policies". (2021-2022)
- Collaboration with Agriconsulting for the production of reports within the project "Technical assistance for the implementation of the RDP Sardinia 2014-2020". (2021)
- Collaboration with the "Centro Studi Divulga" (<https://www.divulgastudi.it>) for content creation (2021-2022)
- Collaboration with INIPA for the production of a report entitled "The economic and financial cycle of the agricultural company" in the Monte dei Paschi di Siena (MPS) Agri-food and lectures project (2021)
- Collaboration contract for content insertion on the website [paolo.decastro.eu](http://paolo.decastro.eu) and indexing of the MEP Paolo De Castro's website (2020-2021)
- Collaboration with CIHEAM Bari as statistician for the cooperation programme "Road Map for the Assessment of the data System in Malta "DATAMANTECH", funded by the Ministry of Agriculture, Fisheries and Animal Rights of Malta. (from 02/12/2019 to 30/11/2020)
- Collaboration within the programme Contract AKISInforma GA 101000398 of 26/11/2020 Subject: elaboration of the report "Guidelines for innovation in the agricultural and agri-food sector".
- Collaboration within the AKISInforma programme GA 101000398 of 26/11/2020 Subject: Publication on the New Green Deal.
- Collaboration within the ColdirettInform@ - AGRI programme 2019/0186 of 15/07/2019. Subject: Preparation of the content of information material on the Common Agricultural Policy, in particular summary reports explaining how the CAP has affected the development of rural areas in the regions and the opportunities it still offers for improving living conditions in these areas, also in the light of the new provisions of the new EU policy
- Project development consultancy for EcoGlobe S.r.l. (2018-2019)
- Collaboration contract for the drafting of monthly analytics and social network data processing reports and planning of new communication strategies for Cattolica Assicurazioni's

- AGR Observatory (<http://www.osservatorioagr.eu>) (2016-2017)
- Collaboration for SEO indexing of the articles of the Cattolica Assicurazioni AGR Observatory editorial staff. (2016-2017)
  - Collaboration on "Polizze Index" research, in-depth analysis of weather data (2016-2017)
  - Collaboration on the AGR project - Agrifood Observatory (Cattolica Assicurazioni) - in-depth analysis of agricultural commodity prices (3 months) (2016-2017)
  - Responsibility, preparation of TARSU tax assessments, evasion controls and TARSU registration. Use of various software to obtain cadastral data. (2014-2015)

## PROJECT

- Responsibility of TASK 1.1 "Il Contesto E La Pianificazione Territoriale" of the project entitiled "Rigenerazione sostenibile dell'agricoltura nei territori colpiti da Xilella fastidiosa", (CUP) - J89J21013750001 (Total value of the project 5.000.000 €, total value of the task 250.000 €)
